“Mora sotyer pore mon” was first introduced as the College Anthem on the occasion of the Golden Jubilee Celebration in the year 2014. It is sung after the traditional melody practiced in Shantiniketan, on the Convocation. It is the symbol of our solidarity with Rabindranath's vision of education - undaunted devotion to Truth's absolution.

## MESSAGE

This college is a temple of learning and as the Principal of this college it is my responsibility to maintain its sanctity. I believe that education is a blend of academic excellence and creativity and as the Principal of this college my earnest desire is to encourage a conducive academic environment in the college so that every student is empowered to develop and grow creatively and innovatively. Education is that light which drives away the darkness of ignorance and illuminates us to walk the path of righteousness and honest action. In order to achieve proper education I am prepared to take as much effort as possible for the academic development of my students. And in this journey I am not alone. My teachers and staff are dedicated to this cause giving their best to shape the lives of thousands of students who are admitted in my college continuously working for the growth of academic activities with a sense of commitment to meet the expectations of our students. Effective teaching is an amalgamation of learning, imparting knowledge as well as contributing to the all-round development of personality of our students. Behavioural discipline, moral integrity and cognitive development of our students is the aim and objective of this college.

It is my utmost concern that I should be able to provide that environment in the college so that our students may have the opportunity for emotional growth along with intellectual excellence. I want to empower my students so that they develop self - esteem, self - awareness and self - confidence. Our student population is multi-cultural and multi linguistic, hence we teach our students the value of tolerance and respect for each other's language and culture. Discipline, values and integrity are the foundation of this Institution. Our vision is to produce conscientious, confident citizens of India who will go out into the world and make us proud.

I believe that the true goal of education transcends much beyond just awarding degrees and certificates to the students. I would like to quote Mahatma Gandhi, the Father of our Nation here who said that "By Education I mean an all - round drawing out of the best in child and man-body, mind and spirit". The ultimate goal of education is the discovery of the meaning of life and the fulfillment of life and all mankind as well as for oneself. The quest of education is knowledge, humanity, culture, wisdom and sharpness but it should be noted that knowledge is not given but earned and character is not granted but cultivated." With these words I end my message here saying I will continue to work relentlessly to maintain the legacy of the college by ensuring strong relationships with my teachers, students, staff and also parents of my students. I am certain that all my students and staff will carry forward the heritage of high values of this college which I entrust in their hands.

**Dr. Subrata Kumar Ray**

Principal  
Prabhu Jagatbandhu College

## **OBJECTIVES OF THE COLLEGE**

The underlying aim for the enhancement of the literacy rate and the level of awareness about the different problems related to social, political, cultural and economic nature among the people of this rural-based semi-urban area had led to the socially and economically well established, generous people of the decade of 60's to open a college with a very few students, hardly 3 or 4 teachers, 2 or 3 non-teaching staff, 2 or 3 rooms with average space. Given the socio economic condition of this area surrounded by the college where nearly 20%-30% people lying in and round the poverty line and approximately 20% drop out candidates every year mainly due to poor economic conditions.

The college therefore, endeavours to provide a better learning opportunity, value and retain a real care for the less able and under-privileged section of the society so that may develop into self supporting individuals.

### **History of the locality**

The civilisation of Andul was developed by the side or the pious river Saraswati about 700 years ago. According to the most popular belief, 500 years ago when Lord Sri Chaitanya Mahaprabhu launched the sankirtan movement of the congregational chanting of the holy names of the Lord Krishna, he came to Andul. Sri Chaitanya, whose blessed feet have walked on and sanctified the soil of this place, led to this place being called as "Ananda Dhuli"( Happy land), ultimately from which the name "Andul" was derived.

### **History of the college**

About 50 years ago, Dr. Tinkari Ghosh gifted some of his land and a building to start this college. The dream of the college could not have culminated into reality but for the voluntary donation by the education loving people of the locality, raised by the untiring, selfless benevolent group under the name of 'Karmi Sangha'.

Dr. Tinkari Ghosh designated the college in the name of his Guru, The saint, Prabhu Jagatbandhu who was famous as Neo-Gauranga or the new form of Sri Chaitanya and his teaching of Non-violence, truthfulness, self-restraint, self-control and utmost- commitment for social well-being flooded the Eastern Bengal in the late nineteenth century and the early twentieth Century. His most famous disciple Sri Mahanambata Brahmachari, laid the foundation stone of this college who represented India in the second World Fellowship of Faith i.e. Viswadharmamahasabha in 1933 in Chicago, USA.

*So this college possess a very rich heritage both historically and culturally and the present management and staff are trying their best to preserve this golden history and run the college properly.*

### **Hinterland of the college**

Andul is one of the rapidly developing towns in the Block Sankrail under the Sadar Subdivision in District of Howrah, West Bengal. It is a hub of the commercial and industrial activity, but the adjacent areas are rural in nature.

Students come from a big hinterland to this college. The hinterland extends towards south up to Mecheda with a distance of 50 km, towards North up to Howrah proper with a distance of 10 km and to west up to Bagnan with a distance of 40 km. To the east flows river Bhagirathi-Hugli, a distributary of Ganga just 5 km away from the college.

The area is on the floodplain of river Ganga, Damodar and Rupnarayan. Seasonal flood and bank erosion of rivers are the main natural hazards here. People are mainly farmers. In addition, this area has varied occupational structure with carpenters' hub, tailors' hub, potter's colony, Zari workers' colony and small to medium scale industries. The tailors and the Zari workers are mainly Muslims. In the locality of the college, people are engaged mainly in tertiary occupation. Both in the rural and urban area the percentage of people of Scheduled Caste and Other Backward Classes are noteworthy. So students of this college come from a varied socio-cultural and economic background.

## **ABOUT THE COLLEGE**

### **The Beginning:**

Dr. Tinkari Ghosh, MB, gifted some of his land and a building to start the college. This self-effacing man ensured that no hint of his generosity should be publicized. An organizing committee comprising Principal Bijoy Krishna Bhattacharyya, Prof. Bipin Krishna Ghosh, Sri Bijoyananda Chatterjee, Dr. Renu Bhusan Chatterjee and Sri Harigopal Bhattacharyya (Secretary) was set up to run the college. The dream of the college could not have culminated into reality but for the voluntary donation by the education loving people of the locality, raised by the untiring, selfless benevolent group under the name of 'Karmi Sangha'. Later on, the Science Building was constructed with the money and materials donated by generous Surath Mohan Paul. Dr. T. K. Ghosh made a gift to the college some of his landed property and Surath Mohan also executed a trust deed between N. C. Paul (Bricks) Pvt. Ltd. and the college making in a perennial source of income-of-the-college. Decades later, on the western side of the campus, the building was constructed under the scheme of MPLAD fund of Hon'ble M.P Mr. Swadesh Ranjan Chakraborty. Mr. Chakraborty further allotted Rs. Ten lakhs from the same fund for setting up computer facilities in the college. The first President, founder secretary and the first Principal of the college were Mr. Saila Kumar Mukherjee, Ex-Finance Minister, Govt, of West Bengal, Harigopal Bhattacharyya, an eminent scholar of the locality and Prof. Banibhusan Dasgupta, respectively. The entire process of establishing this much needed college in a semi-urban, scheduled caste constituency was executed with the blessings of Prof. Bijoy Krishna Bhattacharyya, an eminent educationist on 31st December, 1963.

### **Journey towards Progress with Commitment:**

55 years back the college started with a very few students, hardly 3 or 4 teachers, 2 / 3 non-teaching staff, 2 or 3 rooms with average space. Though this co-educational college was started in the humble way, it withstood all the difficulties and has now come one of the leading colleges in Howrah District. All credit goes to the students, teaching and non-teaching staff of the college. From the very inception of this college, a unique tradition of cordial relationship among students, teaching and non-teaching staff exists which very few colleges can boast of. The college has an attractive campus view with four buildings forming an almost rectangular structural pattern around a lush green ground surrounded by a concrete road. Adequate infrastructure facilities are available for the current load, and its growth has kept pace with academic expansion. Enough well-ventilated classrooms, separate common rooms for the teaching and non-teaching staffs as well as for boys and girls, sufficient restrooms, a health care centre, and a subsidized canteen all in concert with a large play-ground create a wonderful campus in an impoverished, rural setting. A computerized online financial and admission system constitute best practices in administration.

Teachers interact with students and parents tirelessly, whether to help the slow learners or to offer academic guidance, in addition to tutorials and remedial classes. Our academic calendar and modularized syllabi keeping in pace with the new CBCS system promote maximum success, as do the open access library system and the departmental libraries. Interactive sessions after regular classes help to enhance the learning process. All the Science Departments have well-equipped laboratories as the fundamental unit of the curriculum.

Field trips, though limited to only a few courses, are also effective. Excursions to chosen sites open new doors of experience for the generally deprived students, while access to the internet encourages them to experience the world and beyond. A variety of seminars broaden their perspective, even as group activities foster team spirit and sharpen social skills. The college has been able to maintain its own identity and a good academic standard as reflected in teaching and University Examination results. Most of the students who come to study in this college have been able to establish themselves in different spheres of life.

The College encourages the students to participate in sports (both indoor and outdoor) by providing all sorts of equipments for sports and games activities. 16 station Gym has been installed in the college for the development of physical strength of the general students at a nominal charge. We take great pride in our extension activities which are mainly executed through the NSS and NCC programmes. Many are done in partnership with other organizations. During the last three years, 100 student volunteers have rendered their service by building roads, working on health awareness campaigns, planting fruit bearing trees etc, in neighbouring village Kalitala, Alampur. Local communities are happy to be involved since the benefits reaped by such activities enrich both the college and its rural neighbours.

A Placement Cell and a Women's Cell have become operational. Our Alumni Association is also doing well for several years.

Since 2004 our institution has been a dynamic study centre for Netaji Subhas Open University and from 2019 we have initiated the study centre of Indira Gandhi National Open University promoting advanced education among a large non-regular student body.

By creating a friendly atmosphere, the Governing Body has been a most effective tool in the college activities. Thanks to transparent governance, the leadership has fostered active participation in a decentralized administrative governance, all of which results in a college whose success goes far beyond its very real limitations and impediments.

It is matter of pride for us that the UGC NAAC Peer Team visited our college-on-March-2008 for the first cycle of accreditation and accredited us (CGPA-2.74/4, B-Grade). Thereafter, Annual Quality Assessment Reports had been sent every year to-the-NAAC.

We are proud to announce that UGC NAAC Peer Team Visited our college from 27th to 29th November, 2014 for the second cycle of accreditation and accredited us CGPA-2.85/4, B-Grade. We are honoured to mention that our college scored the highest marks in the said session in Howrah District (Ref. To UGC List of College Scores in NAAC Visit Cycle: I 2014).

An important journey was started since 2015 for the rapid development of infrastructure of the college needed for academic development through the introduction of new subjects, Honours and Post graduate (PG) courses etc. We have been able to introduce PG courses in Bengali, Geography and Mathematics, Honours courses in Chemistry, Education and Sanskrit, new subjects like Food and Nutrition, Zoology and Sociology. A solar power plant has been installed in the college. Again, a (G+3) building namely Subarna Jayanti Bhavan has been constructed fully. Another (G+3) building funded by Govt of W.B. is also ready for taking classes and other purposes which solves largely the infrastructural bottlenecks of the college. The different types of academic related activities like national and international seminars sponsored by UGC, ICSSR, etc. Sports sponsored by DPI, Govt of W.B., etc have started. Due to these events/activities the college has entered into a new era of development.

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. According to the guidelines recommended by NAAC, Our College has established its IQAC on 2009. Since quality enhancement is a continuous process, the IQAC from its very inception has become a part of the institution's system and is working towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The Jawaharlal Nehru National Solar Mission, launched on the 11th January, 2010 by the Ministry of New and Renewable Energy has set the ambitious target of deploying 20,000 MW of grid connected solar power by 2022. It is aimed at reducing the cost of solar power generation in the country through (i) long term policy; (ii) large scale deployment goals; (iii) aggressive R&D; and (iv) domestic production of critical raw materials, components and

products, as a result to achieve grid tariff parity by 2022. In compliance with the Mission, our college has set up a 20 KW grid connected Solar Power Plant to achieve this objective and make India a global leader in solar energy.

**Motto of the solar power plant**

2. Educate people to care for environment
3. Contribute to a social cause and reduce CO2 emission
4. Step ahead to greener pollution free future

Electric power is produced by solar panels and is converted to AC power by grid connected inverter. The power generated by the system is supplied to the load for consumption. Excess power residual or required (if any) is exported / imported to grid through Net Meter where the import or export details of the energy is maintained. The plant has been built up by West Bengal Renewable Energy Development Agency (WBREDA) under JNNSM project with the following grant details.

State Share (Department of Power and NES Govt, of West Bengal	Rs. 9.0 lac

## **WOMEN'S CELL : AN ACCOUNT**

The Women's cell of Prabhu Jagatbandhu College is a body comprised of female members from teaching and non-teaching community and female students of the college. The cell is named 'SACHETANI'. Implicit in the name, is the spirit of the cell, i.e., to generate consciousness about one's self, to breed self esteem and sense of worthiness in the mind of a woman—the weaker gender of the society.

The purpose of this cell is to deal with the problems faced by female members of the college (staff as well as students) in different arena of their life. It provides a counseling forum for the female students to tackle those problems on a regular interval. In addition, there are awareness programmes about different preventive measures of such problems. Moreover, it encourages them to build a precious life in their professional as well as personal areas. In the last academic session (2012-2013), the cell organized the following programmes:

On 22nd December, 2012 there was an interactive session of the women's cell between the female students and female staff of the college regarding the procedures of functioning of the cell with its definite aim in mind. Around 36 female students all female staff actively participated in the said session. Valuable suggestions were received from all who attended, which had enriched the cell in its future planning process. Dr. Asok Das, (Head, Department of Economics of this college) with his deep insight and immense knowledge in Human Rights, delivered an extempore lecture on Women Rights which was valuable and educative for the students as well as for the staff.

On 15th January, 2013, the cell organized a seminar-cum-workshop on women's health in which we were obliged to have as speaker a gynecologist from the London Hospital, Dr. Devasree Mitra, who spoke on "A Girl, a Woman, a Mother - The Journey Continues". There was an overwhelming response in participation from the students in the workshop. Dr. Mitra's presentation was remarkable. She provided a number of fine visual aids. The lucid presentation in Bengali coupled with the helpful demonstration came as a very rare event for our girls. They were encouraged by Dr. Mitra's easy going manner to bring up all sorts of questions. It was indeed an experience that will live with our students for years to come.

On 8th and 9th March 2013, the student members of the women's cell in collaboration with the NSS team of this college conducted a survey of female members of a nearby village (Mashila). They collected general information regarding the health problems of the women residing in Mashila. The aim of the survey was to arrange a health camp for these villagers.

In the academic session (2013-2014), a health camp was organized in the college campus on 14th December, 2013 with the proficient assistance of two eminent doctors from Kolkata. We had the privilege to have Dr. Nandita Dasgupta, an eminent doctor, (previously attached with CINI, a NGO and presently working with ailing mother and children), as gynecologist and Late Dr. Debduaipayan Chattopadhyay, (Ex-Surgeon Superintendent, SSKM Hospital, Ex-CMOH, Kolkata Municipal Corporation) as General Physician. Both of them advised a total of 72 patients of which 46 had gynecological problem. Among the patients, the majority was our students. As a whole, the camp was a grand success.

To commemorate the occasion of the International Women's Day on 08.03.2014 an workshop has been organized by the Women's Cell. Dr. Proyash Sarkar Professor in Philosophy of Jadavpur University spoke on EQUALITY FOR WOMEN IS PROGRESS FOR ALL. On May, 19th, 2015, the Cell arranged a seminar on Gender harrasment in collaboration with West Bengal Govt. Chief Judicial Majistrate of the District Court, District Protection Officer, SWO of Sankrail Block, Secretary DLS Adelivered their valuable lecture. **Aims and Objectives of the Value Education Cell**

*"Value education is the aggregate of all the process by means of which a person develops abilities and other form of behavior of the positive values in the society in which he lives." - C.V. Good*

A man divorced from value education is just like a running boat without oar. Value education refers to the process of transmission of positive social values, usually from the older generations to younger generations. In other words, it is the process that gives young people an initiation into values, giving knowledge of the rules needed to function in this mode of relating to other people, and to seek the development in the student a grasp of certain underlying principles, together with the ability to apply these rules intelligently, and to have the settled disposition to do so. Value education encompasses a matrix of themes that to a varying degree address character, moral development, religious education, spiritual development, citizenship education, environmental education, personal development along with socio-cultural development. To the parlance of common people, value education incorporates issues such as happiness, love, equality, humility, peace, simplicity, cooperation, fellow-feeling, honesty, unity and justice.

General education is clearly about understanding learning skills 'what to do', 'how to do' and practising the skills, leading to fulfillment of human purpose, i.e. for the welfare of self and others. Value education facilitates development of right understanding of 'what to do' by sharing the understanding of 'what to do'. Value education imbibes the students to develop moral values for understanding 'how to do well' as well as 'why to do'. While general education aims at acquiring knowledge and promoting creativity, value education aims at facilitating right application of knowledge for establishing mutual happiness in the society.

Humanity is suffering from spiritual starvation. The world today is in a dismal state as the human beings are always in 'dissatisfaction' with their present status, which results in loss of inner calmness and control over self. Consequently, the present society is boiling with anger, anxiety, frustration, restlessness and anguish. It is engulfed with destructive forces such as corruption, religious fundamentalism, caste-ism, and separatist motives which are misguiding the youth who are exposed to a set of conflicting values.

In order to overcome all the flaws mentioned above, the prime necessity is to develop an attitude of sharing, fellow-feeling and love for each other without self-interest. Many of the societal problems will be eliminated if the human beings become apathetic and sympathetic to each other with a loving attitude and take action accordingly, especially during the current COVID-19 pandemic situation.

The Value Education Cell makes a trivial attempt to change the understanding of selves and the stakeholders of Prabhu Jagatbandhu College. It is an attempt at finding the mutual joy and gladness by achieving the following -

- Holistic development of body, mind and soul
- To Cultivate inner calmness - a way to peace
- To Go back to Man's True Nature for regaining forgotten Divinity of human being
- To tap inner resources of strength and to harness the power of positive attitude and affirmation
- To develop the bondage of human being to nature

The Cell focuses on nurturing the students into worthy citizens of the country, whose success in the professional world would largely depend on their ethical behaviour apart from their professional skill. So, the Cell emphasizes on real life-oriented learning methods and designs pragmatic programmes on value education. A student, when leaving college after completion of the three-year degree course, should be equipped with a positive frame of mind, should have basic communication skills, should have acquired the ability to explain something logically, and above all, should have developed a balanced personality. It treats the students as mature individuals and strives to inculcate values in them which will help them face the hazardous journey of life after college.

### **Equal opportunity cell:**

The Indian Society is singular in terms of the multifarious hues it has absorbed in its fabric! Living within its clench are numerous groups that are segregated on the basis of language, ethnicity, class, caste, religion etc. The existence of these groups has resulted in

a highly entrenched system of social stratification wherein some groups are placed at the upper end of the spectrum and others at the nether end. To augment this system of inequality the variable of gender also plays an important role. This pecking order of things has brought about the hegemonic domination of a few to the detriment of others. Owing to the same barriers of denial have been erected which limit and restrict the opportunities (educational, economic, health etc.) of the less privileged members of the society.

This inequitable situation warrants a redemption which is possible through Equal Opportunity measures and policies.

#### বাংলা বিভাগ (স্নাতক ও স্নাতকোত্তর) ২০১৯-২০২০ শিক্ষাবর্ষের প্রতিবেদন

প্রভু জগবন্ধু কলেজের বাংলা বিভাগ প্রতি বছরই নানারকম অনুষ্ঠানের আয়োজন করে থাকে। স্বাভাবিক নিয়মেই ২০১৯-২০ শিক্ষাবর্ষেও বিভিন্ন অনুষ্ঠানের আয়োজন করেছিল। তার মধ্যে প্রথমেই উল্লেখ করা যায় ‘অভিভাবক সভা’র কথা। ‘অভিভাবক সভা’ শিক্ষক সমাজ, শিক্ষার্থী সমাজ এবং সর্বোপরি, কলেজের স্বাস্থ্যকর পরিবেশ বজায় রাখতে দারুণভাবে সহায়ক হয়ে উঠে। শিক্ষাবর্ষের শুরুতেই বিভাগ এই সভার আয়োজন করে থাকে। সেইমত গত ২০-০৯-২০১৯ তারিখে বিভাগের পক্ষ থেকে এই ‘অভিভাবক সভা’র আয়োজন করা হয়। এছাড়া, গত ০৬-০৯-২০১৯ তারিখে বিভাগের ছাত্র-ছাত্রী ও শিক্ষকদের নিয়ে ‘শিক্ষক দিবস’ উদযাপন করা হয়। শিক্ষক দিবসের তাৎপর্য ও গুরুত্ব নিয়ে বিভিন্ন অধ্যাপকদের আলোচনার পাশাপাশি ছাত্র-ছাত্রীদের দ্বারা নাচ-গান, কবিতা-আবৃত্তি এবং নাটক দিয়ে সাজানো একটি সাংস্কৃতিক অনুষ্ঠানেরও আয়োজন করা হয়েছিল। অপরদিকে, ২০১৯ সাল বাংলা ভাষা ও সাহিত্যের একটি গুরুত্বপূর্ণ বছর। এই বছরটি বাংলা ভাষা ও সাহিত্যের প্রবাদ-প্রতীম ব্যক্তিত্ব ঈশ্বরচন্দ্র বিদ্যাসাগরের দু’শো বছর পূর্তির বছর। এই বছরটিকে স্মরণীয় করে তুলতে বাংলা বিভাগ গত ১৯-০২-২০২০ তারিখে একটি ‘জাতীয় স্তরের আলোচনাচক্র’র আয়োজন করে। বিষয় নির্বাচন করা হয়েছিল ‘দ্বিশতজন্মবর্ষে বিদ্যাসাগর : ফিরে দেখা’। এই অনুষ্ঠানের উদ্বোধক ছিলেন কলেজের অধ্যক্ষ ড. সুরতকুমার রায়। সূচক ভাষণ প্রদান করেন বিভাগের বিভাগীয় প্রধান ড. সুধাংশুকুমার সরকার। এছাড়া অনুষ্ঠানে অতিথি বক্তা হিসেবে উপস্থিত ছিলেন ড. শক্তিসাধন মুখোপাধ্যায়, ড. সনৎকুমার নস্কর, ড. মীর রেজাউল করিম প্রমুখ। সমগ্র অনুষ্ঠানটি পরিচালনায় ছিলেন বিভাগের ছাত্র-ছাত্রীবৃন্দ। অন্যদিকে, ‘ভাষাদিবস’ বাংলা বিভাগের একটি অত্যন্ত গুরুত্বপূর্ণ অনুষ্ঠান। অত্যন্ত উৎসাহ ও উদ্দীপনার সাথে এই দিনটি বিভাগ স্মরণ করে থাকে। এবছর ‘অমর একুশে’ উদযাপনে প্রধান বক্তা হিসেবে আমন্ত্রিত ছিলেন রবীন্দ্র ভারতী বিশ্ববিদ্যালয়ের বাংলা বিভাগের প্রাক্তন বিভাগীয় প্রধান ড. কানন বিহারী গোস্বামী। এই মনোজ্ঞ অনুষ্ঠানে কলেজের অধ্যক্ষ মহাশয় ও অন্যান্য বিভাগের অধ্যাপক-অধ্যাপিকাদের উজ্জ্বল উপস্থিতি ছিল চোখে পড়ার মত। সমগ্র অনুষ্ঠানটির সঞ্চালনায় ছিলেন বিভাগের অধ্যাপক শ্রীজিতা বসু ও সুমন চট্টোপাধ্যায়। পাশাপাশি ছাত্র-ছাত্রীদের দ্বারা একটি মনোজ্ঞ সাংস্কৃতিক অনুষ্ঠানেরও

আয়োজন করা হয়েছিল যা 'অমর একুশে' আনুষ্ঠানটিকে একটি অন্যমাত্রা দান করে। আমরা সকলেই জানি 'করোনা' নামক মারাত্মক ভাইরাসের দ্বারা আক্রান্ত আজ সমগ্র বিশ্ব। মানতে হচ্ছে সামাজিক দূরত্ব। দীর্ঘ লকডাউনে ক্লান্ত সকলেই। এমতাবস্থায় বাংলা বিভাগ কলেজ কর্তৃপক্ষের অনুমতি নিয়ে তার গঠনমূলক ভাবনা চিন্তাকে কীভাবে ছাত্র-ছাত্রী মহলে পৌঁছে দেওয়া যায় সে ব্যাপারে উদ্যোগ গ্রহণ করে। অবশেষে, গত ১৯-০৭-২০২০ তারিখে বিভাগ প্রযুক্তির সহায়তা নিয়ে একটি 'একদিবসীয় আন্তর্জাতিক আন্তর্জালিক আলোচনাচক্র'র আয়োজন করে। বিষয় হিসেবে নির্বাচিত করা হয়েছিল 'স্বাধীনতা-উত্তর বাংলা কথাসাহিত্যে নিম্নবর্গীয় চেতনার ক্রমবিকাশ।' বদলে যাওয়া বিশ্বে নতুন এই আয়োজনে সাড়াও পড়েছিল অভূতপূর্ব। আমরা এই ওয়েবিনারে আলোচক হিসেবে পেয়েছিলাম ড. বেলা দাস, ড. মীর রেজাউল করিম, অধ্যাপক, বাংলা বিভাগ এবং ডীন, কলা ও ভাষা অনুষদ, আলিয়া বিশ্ববিদ্যালয়; ড. দীপককুমার রায়, অধ্যাপক, বাংলা বিভাগ এবং ডীন, কলা বাণিজ্য অনুষদ, রায়গঞ্জ বিশ্ববিদ্যালয়; ড. তপন মণ্ডল, অধ্যাপক বাংলা বিভাগ এবং ডীন, কলা অনুষদ, ডায়মন্ড হারবার মহিলা বিশ্ববিদ্যালয়; ড. শামস আলদীন, সহকারি অধ্যাপক, বাংলা ভাষা ও সাহিত্য বিভাগ, সাউথ ইস্ট বিশ্ববিদ্যালয়, ঢাকা, বাংলাদেশ এবং শ্রী নলিনী বেরা (আনন্দ পুরস্কার প্রাপ্ত), বিশিষ্ট কথাসাহিত্যিক, পশ্চিমবঙ্গ। এই আন্তর্জাতিক আলোচনা চক্রের উদ্বোধক হিসেবে উপস্থিত ছিলেন কলেজের অধ্যক্ষ ড. সুরতকুমার রায়, সূচক ভাষণ প্রদান করেন বিভাগীয় প্রধান ড. সুধাংশুকুমার সরকার। সঞ্চালনায় ছিলেন অধ্যাপিকা শ্রীজিতা বসু, প্রযুক্তি সহায়ক অধ্যাপক ব্রতজিৎ নস্কর এবং ধন্যবাদ জ্ঞান করেন অধ্যাপক বাপি দাস। মোটামুটিভাবে ২০১৯-২০২০ শিক্ষাবর্ষের এই ছিল বাংলা বিভাগের সামগ্রিক কর্মকাণ্ড।

## **Department of English**

### **About the Department :**

Department of English has been functional from 1964. The Honours stream was introduced in 2008. After initiation the Department flourished with its ever increasing number of students and Faculties. Presently the Department has six Permanent Faculty Members including two Full-time Teachers and four State Aided College Teachers. The Departmental library has a number of 200 books approximately. Regularly ICT classes are taken along with Bridge Courses for the academically weaker section of students. Special attention is given for communicative skills and personality grooming. Students get personalized care under the mentoring of individual teachers. The department celebrates both academic and cultural programmes like Orientation, Farewell and departmental seminars and literary workshops. The department represents a humble yet promising effort towards developing literary taste and procuring professional skills among students in the hinterlands.

In the challenging time of global Pandemic, teaching methods in the department have set a subtle balance between traditional modes of teaching through textual exegesis by using digital media - audio-visual modes, experimental exercise as part of pedagogical process, and interactive sessions. Video lectures have regularly been taken by the faculty members. In the time of Covid 19 and intermittent Lockdowns, the Department applied various innovative modes of Teaching Learning to continue the academic interactions that not only enabled students to attain their academic pursuits, but also served as their constant companion in the trying times.

### **Department of Political Science**

Since 1964 the Department of Political Science, PrabhuJagatbandhu College cherishes its illustrious past, but tries every moment to enrich its present. With a bunch of fresh, inquisitive students and dedicated faculty, the department's quest for quality and knowledge is unbound. And this quest goes beyond the formal syllabus, beyond the four walls of our classrooms. The Honours stream was introduced in 2003. Students are encouraged to question and debate and raise issues within and beyond the syllabus. They are encouraged to participate in students' seminars and present papers. The department believes in helping the students to grow as good human beings, not only good students. The faculty members are engaged in continuous research in all areas of the discipline, besides their regular teaching assignments. Semester systems (CBCS) at the Under Graduate levels have been introduced last year.

- The Department has been provided with computer and internet facility.

In every year mainly three programmes are organised by the department : (1) Nabin Baron Utsav and felicitation of best outgoing student, (2) Farewell ceremony of final year students and (3) Teacher's Day Celebration. In each programme the students show their best performance in music, dance drama and recitation. Besides, the departmental wall magazine 'Athmik' is published every year before puja.

Like every year, this year also the department organised an one day academic tour to Samtaber (Deulti) to visit the house of famous writer Sarat Chandra Chatterjee where the students enjoyed very much. There after the students alongwith teachers went to Gorchumuk to enjoy forest and open zoo in the lap of nature.

## **Report on the Activities of the Department of Philosophy**

The Department of Philosophy was established in 1964 and the Honours stream was established in 1998. The Department offers both Honours and General Courses in UG. The thrust areas of the Department are Logic, Epistemology, Metaphysics, Metaethics, Analytical Philosophy, Applied Ethics and Philosophy of Mind. The Department has a computer facility for both students and staff. The Departmental Library is well equipped with more than 200 books. In addition to a spontaneous academic interest the students of the Department actively participate in various activities of the college like programmes organized by NSS, Women's Cell, Value Education Cell, etc. The Department of Philosophy organizes the Annual Cultural Programme on the 5th September of every year to commemorate the birth anniversary of the renowned Indian Philosopher Dr. S. Radhakrishnan where the students of the Department organise a cultural programme involving enacting short plays on topics of Philosophy, Logic etc. like a play enacted on the script called 'kothay kothay logic' written by the legendary philosopher Late Dr. Ramaprosad Das. The programme is enriching for both the staff and students alike as it highlights the rich cultural heritage of the Department.

Due to the pandemic the college campus remained inaccessible to students and staff. So the Department decided to carry on the activities online through the digital platform. The Department organised six national interdisciplinary webinars in 2020 on very contemporary issues and challenges like “Post Covid Human Life: Ethical and Social Issues”, “The Philosophy of Human Rights :Towards a Just Legal Society”, “Psycho-Social Impact of Covid 19 : A Philosophical Perspective”, “Emergence of a Social Crisis:An Ethical Evaluation of Socio-economic and Legal Implications of Covid 19”, “Contextualism Revisited in Present Times:Ethical and Moral Considerations “ and “Reminiscing Rishi Aurobindo Post Covid “. Also the Department celebrated the birth anniversary of the great poet and philosopher Rabindranath Tagore by organising a cultural programme in which the students and also the teachers performed dance-drama, songs and recited poems, all in the digital platform.

Besides, the Department takes extra care in providing Mentoring, Personal Counseling, Examination Counseling and Career Counseling to all students of the Department. Counseling of students is our best practice and this has helped us maintain a seamless journey with our main motto of creating better human beings in the three years the students are with us. Our vision draws inspiration from Swami Vivekananda's concept of education as a man- making and character- building process. We, the Faculty of the Department of Philosophy, try our best to arouse the latent talent in each of our students and to equip them to fight the challenges of life once they leave the campus. But we do not let them face the harsh external world alone and have a strong connection with our alumni who keep coming back to us for guidance and support intermittently. We are a one big family where a student once admitted becomes a life member.

24. **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)**

A 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below.

Percentage of Marks	Grades	Numerical Grade Points
>90% to 100%	A+ +	9.0-10
>80% but < 90%	A+	8.0-8.9
>70% but < 80%	A	7.0-7.9
>60% but < 70%	B +	6.0-6.9
>50% but < 60%	B	5.0-5.9
>40% but < 50%	C +	4.0-4.9
>30% but < 40%	c	3.0-3.9
< 30%	F	0
Absent	Ab	0

- i) Numerical Grade Point shall not be calculated in respect of a failed paper
- ii) The multiplicative factors shall be 0.10 for all Grades for the purpose of calculating numerical Grade Point.

**Example:**

If the student secures P%, where  $P \geq 30$  his/her grade point will be  $[3.0 + \{(P-30) \cdot 0.1\}]$  or simply  $30 \cdot 0.10 = 3$

If a student scores 52% in a particular paper, his/her grade point for the paper will be  $(3.00 + 0.1 \cdot 22) = 5.20$  or simply,  $52 \cdot 0.10 = 5.2$

24 (a) **Semester Grade Point Average (SGPA)**

The Semester Grade Point Average (SGPA) will be the weighted average of the numerical grade points obtained in all the papers of the given semester, where Weights refer to the Credits assigned to the concerned papers. If the Numerical Grade Points obtained by a student in different papers of a Semester are denoted by  $P_i$  and the credit of the corresponding papers are denoted by  $C_i$ , the SGPA will be  $[\sum(P_i \cdot C_i) / \sum C_i]$  where  $i= 1$  to  $n$ , and  $n=$  no. of papers in the Semester. The SGPA shall be shown in the mark sheet up to the third decimal point.

24 (b) **Cumulative Grade Point Average (CGPA)**

Cumulative Grade Point Average (CGPA) over six semesters shall be the weighted average of the six SGPAs.

$CGPA = \frac{\sum (SGPA_j \times C_j)}{\sum C_j}$  where  $j = 1$  to  $6$ . CGPA shall be calculated and shown up to three decimal places.  $SGPA_j$  is the SGPA of the  $j$ th Semester ( $j = 1$  to  $6$ ) and  $C_j$  is the total credit of  $j$ th Semester used for Grade Point Calculation.

The grade of the candidate on the basis of CGPA will be as follows :

<b>CGPA</b>	<b>Letter Grade</b>	<b>Remarks</b>
9.000-10.000	A+ +	Outstanding
8.000-8.999	A+	Excellent
7.000-7.999	A	Very Good
6.000-6.999	B +	Good
5.000-5.999	B	Average
4.000-4.999	C +	Fair
3.000-3.999	C	Satisfactory
0.000-2.999	F	Fail

Both SGPA and CGPA will be rounded off to the third place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each paper / module as well as the SGPA, the total marks obtained in that semester and the credit earned in the semester concerned. The final grade sheet, on completion of six semesters, shall include the SGPA of six semesters, CGPA, Letter Grade, the marks obtained, total marks and the total Credits earned.
