Principal
11.02.2009 - 15.01.2010

Dr. Nisir Ranjan Banerjee
Teacher-in-Charge (Acting)
18.10.2006 - 13.11.2006

Dr. Santosh Chakroborty
Teacher-in-Charge
01.09.1994 - 30.06.1997

Dr. Biswanath Ghosh
Principal
02.07.1965 - 31.12.1991: Retirement
(31.12.1993): Extension

মোরা সত্যের পরে মন আজি করিব সমর্পণ।
জয় জয় সত্যের জয়।
মোরা বুঝিব সত্য, পূজিব সত্য, খুঁজিব সত্যধন।
জয় জয় সত্যের জয়।
যদি দুঃখে দহিতে হয় তবু মিথ্যাচিন্তা নয়।
যদি দৈন্য বহিতে হয় তবু মিথ্যাকর্ম নয়।
যদি দগু সহিতে হয় তবু মিথ্যাবাক্য নয়।
জয় জয় সত্যের জয়।

মোর মঙ্গলকাজে প্রাণ আজি করিব সকলে দান
জয় জয় মঙ্গলময়।
মোর লভিব পুণ্য, শোভিব পুণ্যে, গাহিব পুণ্যগান।
জয় জয় মঙ্গলময়।
যদি দুঃখে দহিতে হয় তবু অশুভচিন্তা নয়।
যদি দৈন্য বহিতে হয় তবু অশুভকর্ম নয়।
যদি দগু সহিতে হয় তবু অশুভবাক্য নয়।
জয় জয় মঙ্গলময়।
সেই অভয় ব্রহ্মনাম আজি মোরা সবে লইলাম--
যিনি সকল ভয়ের ভয়।
মোরা করিব না শোক যা হবার হোক, চলিব ব্রহ্মধাম।
জয় জয় ব্রহ্মের জয়।
যদি দুঃখে দহিতে হয় তবু নাহি ভয়, নাহি ভয়।
যদি দৈন্য বহিতে হয় তবু নাহি ভয়, নাহি ভয়।
যদি মৃত্যু নিকট হয় তবু নাহি ভয়, নাহি ভয়।
জয় জয় ব্রহ্মের জয়।
মোর আনন্দ-মাঝে মন আজি করিব বিসর্জন।
জয় জয় আনন্দময়।
সকল দৃশ্য সকল বিশ্বে আনন্দনিকেতন।
জয় জয় আনন্দময়।
আনন্দ চিত্ত-মাঝে আনন্দ সর্বকাজে,
আনন্দ সর্বকালে দুঃখে বিপদজালে,
আনন্দ সর্বলোকে মৃত্যুবিরহে শোকে--
জয় জয় আনন্দময়।

"Mora sotyer pore mon" was first introduced as the College Anthem on the occasion of the Golden Jubilee Celebration in the year 2014. It is sung after the traditional melody practiced in Shantiniketan, on the Convocation. It is the symbol of our solidarity with Rabindranath's vision of education - undaunted devotion to Truth's absolution.

“শ্রীশ্রী প্রভু জগদ্বন্ধু সুন্দরো জয়তি”

MESSAGE

This college is a temple of learning and as the Principal of this college it is my responsibility to maintain its sanctity I believe that education is a blend of academic excellence and creativity and as the Principal of this college my earnest desire is to encourage a conducive academic environment in the college so that every student is empowered to develop and grow creatively and innovatively. Education is that light which drives away the darkness of ignorance and illuminates us to walk the path of righteousness and honest act In order to achieve proper education I am prepared to take as much effort as possible for the academic development of my students. And in this journey I am not alone. My teachers and staff are dedicated to this cause giving their best to shape the lives of thousands of students who are admitted in my college continuously working for the growth of academic activities with a sense of commitment to meet the expectations of our students. Effective teaching is an amalgamation of learning, imparting knowledge as well as contributing to the all-round development of personality of our students. Behavioural discipline, moral integrity and cognitive development of our students is the aim and objective of this college.

It is my utmost concern that I should be able to provide that environment in the college so that our students may have the opportunity for emotional growth along with intellectual excellence. I want to empower my students so that they develop self esteem, self-awareness and self confidence. Our student population is multi-cultural and multi linguistic, hence we teach our students the value of tolerance and respect for each other's language and culture. Discipline, values and integrity are the foundation of this Institution. Our vision is to produce conscientious, confident citizens of India who will go out into the world and make us proud I believe that the true goal of education transcends much beyond just awarding degrees and certificates to the students. I would like to quote Mahatma Gandhi, the Father of our Nation here who said that "By Education I mean an all round drawing out of the best in child and man-body, mind and spirit". The ultimo education is the discovery of the meaning of life and the fulfillment of life and all mankind as oneself. The quest of education is knowledge, humanity, culture, wisdom and sharpness but noted that knowledge is not given but earned and character is not granted but cultivated With end my message here saying I will continue to work relentlessly to maintain the legacy of ensuring strong relationships with my teachers, students, staff and also parents of my students. I am certain that all my students and staff will carry forward the heritage of high values of this college who entrust in their hands.

Dr. Subrata Kumar Ray

Principal
Prabhu Jagatbandhu College

VISION OF THE COLLEGE

The vision of our college is to energize the human capital of the hinterland of the college by setting new standards for excellence, access, and stewardship for a new era. Our goal is to produce enlightened citizens who will boldly lead India to her rightful place in the global family, based on the ancient wisdom of her past, her all round innovative superiority of the present, assuring a glorious future of harmony.

MISSION OF THE COLLEGE

To realize the vision of our college we are committed to provide an academically rich, multi cultural learning experience that prepares all its students to realize their goals, pursue meaningful lifework, and to be socially responsible contributors to their communities, locally and globally.

By communicating the above to our students, teachers, staff and all stakeholders we hope to achieve a new educational landscape. It will be sustained by the fusion of intellectual energy, global perspective, and a knowledge-driven economy. Some key elements to help in this effort are the Principal's Welcome Address, the prospectus of our college, counseling provided to all students, and several orientation meetings with all relevant personnel. It promises to transform not only the college but also the entire region we serve. Its value will be measured by the generations of Indian youths who achieve success and become productive members of the work force, as well as responsible citizens of the region without regard to background, birthright, or circumstances.

AIMS OF THE COLLEGE

- To have robust and accurate self assessment which leads to real improvement
- To enable outstanding success for all of our learners
- To carry out rigorous action planning and monitoring
- To achieve very high satisfaction for all of our learners, parents, staff and other stake holders

VALUES OF THE COLLEGE

- * Individual and collective excellence
- * Diversity, equity, and social justice
- * Collegiality and collaboration
- * Inspiring learning
- * Responding to community needs
- * Achieving goals
- * Transforming lives
- * Celebrating achievement

BELIEFS OF THE COLLEGE

- * An educated, disciplined and dedicated citizenry is vital for a democratic society.
- * All people are entitled to a high-quality education, grounded in sensitivity to individual dignity, professional integrity, and a positive and nurturing environment.
- * Technology should be used to improve the quality of teaching and learning, research and scholarship, and outreach to the state, nation, and the world.
- * Interdisciplinary programmes should be used to enhance human learning, solidarity and coordination across the life span.

OBJECTIVES OF THE COLLEGE

The underlying aim for the enhancement of the literacy rate and the level of awareness about the different problems related to social, political, cultural and economic nature among the people of this rural-based semi-urban area had led to the socially and economically well established, generous people of the decade of 60's to open a college with a very few students, hardly 3 or 4 teachers, 2 or 3 non-teaching staff, 2 or 3 rooms with average space. Given the socio economic condition of this area surrounded by the college where nearly 20%-30% people lying in and round the poverty line and approximately 20% drop out candidates every year mainly due to poor economic conditions.

The college therefore, endeavours to provide a better learning opportunity, value and retain a real care for the less able and under-privileged section of the society so that may develop into self supporting individuals.

History of the locality

The civilisation of Andul was developed by the side of the pious river Saraswati about 700 years ago. According to the most popular belief, 500 years ago when Lord Sri Chaitanya Mahaprabhu launched the sankirtan movement of the congregational chanting of the holy names of the Lord Krishna, he came to Andul. Sri Chaitanya, whose blessed feet have walked on and sanctified the soil of this place, led to this place being called as "Ananda Dhuli" (Happy land), ultimately from which the name "Andul" was derived.

History of the college

About 50 years ago, Dr. Tinkari Ghosh gifted some of his land and a building to start this college. The dream of the college could not have culminated into reality but for the voluntary donation by the education loving people of the locality, raised by the untiring, selfless benevolent group under the name of 'Karmi Sangha'.

Dr. Tinkari Ghosh designated the college in the name of his Guru, The saint, Prabhu Jagatbandhu who was famous as Neo-Gauranga or the new form of Sri Chaitanya and his teaching of Non-violence, truthfulness, self-restraint, self-control and utmost- commitment for social well-being flooded the Eastern Bengal in the late nineteenth century and the early twentieth Century. His most famous disciple Sri Mahanambata Brahmachari, laid the foundation stone of this college who represented India in the second World Fellowship of Faith i.e. Viswadharmamahasabha in 1933 in Chicago, USA.

So this college possess a very rich heritage both historically and culturally and the present management and staff are trying their best to preserve this golden history and run the college properly.

Hinterland of the college

Andul is one of the rapidly developing towns in the Block Sankrail under the Sadar Subdivision in District of Howrah, West Bengal. It is a hub of the commercial and industrial activity, but the adjacent areas are rural in nature.

Students come from a big hinterland to this college. The hinterland extends towards south up to Mecheda with a distance of 50 km, towards North up to Howrah proper with a distance of 10 km and to west up to Bagnan with a distance of 40 km. To the east flows river Bhagirathi-Hugli, a distributary of Ganga just 5 km away from the college.

The area is on the floodplain of river Ganga, Damodar and Rupnarayan. Seasonal flood and bank erosion of rivers are the main natural hazards here. People are mainly farmers. In addition, this area has varied occupational structure with carpenters' hub, tailors' hub, potter's colony, Zari workers' colony and small to medium scale industries. The tailors and the Zari workers are mainly Muslims. In the locality of the college, people are engaged mainly in tertiary occupation. Both in the rural and urban area the percentage of people of Scheduled Caste and Other Backward Classes are noteworthy. So students of this college come from a varied socio-cultural and economic background.

ABOUT THE COLLEGE

The Beginning:

Dr. Tinkari Ghosh, MB, gifted some of his land and a building to start the college. This self-effacing man ensured that no hint of his generosity should be publicized. An organizing committee comprising Principal Bijoy Krishna Bhattacharyya, Prof. Bipin Krishna Ghosh, Sri Bijoyananda Chatterjee, Dr. Renu Bhusan Chatterjee and Sri Harigopal Bhattacharyya (Secretary) was set up to run the college. The dream of the college could not have culminated into reality but for the voluntary donation by the education loving people of the locality, raised by the untiring, selfless benevolent group under the name of 'Karmi Sangha'. Later on, the Science Building was constructed with the money and materials donated by generous Surath Mohan Paul. Dr. T. K. Ghosh made a gift to the college some of his landed property and Surath Mohan also executed a trust deed between N. C. Paul (Bricks) Pvt. Ltd. and the college making in a perennial source of income-of-the-college. Decades later, on the western side of the campus, the building was constructed under the scheme of MPLAD fund of Hon'ble M.P Mr. Swadesh Ranjan Chakraborty. Mr. Chakraborty further allotted Rs. Ten lakhs from the same fund for setting up computer facilities in the college. The first President, founder secretary and the first Principal of the college were Mr. Saila Kumar Mukherjee, Ex-Finance Minister, Govt, of West Bengal, Harigopal Bhattacharyya, an eminent scholar of the locality and Prof. Banibhusan Dasgupta, respectively. The entire process of establishing this much needed college in a semi-urban, scheduled caste constituency was executed with the blessings of Prof. Bijoy Krishna Bhattacharyya, an eminent educationist on 31st December, 1963.

Journey towards Progress with Commitment:

55 years back the college started with a very few students, hardly 3 or 4 teachers, 2 / 3 non-teaching staff, 2 or 3 rooms with average space. Though this co-educational college was started in the humble way, it withstood all the difficulties and has now come one of the leading colleges in Howrah District. All credit goes to the students, teaching and non-teaching staff of the college. From the very inception of this college, a unique tradition of cordial relationship among students, teaching and non-teaching staff exists which very few colleges can boast of. The college has an attractive campus view with four buildings forming an almost rectangular structural pattern around a lush green ground surrounded by a concrete road. Adequate infrastructure facilities are available for the current load, and its growth has kept pace with academic expansion. Enough well-ventilated classrooms, separate common rooms for the teaching and non-teaching staffs as well as for boys and girls, sufficient restrooms, a health care centre, and a subsidized canteen all in concert with a large play-ground create a wonderful campus in an impoverished, rural setting. A computerized online financial and admission system constitute best practices in administration.

Teachers interact with students and parents tirelessly, whether to help the slow learners or to offer academic guidance, in addition to tutorials and remedial classes. Our academic calendar and modularized syllabi keeping in pace with the new CBCS system promote maximum success, as do the open access library system and the departmental libraries. Interactive sessions after regular classes help to enhance the learning process. All the Science Departments have well-equipped laboratories as the fundamental unit of the curriculum.

Field trips, though limited to only a few courses, are also effective. Excursions to chosen sites open new doors of experience for the generally deprived students, while access to the internet encourages them to experience the world and beyond. A variety of seminars broaden their perspective, even as group activities foster team spirit and sharpen social skills. The college has been able to maintain its own identity and a good academic standard as reflected in teaching and University Examination results. Most of the students who come to study in this college have been able to establish themselves in different spheres of life.

The College encourages the students to participate in sports (both indoor and outdoor) by providing all sorts of equipments for sports and games activities. 16 station Gym has been installed in the college for the development of physical strength of the general students at a nominal charge. We take great pride in our extension activities which are mainly executed through the NSS and NCC programmes. Many are done in partnership with other organizations. During the last three years, 100 student volunteers have rendered their service by building roads, working on health awareness campaigns, planting fruit bearing trees etc, in neighbouring village Kalitala, Alampur. Local communities are happy to be involved since the benefits reaped by such activities enrich both the college and its rural neighbours.

A Placement Cell and a Women's Cell have become operational. Our Alumni Association is also doing well for several years.

Since 2004 our institution has been a dynamic study centre for Netaji Subhas Open University and from 2019 we have initiated the study centre of Indira Gandhi National Open University promoting advanced education among a large non-regular student body.

By creating a friendly atmosphere, the Governing Body has been a most effective tool in the college activities. Thanks to transparent governance, the leadership has fostered active participation in a decentralized administrative governance, all of which results in a college whose success goes far beyond its very real limitations and impediments.

It is matter of pride for us that the UGC NAAC Peer Team visited our college-on-March-2008 for the first cycle of accreditation and accredited us (CGPA-2.74/4, B-Grade). Thereafter, Annual Quality Assessment Reports had been sent every year to-the-NAAC.

We are proud to announce that UGC NAAC Peer Team Visited our college from 27th to 29th November, 2014 for the second cycle of accreditation and accredited us CGPA-2.85/4, B-Grade. We are honoured to mention that our college scored the highest marks in the said session in Howrah District (Ref. To UGC List of College Scores in NAAC Visit Cycle: I I 2014).

An important journey was started since 2015 for the rapid development of infrastructure of the college needed for academic development through the introduction of new subjects, Honours and Post graduate (PG) courses etc. We have been able to introduce PG courses in Bengali, Geography and Mathematics, Honours courses in Chemistry, Education and Sanskrit, new subjects like Food and Nutrition, Zoology and Sociology. A solar power plant has been installed in the college. Again, a (G+3) building namely Subarna Jayanti Bhavan has been constructed fully. Another (G+3) building funded by Govt of W.B. is also ready for taking classes and other purposes which solves largely the infrastructural bottlenecks of the college. The different types of academic related activities like national and international seminars sponsored by UGC, ICSSR, etc. Sports sponsored by DPI, Govt of W.B., etc have started. Due to these events/activities the college has entered into a new era of development.

CHRONOLOGICAL ACHIEVEMENT

| Sl. No. | Event | Date |
|---------|---|--|
| 1. | Establishment | 15 August, 1964 |
| 2. | Affiliation to Under Graduate courses under University of Calcutta | August, 1964 |
| 3. | Recognition under section 2(f) and 12(B) of the UGC Act 1936 | 17 th June, 1972 |

PRABHU JAGATBANDHU COLLEGE
NATIONAL SERVICE SCHEME
Activity Report for the year 2020-21.

The NSS Cell is an actively functioning cell of Prabhu Jagatbandhu College catering to serve the needs of the people of the adjoining areas through different activities. Throughout the years, the NSS cell has undertaken various welfare projects in the adopted village, Kshetrapaltala situated under Mashila Gram Panchayat, Sankrail Block. Besides, the unit organises programmes for the development of the student volunteers as well.

March 2019

The student volunteers of the NSS unit guided by the Programme Officer and two other faculty members of the college conducted a survey camp for the ensuing medical camp as part of the annual NSS programme at Kshetrapaltala, the adopted village of the college. It was a door to door campaign for collecting the data to understand the need of the medical requirement of the villagers.

April 2019

A one day medical check-up camp had been organised by the NSS unit of the college in the adopted village. An allopathic doctor had been invited to attend the camp. In this camp nearly sixty villagers turned up for the check of general health care. A few parents also took their children for consulting with the doctor.

September 2019

Ten student volunteers of the NSS Cell had been allowed to participate in the cleaning drive of the Calcutta University College Street campus on 23rd September led by the Programme Officer. The student volunteers participated in the cleaning cum hygienic drive. They had been briefed about how to maintain basic hygiene in the large campus like University which they are expected to maintain in their attempt to make the college campus clean and hygiene. The following day, those students had been allowed to participate in the annual prize distribution ceremony of the NSS Cell of Calcutta University. The honourable Principal and Programme Officer and two other faculty members of NSS Cell led the students in this programme.

January 2020

The NSS Unit organised a programme of Clothing and winter garments distribution to the needy people. The programme was held at G. P. Dhanara, Man Bazar, Purulia which is a very underdeveloped area of West Bengal.

February 2020

A One Day Survey Camp had been organised by the NSS Cell to the adopted village of this college at Khetrapaltala under Mashila Gram Panchayat. Accordingly, a questionnaire had been set for the said door to door survey. The questionnaire had been instrumental to understand the sheer lacking of essential medical facilities required by the villagers of this area. The survey further revealed that a major portion of the village population developed problems of eyesight and they are outside of the of proper Ophthalmological treatments. At least seventy households had been found that they could not visit to any Ophthalmologist for various reasons.

On behalf of the NSS team, the student volunteers assured those suffering people for the appropriate medical treatment. In addition to that, NSS volunteers attempted a cleaning drive at the said village, especially to clean the scattered litters and plastics across different corners of the village.

To materialise this welfare vision, the NSS Cell of this college announced and attempted to organise a One Day Eye check-up camp at the Kshetrapaltala Village, including the distribution of sanitary products but due to the order of lockdown for the pandemic, the programme had been postponed till further notice.

May 2020

Ten student volunteers presented online performance for creating awareness among people for the prevention of Covid-19 and they performed as per the guidelines of Howrah district NSS Cell. The student volunteers through their dance performance, recitation, speeches and poster presentation spread the message of this digital awareness camp. They attempted to spread the message of staying home and keeping physical distance, using mask and hand sanitizer and wash hand frequently during the lockdown. They performed to be alert for self and all walks of our society. The pictures and the video clippings have been submitted to the Howrah District NSS Cell and those had been highly appreciated by the Nodal Officer of Howrah District NSS Cell.

August 2020

As we all had to stay at home due to the problem of pandemic, the NCC Unit and the NSS Cell of the college jointly organised a webinar on 08th August entitled Challenges and Relief Measures in the Days of Pandemic: The Role of NCC and NSS to create awareness among the students about the services offered by NCC and NSS. Three eminent speakers (Lt Col Ruma Das of Military Nursing Service, Command Hospital, Kolkata, Capt.(Dr) Arup Kumar Dhabal, Associate Professor of RKM Vidyamandira, Belur Math, Howrah(WB) and DR Debjani Mitra, Assistant Professor of Bijoy Krishna Girls College and Nodal Officer, NSS, Howrah District) delivered their valuable talks for the students to inspire them to dedicate themselves for the sake of the society in these trying days. The NCC cadets and the Student volunteers of NSS enthusiastically participated in this programme. The NCC Unit and the NSS Cell thankfully acknowledge the honourable faculties as well as the non-teaching staffs of the college.

May 2021

Among all other awareness programmes for the on-going problems of the pandemic, the NSS Cell in association with Food and Nutrition Department of the College organised a webinar entitled **Fight the Pandemic Naturally** on the nutritional values essential for this trying days. In the webinar Prof Dr Anindita Ray Chakravarti, the honourable Professor and the Head, Department of Food and Nutrition, Maharani Kashiswari College, Kolkata had been invited. Dr Ray Chakravarti, a renowned nutritionist, advised us about certain foods which are full of anti-oxidant like Vitamin A, C E and selenium. Her lecture informed us about how Ca, Fe, Zn rich foods boosts the immunity power in our body. The webinar has exemplified recent research about the importance of pumpkin seeds, wheat grass etc. for boosting our immunity. The webinar unearths about a major jolt for the ill health of Indian national life caused by the deficiency of Vitamin D. Madam Ray Chakravarti guided about how vitamin D fortified food can play a big role for maintaining good health. The webinar also focused on the food for a good mental health.

June 2021

Every year the day of 05th June is celebrated as World Environment Day which is a part of our planetary consciousness. The NSS unit of this college also observed this day through the environmental activities this year virtually in association with the Department of Philosophy of the college. Dr Lakxmikanta Padhi, an eminent professor of the Department of Philosophy of North Bengal University enlightened us about the environmental ethics, significant for the environmental crisis. The webinar was also addressed by CS Suhita Mukhopaddhaya, the managing partner, Intellex Legal solutions LLP, New Delhi. Madam Mukhopadhyaya highlighted the environmental legislation system and its gradual development since independence and up to the present decade. Together both these lectures created about a holistic idea for the betterment of our environment. The programme was participated by both the teaching and non-teaching staffs of the college as well as some faculties and research scholars from other institutes of West Bengal and Assam.

July 2021

The department of Philosophy in association with NCC and NSS Unit of the college organised tree plantation programme by observing **Aranya Saptaha** (week long tree plantation programme) from 14th July to 20th July 2021. In this novel attempt, the NCC and NSS Units came forward to assist the Department of Philosophy to have a green drive in the college campus. The students of the college are highly motivated by the practical attempts taken by the Department of Philosophy, NCC and NSS to uplift our environment from decay and to move further towards sustainable development.

— Programme Officer, NSS Cel

PRABHU JAGATBANDHU COLLEGE
NATIONAL SERVICE SCHEME

The National Service Scheme, popularly known as NSS, is a Government of India sponsored public service programme conducted by the Ministry of Youth Affairs and Sports. In the year 1969, the scheme was launched in the centenary year of the Father of Nation, Mahatma Gandhi. Following the ideal of Mahatma, the programme is aimed at the development of personality and to grow the idea of social development in the practical field of different walks of our society.

In Prabhu Jagatbandhu College, since its inception of NSS programme, has successfully organised various programmes inside college campus as well as in the adjoining areas of the college in adherence of the motto 'NOT ME BUT YOU'. The NSS Cell is an actively functioning cell of Prabhu Jagatbandhu College which has served in different ways the needy people of the adjoining areas through different activities. Throughout the years, the NSS cell has undertaken various welfare projects in the adopted village named Kshetrapaltala situated under Mashila Gram Panchayat, Sankrail Block of Howrah district. Besides, the unit has organised programmes to create awareness on different aspects even in virtual modes. The college has one NSS Unit. The NSS unit follows the following objectives:

1. Understand the community in which the students work and their relation to the community
2. Identify the problems and needs of mostly the rural community
3. To encourage the students to address the problems both at individual and community level
4. To develop among them the skill for community development
5. Elevate them with social responsibilities to make them good citizens.

In the academic year 2023-24 the NSS Unit in collaboration with the Department of History, Political Science, Geography and Physical Education has successfully organised a Two days programme of World Heritage Week 2023 including a heritage walk. The students have been made aware about the rich cultural heritages, scattered in different parts of the district of Howrah. The Ashutosh Museum of Indian Art, University of Calcutta in the month of December also celebrated the World Heritage Week 2023 in which the programme officer represented the unit on behalf of the college.

The unit in near future will arrange for blood donation camp, regular developmental activities in the adopted village and other scheduled activities as per the advices of the University.

NATIONAL CADET CORPS

Prabhujagatbandhu College NCC unit, 41/5 Coy [Army Wing] under 41 Bengal BN NCC, Kol- C GpHq, West Bengal & Sikkim Dte is running in our college since 1965 with its motto 'Unity and Discipline'. The unit started under the able leadership of Lt. Manoranjan Adak (1965 to 1974), then Lt. S. Bhattacharjee (1975 to 2003). Presently it is running under command of Major Palash Kumar Patra [Coy Commander], commissioned on 31st Oct. 2005.

The unit has total 160 cadet strength (SD/SW) including a platoon of girl cadets. Cadets actively participate in various training activities, adventure activities, social service and community development programs during the course. This promotes national awareness by motivating the cadets to join the Armed forces and the experience is also valuable in giving the cadets a rich choice of careers in several fields. The unit carrying out a high order discipline to maintain its glory and in result our cadets won a number of medals and honors [including Governors medals & Best Cadets awards] for their performance in different areas. A good number of cadets passed 'B' and 'C' certificate every year with excellent grading and started their career in Armed forces, para Military/ Police Forces and in other fields.

Achievements:

****Coy Commander Major Palash Kumar Patra awarded as Best NCC Officer in West Bengal & Sikkim Directorate on 28th November 2021 by ADG. NCC WB & S.**

Social Service Activities:

Cadets actively participated in various social service activities and they also rendered their duties in different community development programme like Swachhta hi Seva, Nirmal Ganga Avijan etc. Beside that cadets of our college planted a hundreds of trees in different places on World Environmental Day. Observation of the International Day of Yoga, Fit India campaigns, AzadiKaAmritMahotsav, Observation of Republic Day, Independence Day, Vijay Diwas and NCC Day celebration also be conducted by our cadets.

A First-Aid Camp was setup from 20.10.2023 to 24.10.2023 during Durga puja by our NCC unit to provide First-Aid to the needed people.

Office Management :

Our College office is the most important supportive wing of the college. It runs following the guidance of Calcutta University and the Higher Education Department, Govt, of West Bengal. Office management tries hard to keep pace with the frequent developments in law, judicial rulings, University notifications, Govt, orders and new technology. College office has 10 desktops with internet and intra-net facilities. The office also has one server along with a back-up server, one fax machine and two photocopier machines.

Our office staff are managing huge tasks with their tireless efforts. They also keep cordial relationship with students, teachers, guardians, vendors, guests and other stakeholders.

Our accounting procedure is entirely run in digital environment to gather, record, analyze and interpret financial data of the college and alerts the college administration about the financial performance and risks in time. Regular auditing is practised under the guidance of eminent auditor recommended by D.P.I. E-filing of the tax return is regularly done.

Report of the programmes undertaken by the Internal Quality Assurance Cell (IQAC) of Prabhu Jagatbandhu College

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. According to the guidelines recommended by NAAC, Our College has established its IQAC on 2009. Since quality enhancement is a continuous process, the IQAC from its very inception has become a part of the institution's system and is working towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it is channelizing all efforts and measures of the institution towards promoting its holistic academic excellence.

Since its inception IQAC has been thriving to uphold academic excellence of the college and to ensure quality sustenance. The college has undergone two cycles of accreditation in 2008 and 2015. In the academic year 2019-20 also members of IQAC worked relentlessly in their pursuit of quality enhancement. A seminar was organized on 22.09.2019 for Career Advancement of teachers as well as to discuss about the new guidelines of NAAC. Dr. Sudakshina Gupta, chairperson, Board of studies of Economics, and respected Sanjib Maharaj, Principal, Belur, Ramkrishna Mission Vidyamandira were the key speakers. The IQAC was engaged in extension activities in remote areas of Purulia district. The IQAC has celebrated International Women's Day on 07.03.2020 in collaboration with Women's Cell of the college. The IQAC has organized a Webinar on "Health Care in India and Covid -19" on

28.06.2020 in collaboration with IQAC K.K.Das College, Kolkata. The IQAC of this institution has worked relentlessly to uphold the reputation of the college and to ensure academic enrichment. The programmes undertaken by IQAC amidst the present pandemic situation till 8.6.21 is highlighted as follows :

1. Distribution of study materials to needy students at Bankura and distribution of winter garments to the poor on 19.1 20. Almost 100 students and 700 adults benefitted by this. The faculty and staff actively participated in the programme
2. Academic Audit for evaluating the performance of all the departments, for upholding their strength and perceiving their shortcomings was carried out consistently. A uniform proforma for carrying out the audit for the years 2019-20 and 2020-21 was facilitated.
3. Online bridge course examination was facilitated for 2019
4. Online feedback mechanism from teachers, students and administration has been facilitated
5. Initiation of the process of holistic development of the college through collaborative activities such as faculty exchange and student exchange by signing MOUs with other institutions of fame
6. Celebration of International Women's Day each year in collaboration with Women's Cell. The thrust of these programmes is to benefit not only the students of this college but also to generate awareness on such pertinent issues as Women's hygiene by organizing rallies in the locality
7. Generation of Covid Awareness through a webinar entitled "Health Care in India and Covid 19- Less attention and more extravaganza " in collaboration with IQAC K.K.Das college on 28.6.20
8. Regular submission of Annual Quality Assurance Reports and uploading the same in the college portal
9. Initiation of free basic computer training to the needy students
10. Coordinating and monitoring the functioning of all cells, clubs and units of the college by providing guidelines to them.

Caring for the Students

Mentoring

- In house counselling of students is done mainly by the departmental teachers, with whom they feel comfortable.
- Counsellor comes from Sankrail Block Hospital under RSKS Programme
- From the session 2014-15 we have started formal mentoring of students with proper documentation.

Monitoring by Cells and Units

1. IQAC (Internal Quality Assurance Cell)
2. Grievance Redressal Cell
3. Entry-in-Service Cell
4. Remedial Coaching Unit
5. Gender Sensitization Cell against Sexual Harassment and Internal Complaint Committee
6. Anti-Ragging Cell
7. Kanyasree Prakalpa Implementing Unit
8. SC/ST Cell
9. Equal opportunity Cell
10. Value Education Cell
11. Women's Cell
12. IT Service Cell
13. Human Rights Cell
14. Enterprenureship Development Cell
15. Training and Placement Cell
16. NAAC Committee

Regular Activities

- a. Parent Teacher Meeting
- b. Encouragement to participate in Extra-curricular activities

Students are always encouraged to take part in

- Cultural programmes of respective Departments, Freshers' Welcome, College Social Programme etc.
- Frequently organized lectures, conferences, workshops and seminars
- Blood Donation Camp
- NCC activities
- NSS activities
- Various social activities under
- 4 Clubs: Health Club, Eco Club and Science Club, Kanyasree Prakalpo Implementing Unit.

- Magazine: Students are also encouraged to publish their articles and poems in the Annual College Magazine Balaka and Wall magazines of different departments.

Emphasis of IT Services Cell

Experiment of on-line examination for bridge course and formative assessment: It has been initiated from the session 2014-15.

We are enchanted to have the positive results of this experiment.

- This endeavour created a scientific basis to identify the weak learners.
- Students enjoyed the experience of answering the time-bound on-line multiple choice questions and getting the result readily and they got a good orientation towards ICT.
- Students especially from Arts stream gained confidence that they can also handle the computer.
- Such practise will help the students for competitive exams in future.
- Classes are not hampered due to this kind of college exam in virtual environment.

On-Line Training of IT Services Cell and Other Soft Skills

- In 2013-14 we created a new and dynamic website and from 2014-15 collected the free on-line basic soft training modules on various subjects in the link “on-line training” and these courses are not restricted under User-id log-in and password, so that, staff, students or parents, anybody can easily avail the facility. This is a service to the society at large.
- In the session 2014-15 the college authority has purchased on-line Entry-in-Service training modules and it is linked with our Website. Only students and staff can avail this facility of training with their particular user-id and password.

Off-line Training of IT Services Cell and Other Soft Skills

Since 2012-13 we started with the Basic computer handling classes and Spoken English classes under UGC sponsorship.

Craft Awareness Programme on PAPER PULP

1-3 November, 2017

A “ Craft Awareness programme on PAPER PULP” was held in our college from 1st -3rd November, 2017. The program was organized by Gurusaday Museum, a national treasure of Folk Art & Craft of India. One hundred students of our college had the opportunity to learn hands on how to make musk from paper pulp from three renowned artisans of the field for three days. They were also presented a seminar on Crafts of the Region on behalf of Gurusaday Museum, followed by a Quiz competition. The programme was sponsored by the Office of the Development Commissioner (Handicraft), Government of India, Ministry of Textiles, New Delhi. Participant students received a scholarship of Rs 300/- for the same.

Power Point Lectures

Students generally enjoy the power-point lectures more rather than traditional lectures with chalk and talk method. From the session 2014-15 we have uploaded some of the power-point lectures of different subjects in the website, so that the students can recapitulate their memories. Students of other colleges can also avail the facility. There is a space for leaving comments or queries also to communicate with the teacher.

Creation of Compulsory E-mail for Every Student and Staff and SMS Alert

It has been made compulsory to create email for every student for the following

- * to create a way of communication alternate to mobile numbers, as students frequently change their SIM cards
- * to submit compulsory anti-ragging affidavit through links in college website, to join new drive towards NME-ICT with Bombay IIT
- * Email address has been created for every Full time faculty, Govt, approved part-time teachers and non-teaching staff in the college domain.
- * SMS Alert system has been activated for the students, staff and management.

NMEICT-Add-on Courses

Under the guidance of Calcutta University college conducts Spoken Tutorial based software training in college under NME-ICT in collaboration with Bombay IIT. From Calcutta University we came to know that only our college within whole University has taken this initiative. Trupti More of Bombay IIT, who is the in-charge for West Bengal has expressed her wish to make our college as a nodal college in the Eastern Region regarding this programme. Now the college has got sponsorship from University Grants Commission to organize a Faculty Development Programme on Free and Open Source software.

Energy Management

- * LED lights have been installed in the Library.
- * A 50 KW transformer has been installed to cater to the needs of energy consumption.
- * A 20 KW solar power plant (Grid connected) has been installed by WBREDA.
- * Switch off Drill is being practised by Eco Club.
- * Three generators (25 KV, 15KV) including one Green Generator (40 KV) are there in the college.

New Initiatives from Golden Jubilee Year

- * College Anthem has been introduced.
- * Quality policies have been framed viz. Social Commitment Policy, Quality Assurance and Improvement Policy, Green Policy, Computer and Data use Policy, Anti-Harassment policy, Anti-Ragging Policy

Enhancement of Teaching-Learning infrastructure

- * Ceramic Green Boards have been installed in every classroom /
- * CC TV has been installed in College Premises
- * College Premises are under WiFi system
- * Nine ICT enabled classrooms have been arranged with computer, LCD Projector and audio system. We are trying to make a few more ICT enabled classrooms in near future.

College Publication

The College Magazine

The College Magazine is the lively space of celebrating new ideas and exploring the creative flair. For some wide-eyed Freshers, the College Magazine is the first place where they can get thrilled to see their ideas published in print version. It is a place where students and teachers share their perceptions in a language understandable by each other. There is a dedicated team of staff and students who bring out our own independent magazine 'Balaka' regularly. It demonstrates the communication skills, poetic prowess, imagination and creativity, humour and humanism, technical competence, and values of the contributors. It also highlights the academic performances and extra-curricular activities like description of cultural or athletic programmes, awards won and credentials earned. In 2020, 46th & 47th issue of Balaka has been published amidst the challenging time of global Pandemic.

Multidisciplinary Research Journal Digonto

The Multidisciplinary Journal 'Digonto', published by the Teachers' Council of Prabhu Jagatbandhu College came into light in the year 2012. In October 2014, the in house faculty journal was upgraded into a national journal with ISSN No. 2348-8441. It is hoped that the journal serves as an interface between researchers and the academic community through the exchange of knowledge on important issues in research. In 2017, the 4th volume has been published.

It is a multidisciplinary (refereed and indexed) journal publishing papers from different disciplines such as Physical Sciences/Biological Sciences, Social Sciences, Business Studies and Languages. In 2019 the 6th volume and 2022-23 the 9th volume of Digonto has been published.

Sports Activities

Prabhu Jagatbandhu College has a fine tradition in sport. We have earned a reputation for success in intercollegiate competitions and tournaments. Our students participate and win prizes in various types of sports like athletics, football, Yoga etc. in various levels like District level, State level, National level tournaments. One of our students Tania Nag participated in International level of Yoga Championship in Srilanka in 2013. College has a well-equipped

gymnasium. Here a 16 station Gym has been installed in the college for the development of physical strength of the general students at a nominal charge. Faculty of Physical Education Department, NCC Unit and Gym instructor and Students' Union work hard for improvement of sports facilities of the college. Every year college organizes a gorgeous event of Annual sports. In the year 2017 our college has organised West Bengal Inter College Sports Championship, including Howrah District Athletic Meet and Football Championship sponsored by The Education Directorate, Government of West Bengal. Swarupa Mondal achieved success in mountaineering.

Seminar and Workshop

Our college management encourages the faculty and student to organise seminar and workshop regularly, whether it is of college level or UGC sponsored National Level / State Level. The basic objective of the scheme is to bring together academicians and experts from different parts of the country and abroad to exchange knowledge and ideas. This will provide an in-depth analysis of subjects and update the knowledge of the participants from academic/research institutions. In addition various Government and non-Government institutions organise seminar on career guidance, entrepreneurship, gender sensitization, legal orientation etc. from 2016-2017.

All the departments of our college, IT and NSS cell have organised several national, state and college level seminars and workshop till date in collaboration with each other.

Educational Tour

Educational tours or field trips are learning experiences outside the classroom. These trips supplement classroom learning by providing students with an opportunity to see the actual places, artifacts, flora and fauna, or phenomena that are described in textbooks and lectures. They also enrich the students' experiences by exposing them to situations that are new to them. Department of Geography organizes three field trip in every year for honours level, General level and Post Graduate level students as part of their syllabus. Different Departments of our college organise educational tour every year to supplement their studies.

Research Activities

Within the seventeen departments that make up our College, many of the faculty are involved in nationally recognized research across a broad range of interests.

Our research and creative works help our outreach and teaching missions. Our faculty have received national and international recognition for advancing knowledge, discovering solutions to critical societal problems, developing professionals for the field and enhancing the quality of the college as a whole.

Netaji Subhas Open University Study Centre (F09)

Netaji Subhas Open University (NSOU) is the premier State Open University in India, established by W.B. Act (XIX) of 1997 and Recognized by U.G.C. and DEC. Our college started a study centre under this University since 2004. From the inception it has become

very popular due to its alternative approach to higher learning. It stands apart from a highly formal, institutionalized and centrally administered system of education. Its philosophy is built around the principles of universality, flexibility and innovativeness. In short, this study centre seeks to open up the treasure house of knowledge to the maximum number of users. Thereby it would enhance the skills for productivity and further learning for those people who by any means were deprived of the opportunities of further learning in their early age.

THE IGNOU STUDY CENTRE (28160)

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has, since its inception, continuously striven to build an inclusive knowledge society by offering high-quality teaching through Open and Distance Learning (ODL) mode. Establishing an IGNOU Study Centre in our college was a dream of our Principal, Dr. Subrata Kumar Ray, whose determination, diligence and sincere efforts transformed this dream into a reality. On the morning of 13th November, 2019 the IGNOU Study Centre (28160), Prabhu Jagatbandhu College was inaugurated by Dr. Shiva Kumar G.N., the Regional Director of IGNOU Regional Centre, Bikash Bhaban, Kolkata in the presence of our Principal, Dr. Subrata Kumar Ray and Dr. Pradeep Maity, Principal of Anandamohan College, Kolkata as the Chief Guest of our programme.

The courses which have been activated are Master of Arts in History (MAH), Master of Commerce (MCom), Master of Arts in English (MEG), Master of Arts in Philosophy (MAPY), Bachelor of Arts (BAG), Certificate in Functional (Basic Level) English (CFE) and Certificate in Teaching English as a Secondary Language (CTE).

The students of the Study Centre are assured of all cooperation and help from the college authorities. They have the privilege of getting the guidance of the members of a competent faculty and also the support of quality infrastructure - the two main components to impart quality education. The staff of the Study Centre are relentlessly working for the smooth running of the academic activities of the Centre.

The Coordinator of this Study Centre is Dr. Sutapa Ray, Head of the Department of Philosophy. The two Assistant Coordinators are Dr. Manojit Ghosh, Head of the Department of Economics and Prof. Rabeya Khatun, Department of Philosophy. The four Assistants are Sri Bechuram Mallick, Smt. Sangita Sinha, Sri Hemanta Mondal and Smt. Sreeradha Mondal. The four Attendants are Sri Pranab Kumar Samanta, Sri Tarini Ghanta, Smt. Reshmi Ghoshal Mukherjee and Sri Anudip Ghosh. Sri Jayanta Dolui is the only Safaiwala responsible for the cleaning of the Study Centre.

Presently the Study Centre is catering to approximately 800 students enrolled in MCom and BAG courses. Gradually the newly established Study Centre will spread its wings to fly high and reach the zenith of success.

Development of Solar Electricity in the college

The Jawaharlal Nehru National Solar Mission, launched on the 1st January, 2010 by the Ministry of New and Renewable Energy has set the ambitious target of deploying 20,000 MW of grid connected solar power by 2022. It is aimed at reducing the cost of solar power generation in the country through (i) long term policy; (ii) large scale deployment goals; (iii)

aggressive R&D; and (iv) domestic production of critical raw materials, components and products, as a result to achieve grid tariff parity by 2022. In compliance with the Mission, our college has set up a 20 KW grid connected Solar Power Plant to achieve this objective and make India a global leader in solar energy.

Motto of the solar power plant

1. Reduction in college electricity bill
2. Educate people to care for environment
3. Contribute to a social cause and reduce CO₂ emission
4. Step ahead to greener pollution free future

Electric power is produced by solar panels and is converted to AC power by grid connected inverter. The power generated by the system is supplied to the load for consumption. Excess power residual or required (if any) is exported / imported to grid through Net Meter where the import or export details of the energy is maintained. The plant has been built up by West Bengal Renewable Energy Development Agency (WBREDA) under JNNSM project with the following grant details.

| | |
|---|--------------------|
| State Share (Department of Power and NES Govt, of West Bengal | Rs. 9.0 lac |
| Government of India Share | Rs. 6.0 lac |
| Beneficiary share from Prabhu Jagatbandhu College | Rs. 5.0 lac |
| Total | Rs.20.0 lac |

CANTEEN & CHEAP STORE

Students' Canteen The canteen provides a fine recreation area for the students. Here they may enjoy tea, coffee, snacks, and even meals, all at rates subsidized by the College. The Students Union supervises the canteen.

Staff Canteen Here too hot beverages and freshly prepared food is supplied at a subsidized rate for the Staff.

Students' Cheap Store This is a very helpful service for everybody in the College. A variety of stationery - exercise notebooks, graph paper, pencils, ball point refills, cello tape, etc. - are available at the Cheap Store. It is especially convenient for last-minute purchases of commuter students as they rush to class. Usually text books are sold here at a 10% discount.

CENTRAL LIBRARY

Prabhu Jagatbandhu College

From the inception of this college in 1964, our Founder, Dr. Tinkari Chosh, established the college Library. Couple of years later, Professor Bipin Krishna Ghosh donated a valuable collection of books as the '**Bankim Chandra Ghosh Collection**'. In keeping with this tradition, Dr. Shyamal Kumar Sengupta, also donated a number of books on different subjects. Also Tanushri Nasipuri, wife of Late Bankim Nasipuri, Assistant Professor of Mathematics in this college donated a valuable collection of books as the '**Bankim Nasipuri Collection**'. At present our Central Library has more than 22,000 books (reference and text), about 18 magazines, periodicals and several newspapers along with a special collection of books on Prabhu Jagatbandhu. The complete titles in the collection are in the process of being digitized. A process of total remodeling and renovation of the infra structural status had been done along with installing central Air-conditioning. In addition, KOHA version 3.12.03, an open source library system had been installed to automate library housekeeping operations as well as to facilitate library OPAC services.

The Services provided by the Library are:

Reference Service

Reference books are readily available for on the spot study. Reading room has reputed journals & periodicals; Daily news papers are also available in the library

Loan privilege

Respective Department may collect books for its department from the central Library.

Photocopy service

The college library offers the service of a photocopy machine. Students can enjoy the facility against nominal charges.

Reservation of Books

Students may inform to the librarian before hand for reservation if the essential books are not available on demand.

Book Bank

Extra one book bank card will be issued to the students of SC/ST/OBC and Minority for borrowing extra book from the book bank library.

OPAC Service

The Online Public Access Catalog (OPAC) of the library is operational. The Internet bibliographic records can be accessed on live within the campus.

E-Resource

Library acquires enriched E-Resource programme and the staff and students have access to N-list Programme.

USER AWARENESS PROGRAM (PART-I)

User Awareness Program on e-resources: an online initiative for students and faculty members (Part I), organized by the Central Library in association with IQAC, Prabhu Jagatbandhu College, Howrah, Date & Time; 30th June 2021, at 11:30 am.

Welcome and Keynote address by

Dr. Subrata Kumar Ray

Principal & In charge of IQAC, Prabhu Jagatbandhu College

Departmental address by

Mr. Rabindranath Ghorai

Librarian (Associate Scale)

Central Library, Prabhu Jagatbandhu College

Speaker

Mr. Kalyan Sundar Samanta

Librarian, Central Library, Prabhu Jagatbandhu College

Total Students Registration : 130 students

Mr. Kalyan Sundar Samanta
Librarian, Central Library
Prabhu Jagatbandhu College (Mob- 6289963391)

Total Students registration : 300

STUDENTS' UNION

Every student is, ipso facto, a member of the Union. An Executive Committee of office bearers is elected from each stream of every Year by proportional representation. It is entrusted with the proper working of the Students' Union. The Union has proved itself as an effective instrument in the smooth functioning of the college. It actively co-ordinates various student activities, promotes academic interest, helps in maintaining discipline, and upholds the dignity of the college. The Students' Union has distinguished itself by organizing seminars, cultural and literary competitions, and various sports events under the supervision of the respective Sub-committees of the college. The General Secretary of the Students' Union is an ex-officio member of the College Governing Body.

As can be seen in the accompanying photos the entire college community thoroughly enjoys three annual festivities organized by the Students' Union. *Nabin Boran Utsob* (Freshers' Welcome) starts off the year on a happy note. This is followed by the gala one-day event, *Spandan*, the Annual Cultural Function. The entire decoration and associated activities by eager student participation make for very satisfying enjoyment of the *Saraswati Pujo* before the exam period sets in.

ALUMNI ASSOCIATION

The Alumni Association of the college was established in December, 2002. Every member has expressed her/his willingness to help the authority towards the proper development of the college. The association has proposed to set up a statue of Prabhu Jagatbandhu on the college premises. Smt. Aparna Ghosh an alumna of the college, presently Head of the Department of Philosophy in Abhedananda Mahabidyalaya, Sainthia, Birbhum, has donated Rs. 5,000/- for successful realization of this project. Students are motivated to join the Association and thereby enrich it. The beneficial functions for the college endowed by the Alumni Association are given below:

1. Active and ardent help in Golden Jubilee Celebration and during NAAC visit
2. Organised a Reunion programme every year in February.
3. Maintaining a Medical Room in the college.
4. Donating a Notice Board for the College.

WOMEN'S CELL : AN ACCOUNT

The Women's cell of Prabhu Jagatbandhu College is a body comprised of female members from teaching and non-teaching community and female students of the college. The cell is named 'SACHETANI'. Implicit in the name, is the spirit of the cell, i.e., to generate consciousness about one's self, to breed self esteem and sense of worthiness in the mind of a woman—the weaker gender of the society.

The purpose of this cell is to deal with the problems faced by female members of the college (staff as well as students) in different arena of their life. It provides a counseling forum for the female students to tackle those problems on a regular interval. In addition, there are awareness programmes about different preventive measures of such problems. Moreover, it encourages them to build a precious life in their professional as well as personal areas. In the last academic session (2012-2013), the cell organized the following programmes:

On 22nd December, 2012 there was an interactive session of the women's cell between the female students and female staff of the college regarding the procedures of functioning of the cell with its definite aim in mind. Around 36 female students all female staff actively participated in the said session. Valuable suggestions were received from all who attended, which had enriched the cell in its future planning process. Dr. Asok Das, (Head, Department of Economics of this college) with his deep insight and immense knowledge in Human Rights, delivered an extempore lecture on Women Rights which was valuable and educative for the students as well as for the staff.

On 15th January, 2013, the cell organized a seminar-cum-workshop on women's health in which we were obliged to have as speaker a gynecologist from the London Hospital, Dr. Devasree Mitra, who spoke on "A Girl, a Woman, a Mother - The Journey Continues". There was an overwhelming response in participation from the students in the workshop. Dr. Mitra's presentation was remarkable. She provided a number of fine visual aids. The lucid presentation in Bengali coupled with the helpful demonstration came as a very rare event for our girls. They were encouraged by Dr. Mitra's easy going manner to bring up all sorts of questions. It was indeed an experience that will live with our students for years to come.

On 8th and 9th March 2013, the student members of the women's cell in collaboration with the NSS team of this college conducted a survey of female members of a nearby village (Mashila). They collected general information regarding the health problems of the women residing in Mashila. The aim of the survey was to arrange a health camp for these villagers.

In the academic session (2013-2014), a health camp was organized in the college campus on 14th December, 2013 with the proficient assistance of two eminent doctors from Kolkata. We had the privilege to have Dr. Nandita Dasgupta, an eminent doctor, (previously attached with CINI, a NGO and presently working with ailing mother and children), as gynecologist and Late Dr. Debdwaipayan Chattopadhyay, (Ex-Surgeon Superintendent, SSKM Hospital, Ex-CMOH, Kolkata Municipal Corporation) as General Physician. Both of them advised a total of 72 patients of which 46 had gynecological problem. Among the patients, the majority was our students. As a whole, the camp was a grand success.

To commemorate the occasion of the International Women's Day on 08.03.2014 an workshop has been organized by the Women's Cell. Dr. Proyash Sarkar Professor in Philosophy of Jadavpur University spoke on EQUALITY FOR WOMEN IS PROGRESS FOR ALL. On May, 19th, 2015, the Cell arranged a seminar on Gender harrasment in collaboration with West Bengal Govt. Chief Judicial Majistrate of the District Court, District Protection Officer, SWO of Sankrail Block, Secretary DLS Adelivered their valuable lecture. And international seminar on "Women's Empowerment ..." was held on September, 2018 organised by Sachetani- the Women's Cell of this college. Prof. Manasendu Kundu of IEST, Sibpur, visiting fellow ... delivered his valuable speech on this occasion. A book entitled "Women's Empowerment and Gender Equity : Some Perspectives" was published with some articles on the topic.

To Commemorate International Women's Day on 8th March, 2019 a workshop on "Impact Analysis of Kanyashree Beneficiaries" has been conducted by the Women's Cell in the college campus. A number of 300 female students actively participated in the workshop. On the whole, the workshop was successful endeavour.

Future Plan of Action:

The cell plans to have the following programmes in future:

- 1) Regular counseling session with the female students of the college.
- 2) Women's Health Camp at nearby locality.
- 3) Workshop on Women Rights.
- 4) Seminar/Conference on women atrocities.
- 5) Survey work on Women's participation in various socio-eco-politico-cultural and administrative activities.
- 6) Cultural Programmes focusing on genderdiscrimination.

THE WOMEN'S CELL OF PRABHU JAGATBANDHU COLLEGE REPRESENTS A FORUM TO:

Prevent Violence and Discrimination against Women;

Fight for Freedom of Women;

Recognize Women's Right as a global struggle.

To observe the International Women's Day on March, 2018 an International Seminer on Women Empowerment and Gender Equity has been organised by the Women's Cell. Eminent speakers have delivered the lectures in this occasion. A book entitled 'Women Empow-erment and Gender Eauity' has also been published.

The Women's Cell, Prabhu Jagatbandhu college is thriving hard to uphold women's is-sues including awareness among the girl students relating to health and hygiene issues. This year also Women's Cell celebrated International Women's Day by organizing a day long programme in collaboration with IQAC of the college. It was celebrated on 7th March 2020. An awareness workshop on Women's health and hygiene was organized to commemorate the

occasion. A rally was organized in the locality with the students of Prabhu Jagatbandhu College and students from 3 local schools viz. Gramya Hitakari Girls School, Mahiari Ranibala Kundu Choudhury Balika Vidyalaya and Jhorhat Fakir Chand Girls' High School. The total number of participants was 150. The objective was to spread hygiene awareness among women in the locality. A sanitary napkin vending machine was also installed in the college on that day. The objective was to provide needy girl students sanitary napkins at extremely affordable rates and to propagate hygiene consciousness among students. The day ended with a lecture by Dr. Anutosh Das, gynecologist and obstetrician, Ramkrishna Mission Seva Pratishthan on Women's health and hygiene.

Entrepreneurship Development Cell

The Entrepreneurship Development Cell of our college was established with the sole aim of equipping our students to develop, manage and organise a business venture after they pass out of the college with a graduate degree which is not sufficient to ensure a good job for all of them. Entrepreneurship development is the process of improving the skills and knowledge of students through various training programmes and classroom sessions. The aim of entrepreneurship development is to increase the number of entrepreneurs by inspiring and encouraging our students to open new businesses or ventures which will make room for employment of our youth. The Entrepreneurship Development Cell of our college has conducted various programmes in collaboration with Enterprise Development Institute (EDI), an organisation promoted by Bengal National Chamber of Commerce & Industry supported by Government of West Bengal, the Entrepreneurship Development Institute of India (EDII), Ahmedabad, the National Skill Development Corporation, Government of India and also the Department of Science & Technology, Government of India. It is a matter of pride that the Entrepreneurship Development Cell of our college has been receiving such support and assistance from both the Central and State Governments making it evident that our initiative in entrepreneurship development is backed by the government policies, at the state level as well as the central level, to reconstruct the economy. So, through various training programmes aiming to improve the skills as well as the knowledge of the students, specially designed to increase their entrepreneurial acumen, the Entrepreneurship Development Cell tries to equip them with the quality of making better decisions in the business activities.

ED cell of our college organised a seminar cum awareness programme with Department of Commerce on 26th February, 2020 at Entrepreneurship Development Institute, Salt Lake, Kolkata and 43 students participated in the programme.

Anti-Ragging Cell

Ragging is a criminal offence. As per the notification of the UGC (No. F1-16/2009CPP-11) dated 21.10.2009 and notification No. F-1-127/2013 an Anti-Ragging Cell has been formed in the college to prevent and curb the menace of ragging in our reputed college.

It is for the sincere effort of the college authority and the anti ragging cell we are now proud to announce that since the inception of the college no incidence of ragging at any form has occurred in the college. This is due to the strict discipline maintained by the college and good will and cooperation from the part of the students. The socio-economic culture and environment of this semi-urban and semi-rural locality also help us for this purpose.

The college has erected board in the college campus to make aware the students about the menace of ragging and punishment as prescribed by the UGC. The name of the college officials with their telephone numbers are also notified. The college authority and the staff of the college make aware the students about anti-ragging during fresher's welcome, annual social function, Principal's address to the students etc. and in the class room.

Besides, online affidavit is notified in the college website. Students and their parents must fill up the affidavit which is mandatory.

Now, the recommendations of the Anti-Ragging Cell are as follows:

1. Few more boards displaying menace of ragging and punishment thereby in every floor and in front of the college gate immediately.
2. CCTV cameras at vital points like canteen, common room (for both boys and girls)
3. Surprise inspection in the Students' Union office, canteen and common room.
4. A quick response to any such complain made by the students regarding ragging.

Human Rights Cell

Objectives :

To promote human right, culture with the concept of justice and equality, the basic parameters of human right among all the students and staff of the college.

Activities:

1. On the occasion of inauguration of the human Rights cell prabhu jagatbandhu college, a Seminar was organized on 14/11/2014 at 12 noon in the college premises in which Dr. Ashok Kumar Das of the Deptt. of Economics delivered a lecture on the topic "HUMAN RIGHTS".
2. On 10th December, 2014 on the occasion of international Human Rights Day , the college with the district Administration (viz .District Legal Service Authority - DLSA; District protection Officer as a representative of District Magistrate) Jointly organized a seminar cum workshop of the students on the different aspects of Human Rights. In this seminar, Dr. Manojit Ghosh of the Deptt of Economics and the mentor of this cell, Secretary, Legal Service Authority -DLSA and District protection officer delivered lectures on various Human Right issues in practical fields with attractive power point presentation and interacted with students and faculty .
3. Dr. Manojit Ghosh as mentor of human rights cell attended a two days training cum conference at Rajiv Gandhi National Institute of Youth Development at Chennai on "Responsible Citizenship, Democratic Governance and Rule of Law "on 15-16th April,2015.

A One Day Training Programme on Human Rights Education and its Awareness has been organized on 9th February, 2019 by the Human Rights Cell of Prabhu Jagatbandhu College

with the approval of the National Human Rights Commission, New Delhi. The National Human Rights Commission, New Delhi had earlier approved the proposal and sanctioned Rs 50,000/- to be spent for organizing this one day training programme.

This programme has been successfully organized with 114 participants from this college and other colleges who took part quite effectively and got significantly enriched on various issues of Human Rights by the resource persons who came from outside. Dr Kakoli Banerjee, Department of Chemistry, was the coordinator of the inaugural session and Dr Manojit Ghosh, Department of Economics, was the Organizing Secretary of this programme, has coordinated all the technical sessions. Dr Kishore Mukherjee, Department of Physics gave the vote of thanks. The welcome address at the beginning has been given by our Principal Dr Subrata Kumar Ray. This programme has been inaugurated by Dr Minakshi Roy, Pro VC (Finance), University of Calcutta and Director of Women Studies, University of Calcutta. In this inaugural session, one edited volume on Human Rights Issues and Perspectives and another volume on Reforming Indian Economy have been released by Dr Minakshi Roy and Prof Biswajit Chatterjee, ex professor of Economics, Jadavpur University, respectively.

Dr Manojit Ghosh, convener of the Human Rights Cell has also delivered a lecture on Women Empowerment on 12th March, 2018 in a psychological counseling session organized by the Value Education Cell of the college in collaboration with the Human Rights Cell of the college.

Health Club

Health and Wellness Club is focused on creating awareness regarding various aspects that contribute to the physical, mental, emotional and social health and well-being of our students. The Health Club organises various programmes through which it tries to influence and modify the attitude, habits and knowledge of students in adopting a healthy disease-free life. The Health Club aspires to help students attain optimum health. Wellness is the constant and deliberate effort to stay healthy and achieve the highest potential for well-being. Through a sincere initiative in organising programmes, both on physical and mental health, we try to inspire our students fitness habits, balanced mental growth and an all round development of their personality. The activities of the Club aim to provide a guidance to the students so that they can attain good health which is a complete coordination of the Body, Mind and Soul. Through various health check - up camps, eye- check-up camps, blood donation camps, counseling sessions we try to inculcate a healthy lifestyle in our students.

Health Club / Cell of our college organised Eye-checkup Camp on 24th February, 2020. Almost 200 students including our staff participated in the camp.

Aims And Objectives Of The Value Education Cell

"The Aim of Education is the Knowledge, not of facts, but of Values"

Value Education Cell (Founded on 26.09.2014)

Joint Conveners of the Cell - Prof. Nimai Chand Dan, Department of History & Dr. Gopal Chandra Mandal, Department of Economics

Members of the Value Education Cell (w.e.f. 14-2-2020)

1. Dr. Subrata Kumar Ray, Principal
2. Dr. Manojit Ghosh, Head of the Department of Economics
3. Prof. Suman Bandopadhyay, Head of the Department of History
4. Dr. Sutapa Ray, Head of the Department of Philosophy
5. Dr. Dolonchampa Saha, Head of the Department of Physics
6. Prof. Nimai Chand Dan, Department of History
7. Sri Sandip Mukherjee, Office Staff
8. Sreeradha Mandal, Office Staff
9. Prof. Puspa Dutta, Department of History
10. Prof. Sriya Bhattacharya, Department of Philosophy
11. Prof. Srijita Bose, Department of Bengali
12. Dr. Gopal Chandra Mandal, Department of Economics
13. Prof. Animesh Adhikary, Department of Philosophy
14. Prof. Suman Chatterjee, Department of Bengali
15. Sri Samir Munda, Office Staff

Aims and Objectives of the Value Education Cell

"Value education is the aggregate of all the process by means of which a person develops abilities and other form of behavior of the positive values in the society in which he lives." - C.V. Good

A man divorced from value education is just like a running boat without oar. Value education refers to the process of transmission of positive social values, usually from the older generations to younger generations. In other words, it is the process that gives young people an initiation into values, giving knowledge of the rules needed to function in this mode of relating to other people, and to seek the development in the student a grasp of certain underlying principles, together with the ability to apply these rules intelligently, and to have the settled disposition to do so. Value education encompasses a matrix of themes that to a varying degree address character, moral development, religious education, spiritual development, citizenship education, environmental education, personal development along with socio-cultural development. To the parlance of common people, value education incorporates issues such as happiness, love, equality, humility, peace, simplicity, cooperation, fellow-feeling, honesty, unity and justice.

General education is clearly about understanding learning skills 'what to do', 'how to do' and practising the skills, leading to fulfillment of human purpose, i.e. for the welfare of self and others. Value education facilitates development of right understanding of 'what to do' by sharing the understanding of 'what to do'. Value education imbibes the students to develop moral values for understanding 'how to do well' as well as 'why to do'. While general education aims at acquiring knowledge and promoting creativity, value education aims at facilitating right application of knowledge for establishing mutual happiness in the society.

Humanity is suffering from spiritual starvation. The world today is in a dismal state as the human beings are always in 'dissatisfaction' with their present status, which results in loss of inner calmness and control over self. Consequently, the present society is boiling with anger, anxiety, frustration, restlessness and anguish. It is engulfed with destructive forces such as corruption, religious fundamentalism, caste-ism, and separatist motives which are misguiding the youth who are exposed to a set of conflicting values.

In order to overcome all the flaws mentioned above, the prime necessity is to develop an attitude of sharing, fellow-feeling and love for each other without self-interest. Many of the societal problems will be eliminated if the human beings become apathetic and sympathetic to each other with a loving attitude and take action accordingly, especially during the current COVID-19 pandemic situation.

The Value Education Cell makes a trivial attempt to change the understanding of selves and the stakeholders of Prabhu Jagatbandhu College. It is an attempt at finding the mutual joy and gladness by achieving the following -

- Holistic development of body, mind and soul
- To Cultivate inner calmness - a way to peace
- To Go back to Man's True Nature for regaining forgotten Divinity of human being
- To tap inner resources of strength and to harness the power of positive attitude and affirmation
- To develop the bondage of human being to nature

The Cell focuses on nurturing the students into worthy citizens of the country, whose success in the professional world would largely depend on their ethical behaviour apart from their professional skill. So, the Cell emphasizes on real life-oriented learning methods and designs pragmatic programmes on value education. A student, when leaving college after completion of the three-year degree course, should be equipped with a positive frame of mind, should have basic communication skills, should have acquired the ability to explain something logically, and above all, should have developed a balanced personality. It treats the students as mature individuals and strives to inculcate values in them which will help them face the hazardous journey of life after college.

Activities during July 2020 to June 2021

Lecture Series on Value Education during 18th April, 2021 to 30th May, 2021

To inculcate and nurture values within our dearer students, the Value Education Cell Subcommittee of Prabhu Jagatbandhu College with active cooperation of Dr. Subrata Kumar Ray, Principal, Prabhau Jagatbandhu College and Dr. Arpita Mandal Nandi, Principal, Panchla Mahavidyalaya, had organized a six days lecture series on value education through webinar in collaboration with Panchla Mahavidyalaya. It was started on 18th April, 2021 and ended on 30th May, 2021. The programme became a platform for faculty exchange with Panchla Mahavidyalaya. On each day one faculty member from each college had delivered lecture on specific issue of value education. Our dearest students, faculty members, particularly the members of the Cell, and non-teaching staff of both the colleges had participated in the programme through google meet/youtube live streaming.

The topic and speakers on each day are as follows :

Date : 18th April, 2021, Time: 6:30 p.m. to 10 p.m.

Topic : **Values Echoing in Indian Culture and Civilisation**

Speakers:

Dr. Nilanjan Chakrabarti

Dept. of English, Panchla Mahavidyalaya

Prof. Nimai Chand Dan

Dept. of History, Prabhu Jagatbandhu College

Date : 25th April, 2021, Time: 6:30 p.m. to 10 p.m.

Topic : **Values and Social Norms in Underdeveloped/Developing Countries**

Speakers :

Prof. Shankha Barik

Dept. of History, Panchla Mahavidyalaya

Prof. Srijita Bose

Dept. of Bengali, Prabhu Jagatbandhu College

Date : 9th May, 2021, Time: 6:30 p.m. to 10 p.m.

Topic : **Scientific and Environmental Values, Violation and Societal Distress**

Speakers :

Dr. Sanghamitra Das

Dept. of Bengali, Panchla Mahavidyalaya

Dr. Kakoli Banerjee

Dept. of Chemistry, Prabhu Jagatbandhu College

Date : 16th May, 2021, Time: 6:30 p.m. to 10 p.m.

Topic : **COVID-19 and Values**

Speakers :

Prof. Partha Das

Dept. of Education Panchla Mahavidyala

Prof. Suman Chatterjee

Dept. of Bengali, Prabhu Jagatbandhu College

Date : 23rd May, 2021, Time: 6:30 p.m. to 10 p.m.

Topic : **Culture, Values, Ethics and Morality**

Speakers :

Dr. Chameli Giri

Dept. of Bengali, Panchla Mahavidyalaya

Dr. Gopal Chandra Mandal

Dept. of Economics, Prabhu Jagatbandhu College

Date : 30th May, 2021, Time: 6:30 p.m. to 10:30 p.m

Topic : **Values, Ethics and Society**

Speakers :

Dr. Arpita Mandal Nandi

Principal, Panchla Mahavidyalaya

Dr. Subrata Kumar Ray

Principal, Prabhu Jagatbandhu College

For each speaker 30 minutes was devoted for lecture and 30 minutes for interaction section. Almost on all days Dr. Subrata Kumar Ray and Dr. Arpita Mandal Nandi had delivered either Inaugural Address or Valedictory Lecture. Dr. Gopal Chandra Mandal and Prof. Sriya Battacharya, Dept. of Philosophy, Prabhu Jagatbandhu College, had jointly coordinated the whole programme. Prof. Animesh Adhikary, Dept. of Philosophy, Prabhu Jagatbandhu College, had collected questions from the chat boxes and had delivered them to the speakers on all the days. On each day more than 75 participants had participated in the programme. Mr. Kalyan Sundar Samanta, Assistant Librarian, Prabhu Jagatbandhu College and Dr. Gopal Chandra Mandal had provided technical assistance for the programme. Prof. Amitava Sardar, Dept. of Computer Science, Prabhu Jagatbandhu College, had prepared Google Registration Form and e-Certificate for the participants and the speakers. Our energetic Principal Sir, Dr. Subrata Kumar Ray had taken initiatives to publish these 12 papers for 12 speakers in the forthcoming volume of our college journal **DIGONTO**.

BEST PRACTICES

All the students are encouraged to be member of at least one of the various club there in the college:

Science Club: Science club is a unique organization in which teachers and students of science faculty (but not limited to students of science only) try to cultivate scientific thinking, enlighten students towards ecological and environmental hazards and conservation and try to take science to newer heights.

Activities : Establishing e-waste bin in the college where students, faculty members and all the staff members can drop their e-waste, which will be given to the authorized e-waste management agencies, by the college authority

Requesting and being in constant touch with the local gram panchayat for establishing of e- waste-bin

Eco club: Eco Club plays an important role in creating environmental awareness amongst the future generation.

The functions under the club include,-

1. Motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
2. Promote ethos of conservation of water by minimizing the use of water.
3. Motivate students to imbibe habits and life style for minimum waste generation, source separation of waste and disposing the waste to the nearest storage point.
4. Educate students to create awareness amongst public and sanitary workers, so as to stop the indiscriminate burning of waste which causes respiratory diseases.
5. Sensitize the students to minimize the use of plastic bags, not to throw them in public places as they choke drains and sewers, cause water logging and provide breeding ground for mosquitoes.
6. Organize awareness programmes such as Quiz, essay, painting competitions, etc. regarding various environmental issues and educate students about re-use of waste material & preparation of products out of waste
7. Organize Nature Trail in Wild Life Sanctuaries/Parks/Forest areas to know about the Biodiversity.
8. Rain water harvesting.

Equal opportunity cell:

The Indian Society is singular in terms of the multifarious hues it has absorbed in its fabric.! Living within its clench are numerous groups that are segregated on the basis of language, ethnicity, class, caste, religion etc. The existence of these groups has resulted in

a highly entrenched system of social stratification wherein some groups are placed at the upper end of the spectrum and others at the nether end. To augment this system of inequality the variable of gender also plays an important role. This pecking order of things has brought about the hegemonic domination of a few to the detriment of others. Owing to the same barriers of denial have been erected which limit and restrict the opportunities (educational, economic, health etc.) of the less privileged members of the society.

This inequitable situation warrants a redemption which is possible through Equal Opportunity measures and policies.

The Equal Opportunity Cell, Prabhu Jagatbandhu College, was created by a mandate of the UGC specifying the need of a functionary within the college set up which would facilitate affirmative action in order to ensure equal opportunity for all within its folds.

The objectives of the cell are:

- To create an atmosphere of Equal Opportunity through awareness generation-programmes.
- To provide auxiliary support towards skill development and enhancing employability of students.
- To tailor development and sensitization programmes to meet the distinct needs of the students.

Activity: On 8th March 2014, seven ladies and seven gents bicycles were distributed among the underprivileged students knowing.

SC/ST cell

SC/ST Cell has been set up in the college to ensure proper implementation of various schemes of UGC, Government of India and State Govt, concerning scholarships, stipends etc. for welfare of reserved categories. The guidelines, for various types of scholarship/stipends as revised from time to time by the Central and State Govts, are notified and displayed on the Notice Boards. This Cell ensures that these guidelines are strictly adhered to. It also monitors implementation of reservation roster

Gender Sensitization cell against harassment:

With regard to the Supreme Court Judgment and guidelines issued in 1997 to provide for the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, more particularly against sexual harassment at work places, the University Grants Commission (UGC) has issued circulars since 1998, to all the universities, advising them to establish a permanent cell and a committee and to develop guidelines to combat sexual harassment, violence against women and ragging at the universities and colleges. It has further advised the universities to be proactive by developing a conducive atmosphere on the campus, where the status of woman is respected and they are treated with. Keeping the above guidelines in view Prabhu Jagatbandhu College has constituted a Committee Against Sexual Harassment.

Future plan:

In future, the cell will organize different awareness and sensitization programme of students on protection of human rights.

IT Service Cell

The IT Services Cell is conducting training programs for the students of prabhu jagatbandhu college in collaboration with IIT Bombay through “Speak TO a Teacher” project funded by National Mission on Education through ICT, MHRD, Govt.of india .All the participating candidates are provided certificate from IIT Bombay. Ours is the only college under Calcutta university to collaborate and conduct classes underthis project (in 2014-15).

The club is encouraging/ promoting the use of open source software's. We have conducted a total of 10 training sessions for the students in the academic year 2014-15, for open source software's with the motive to develop IT skills of the students. This training enhances employability, and also helps to reduce the growing digital divide in the country. The club is looking forward to conduct Department/course specific training programs in open source software's relevant/ suitable to their Department/course.

We are receiving good response/ queries for the courses that have been organized till now and more such training sessions will be organized in the academic year 201 5-1 6.

The cell has also orgasized UGC sponsored 10 days national level workshop cum faculty development programme on Free and open source software on 1 st -11 th august, 2016.

Activities to be taken up by the college :

1. Look at the procurement and maintenance of the software/hardware infrastructure of the college.
2. Organizing of faculty development.
3. Software training for the students/teachers/non-teaching staff in collaboration with IIT Bombay.
4. Training and supporting of students/teachers/non teaching staff for handling of internet along with creating and handling of email or other IT infrastrueture.
5. Organizing seminar/workshop/symposium on ICT.
6. Organizing seminar/workshop/symposium on security and privacy.

AWARDS AND PRIZES

1. Surabala Ghosh Prize

Professor Bipin Krishna Ghosh donated a sum of Rs. 1000/- for the creation of 'Surabala Ghosh Prize', after the name of his revered mother. This prize is awarded annually to the girl student securing the highest marks amongst the girl students of the college at the final B.A. General Examination of C.U.

2. N. Bhattacharyya Stipend

Sri Pulin Behari Bhattacharyya, an eminent person of this locality has donated a sum of Rs.8000/- to create two stipends, both in memory of his revered father Late Natabar Bhattacharyya. The stipends are awarded to the students securing highest marks in the B. A. and B. Sc. Part II Examination and continuing study in this college.

3. Tarulata Smriti Scholarship

Dr. Shyamal KumarSengupta, retired Reader of Bengali department, donated a sum of Rs. 10,000/- for the creation of 'Tarulata Smriti Scholarship' after the name of his revered mother. A scholarship of Rs. 500/-is awarded annually to the student of this college securing highest marks in Bengali in B.A.(H) Final examination of the Calcutta University.

4. Jatindra Smriti Puraskar and Niiima Smriti Puraskar

Sri Anil Krishna Mandal, retired professor of Commerce of the college, donated a sum of Rs. 20,000/- for creation of two scholarships "Jatindra Smriti Puraskar" and "Niiima Smriti Puraskar" in memory of his late beloved father and mother-in-law respectively. Two scholarships of Rs. 500/- each, are awarded annually to the male and female student- of the college securing highest marks at Final B.Com. Honours examination of the Calcutta University.

5. Akrur Mohan Smriti Puraskar

Sri Sudeb Chandra Das, the earstwhile professor of Physics of this college, donated a sum of Rs. 15,000/- for the creation of "Akrur Mohan Smriti Puraskar". Two scholarships of Rs. 400/- each are awarded annually to the student of the college securing highest marks in Physics and Mathematics in the Final B. Sc. Honours examination of the Calcutta University.

6. Gour Netai Saha and Usha Rani Saha Smriti Puraskar

Professor Mukul Saha of department of Commerce has donated a sum of Rs.6,000/- to create "Gour Netai Saha and Usha Rani Saha Smriti Puraskar" in memory of his late revered parents. A prize of Rs.500/- is awarded annually to the commerce student who has highest attendance during first two years.

7. Barendranath Bhattacharya and Urmila Bhattacharya Prize

Our erstwhile Librarian Mrs. Mira Bhattacharya has donated a sum of Rs.35,000/- to create "Barendranath Bhattacharya and Urmila Bhattacharya Memorial Prize" in memory of her late revered parents. Four scholarships of Rs. 500/- each will be awarded annually to the student of the college securing highest marks in Physics, Geography, Computer Science and Mathematics Honours in the Part II B.Sc./B.A. examination of the Calcutta University. Another scholarship of Rs.500/- will be awarded annually to the Best Library User of our college.

Prof. Pabitra Sengupta HOD Economics from Jogmaya Devi College has given a cash prize of Rs. 1000/- to the part 3 philosophy Honours students for securing highest marks in University of Calcutta in memory of his father Prof. Sudhir Ranjan Sengupta, a renowned philosopher in erstwhile East Pakistan. Mahanmbrata Brahmachari Scholarship.

9. Dr. Mahanambrata Bramhachari memorial prize

The successful student who will obtain highest marks in Mathematics in each final year in the degree course of University of Calcutta. It will be awarded by cash/cheque.

10. Our head clerk Sima Ghosh donated a sum of Rs. 1,00,000/- (Rupees One Lack) only for the purpose of creating a prize namely "DR. MAHANAMBRATA BRAMHACHARI MEMORIAL PRIZE". In this connection it is remembered that Dr. Mahanambrata Bramchari, M.A., Ph.D., D.Lit. who delivered his valuable speech in the 2nd World Religious Conference at Chicago of America in the year 1933 inaugurated the ceremony on 15/08/1964 i.e. on the Foundation Day of PRABHU JAGATABANDHU College. The said award will be awarded to the successful student who will obtain highest marks in Mathematics in each Final Year in Degree Course of University of Calcutta either in Cash or Cheque.

SCHOLARSHIPS

One full-free studentship is conferred to 1 st year students of each Honours department with less than 50 approved seats, who secure the highest marks in the H.S. examination. For Honours departments with more than 50 seats, two full free studentships are provided.

One full- free studentship is conferred to each student who secures the highest marks in C.U. Part I, and Part II B.A and B.Sc. Honours examinations for each department with less than 50 approved seats. For Honours departments with more than 50 seats, two students who secure the highest marks are conferred full-free studentships. However, three full-free studentships are conferred to students securing the highest marks in Part I, and Part II B.Com. Honours examinations.

Beside these merit scholarships, applications are invited each year from students of all the three years (except those belonging to S.C. and S.T. categories) who need financial support. The Students' Concession & Aid-fund Committee grants full-free and half-free studentships for applicants selected after considering their financial condition, academic interest and previous year's result.

ACADEMIC, CAREER-ORIENTED and other BENEFITS

Under UGC Merged Scheme, college conducts following courses for the benefit/ ^ s belonging to SC / ST/OBC (Non-Creamy layer Group) / Minority, freeofco,

1. Basic Computer Handling Course
2. Spoken English Course
3. Coaching classes for competitive exam(e.g., SSC)
4. Remedial coaching classes for regular courses

Candidates belonging to the said group, who come to the college from more than 10 km, distance and attend at least 70% classes are eligible for conveyance allowance. College may provide stipend for few poor and meritorious students belonging to the said group.

Moreover the college provides three types of counselling services for its students —

1. Academic counselling by the teachers.
2. Psychological and confidence building counselling sessions.
3. Job oriented counselling sessions including seminars and workshops.

The **Career Counselling Cell** of the College arranges the visit of training institutes which conduct long term career skill enhancer programs for the students to train them for various competitive exams and corporate management. Last year the college hosted a three days entrepreneurship awareness camp conducted by Enterprise Development Institute which is promoted by Bengal National Chamber of Commerce & Industry with support from Govt, of India. This program helped to spread entrepreneurship education at college level. About 90 students, who attended the program were largely benefitted and also awarded certificates at the end of the program. Recent programme report to be taken from Mukul and Sandhya.

Railway Concession Monthly/Quarterly railway tickets are available at concessional rates to students commuting by train. Complete information regarding this will be provided by the office staff on enquiry.

DISCIPLINE AND GENERAL INSTRUCTIONS

The reputation of a college depends on the discipline and character of its students and as such the behaviour of the students within the college and outside it reveals the image of the college. Following are the disciplinary norms that must be maintained by the students:

- The students must see to it that college properties/walls are not damaged/defaced in any way and also that college premises/buildings are kept clean and no poster should be pasted on the walls of the building.
- The students should carry their identity cards to get entry inside the college premises. A student must produce the card as and when demanded.
- Loitering or gossiping on the corridors is strictly prohibited.
- Smoking, drinking alcohol, chewing tobacco, gutkha, spitting here and there etc. are strictly prohibited within the college campus.
- Disorderly behaviour within or outside class rooms, shouting or screaming or damaging college property is severely dealt with.
- Students must not enter or leave a class without permission from the teacher.
- Students must switch off their mobiles inside the class room.
- During class hour no student is allowed to stay elsewhere.
- By no means student should show disrespect to any member of the college staff and be rude to their fellow students.
- Students must not enter office without valid reasons and disturb work in the office.
- Science students must attend both theoretical and practical classes regularly. Students who do not regularly attend theoretical classes should not be permitted to attend practical classes.
- Students must not enter staff room without taking permission.
- Students should obtain pass marks in the college terminal examinations for class promotion and for appearing at the final examination.
- Any change in combination for elective subject(s) with approval of the college administration must be done within one Month from the date of commencement of classes. No application in this regard will be entertained after that date.
- A subject which is not taught in the college will not be permitted in the combination of subjects. Further student should maintain the code of combination of subjects offered by the college.
- * Students may put the originals (if any) in writing in the box kept inside the Principal Chamber for the purpose.

Students are to abide by all the rules and regulations, notification framed and issued by college authorities from time to time.

*In addition to the above list, if any day be declared as holiday according to N.I. Act, the college will remain closed. The holiday list is subject to change due to University Exam. and any other valid reason.

ACADEMIC DEPARTMENTS

Department of Bengali

The Department of Bengali was established in 1964. The Honours stream was introduced 4 years later. The departmental library has a collection of 300 books. To give a well-rounded education to the students of this department in addition to the academic courses cultural programmes are employed. The entire department participates on Bhasha Dibas (Celebration of the Mother Tongue) at times with a seminar graced by eminent personalities, at others with variety functions (musical events, dance dramas, recitation, etc.). This department prides itself on the large number of students who pursue higher studies every year. The department is also proud of those students who became graduate with 1 st class honours. Department passionately organises cultural programmes and makes arrangements for academic tours. All the students of Bengali department participated in this programme. To make students learn their lesson more lucidly, there are classes held at SMART ROOM with audiovisual aids, Power-Point presentations and Sound-proof technology. The PG Course in Bengali has been started from 2017 - 18 session.

বাংলা বিভাগ (স্নাতক ও স্নাতকোত্তর) ২০১৯-২০২০ শিক্ষাবর্ষের প্রতিবেদন

প্রভু জগবন্ধু কলেজের বাংলা বিভাগ প্রতি বছরই নানারকম অনুষ্ঠানের আয়োজন করে থাকে। স্বাভাবিক নিয়মেই ২০১৯-২০ শিক্ষাবর্ষেও বিভিন্ন অনুষ্ঠানের আয়োজন করেছিল। তার মধ্যে প্রথমেই উল্লেখ করা যায় ‘অভিভাবক সভা’র কথা। ‘অভিভাবক সভা’ শিক্ষক সমাজ, শিক্ষার্থী সমাজ এবং সর্বোপরি, কলেজের স্বাস্থ্যকর পরিবেশ বজায় রাখতে দারুণভাবে সহায়ক হয়ে উঠে। শিক্ষাবর্ষের শুরুতেই বিভাগ এই সভার আয়োজন করে থাকে। সেইমত গত ২০-০৯-২০১৯ তারিখে বিভাগের পক্ষ থেকে এই ‘অভিভাবক সভা’র আয়োজন করা হয়। এছাড়া, গত ০৬-০৯-২০১৯ তারিখে বিভাগের ছাত্র-ছাত্রী ও শিক্ষকদের নিয়ে ‘শিক্ষক দিবস’ উদ্‌যাপন করা হয়। শিক্ষক দিবসের তাৎপর্য ও গুরুত্ব নিয়ে বিভিন্ন অধ্যাপকদের আলোচনার পাশাপাশি ছাত্র-ছাত্রীদের দ্বারা নাচ-গান, কবিতা-আবৃত্তি এবং নাটক দিয়ে সাজানো একটি সাংস্কৃতিক অনুষ্ঠানেরও আয়োজন করা হয়েছিল। অপরদিকে, ২০১৯ সাল বাংলা ভাষা ও সাহিত্যের একটি গুরুত্বপূর্ণ বছর। এই বছরটি বাংলা ভাষা ও সাহিত্যের প্রবাদ-প্রতীম ব্যক্তিত্ব ঈশ্বরচন্দ্র বিদ্যাসাগরের দু’শো বছর পূর্তির বছর। এই বছরটিকে স্মরণীয় করে তুলতে বাংলা বিভাগ গত ১৯-০২-২০২০ তারিখে একটি ‘জাতীয় স্তরের আলোচনাচক্র’র আয়োজন করে। বিষয় নির্বাচন করা হয়েছিল ‘দ্বিশতজন্মবর্ষে বিদ্যাসাগর : ফিরে দেখা’। এই অনুষ্ঠানের উদ্বোধক ছিলেন কলেজের অধ্যক্ষ ড. সুব্রতকুমার রায়। সূচক ভাষণ প্রদান করেন বিভাগের বিভাগীয় প্রধান ড. সুধাংশুকুমার সরকার। এছাড়া অনুষ্ঠানে অতিথি বক্তা হিসেবে উপস্থিত ছিলেন ড. শক্তিসাধন মুখোপাধ্যায়, ড. সনৎকুমার নস্কর, ড. মীর রেজাউল করিম প্রমুখ। সমগ্র অনুষ্ঠানটি পরিচালনায় ছিলেন বিভাগের ছাত্র-ছাত্রীবৃন্দ। অন্যদিকে, ‘ভাষাদিবস’ বাংলা বিভাগের একটি অত্যন্ত গুরুত্বপূর্ণ অনুষ্ঠান। অত্যন্ত উৎসাহ ও উদ্দীপনার সাথে এই দিনটি বিভাগ স্মরণ করে থাকে। এবছর ‘অমর একুশে’ উদ্‌যাপনে প্রধান বক্তা হিসেবে আমন্ত্রিত ছিলেন রবীন্দ্র ভারতী বিশ্ববিদ্যালয়ের বাংলা বিভাগের প্রাক্তন বিভাগীয় প্রধান ড. কানন বিহারী গোস্বামী। এই মনোজ্ঞ অনুষ্ঠানে কলেজের অধ্যক্ষ মহাশয় ও অন্যান্য বিভাগের অধ্যাপক-অধ্যাপিকাদের উজ্জ্বল উপস্থিতি ছিল চোখে পড়ার মত। সমগ্র অনুষ্ঠানটির সঞ্চালনায় ছিলেন বিভাগের অধ্যাপক শ্রীজিতা বসু ও সুমন চট্টোপাধ্যায়। পাশাপাশি ছাত্র-ছাত্রীদের দ্বারা একটি মনোজ্ঞ সাংস্কৃতিক অনুষ্ঠানেরও

আয়োজন করা হয়েছিল যা ‘অমর একুশে’ আনুষ্ঠানটিকে একটি অন্যমাত্রা দান করে। আমরা সকলেই জানি ‘করোনা’ নামক মারাত্মক ভাইরাসের দ্বারা আক্রান্ত আজ সমগ্র বিশ্ব। মানতে হচ্ছে সামাজিক দূরত্ব। দীর্ঘ লকডাউনে ক্লান্ত সকলেই। এমতাবস্থায় বাংলা বিভাগ কলেজ কর্তৃপক্ষের অনুমতি নিয়ে তার গঠনমূলক ভাবনা চিন্তাকে কীভাবে ছাত্র-ছাত্রী মহলে পৌঁছে দেওয়া যায় সে ব্যাপারে উদ্যোগ গ্রহণ করে। অবশেষে, গত ১৯-০৭-২০২০ তারিখে বিভাগ প্রযুক্তির সহায়তা নিয়ে একটি ‘একদিবসীয় আন্তর্জাতিক আন্তর্জালিক আলোচনাচক্র’র আয়োজন করে। বিষয় হিসেবে নির্বাচিত করা হয়েছিল ‘স্বাধীনতা-উত্তর বাংলা কথাসাহিত্যে নিম্নবর্গীয় চেতনার ক্রমবিকাশ।’ বদলে যাওয়া বিশ্বে নতুন এই আয়োজনে সাড়াও পড়েছিল অভূতপূর্ব। আমরা এই ওয়েবিনারে আলোচক হিসেবে পেয়েছিলাম ড. বেলা দাস, ড. মীর রেজাউল করিম, অধ্যাপক, বাংলা বিভাগ এবং ডীন, কলা ও ভাষা অনুষদ, আলিয়া বিশ্ববিদ্যালয়; ড. দীপককুমার রায়, অধ্যাপক, বাংলা বিভাগ এবং ডীন, কলা বাণিজ্য অনুষদ, রায়গঞ্জ বিশ্ববিদ্যালয়; ড. তপন মণ্ডল, অধ্যাপক বাংলা বিভাগ এবং ডীন, কলা অনুষদ, ডায়মন্ড হারবার মহিলা বিশ্ববিদ্যালয়; ড. শামস আলদীন, সহকারি অধ্যাপক, বাংলা ভাষা ও সাহিত্য বিভাগ, সাউথ ইস্ট বিশ্ববিদ্যালয়, ঢাকা, বাংলাদেশ এবং শ্রী নলিনী বেরা (আনন্দ পুরস্কার প্রাপ্ত), বিশিষ্ট কথাসাহিত্যিক, পশ্চিমবঙ্গ। আন্তর্জাতিক সেমিনার ১০ ও ১১ জানুয়ারী, ২০২৪ বাংলা বিভাগ আয়োজিত দ্বি-দিবসীয় আন্তর্জাতিক আলোচনা চক্রের আয়োজন করা হয়। **বিষয়-স্বাধীনতার অমৃত মহোৎসবে বাঙালির হাজার বছর : ইতিহাস-ভাষা-সাহিত্য-সংস্কৃতি।** এই আন্তর্জাতিক আলোচনা চক্রের উদ্বোধক হিসেবে উপস্থিত ছিলেন কলেজের অধ্যক্ষ ড. সুরতকুমার রায়, স্বাগত ভাষণ প্রদান করেন বিভাগীয় প্রধান ড. সুধাংশুকুমার সরকার। আমন্ত্রিত বক্তা অধ্যাপক দীপক কুমার রায়, অধ্যাপক আনন্দ গোপাল ঘোষ, মহঃ আতাউর রহমান, অধ্যাপক শ্রাবণী পাল, অধ্যাপক সনৎ কুমার নস্কর প্রমুখ। ২০২৪ সাল পর্যন্ত সামগ্রিক কর্মকাণ্ডে বাংলা বিভাগ প্রগতির পথে এগিয়ে চলেছে।

Department of English

About the Department :

The Department of English has been functional since 1964. The Honours stream was introduced in 2008. After initiation, the Department flourished with its ever-increasing number of students and Faculties. Presently the Department has six Permanent Faculty Members including two Full-time Teachers, four State Aided College Teachers and one Visiting faculty. The Departmental library has approximately 200 books. Regularly ICT classes are taken along with Bridge Courses for the academically weaker section of students. Special attention is given to communicative skills and personality grooming. Students get personalized care under the mentoring of individual teachers. The department celebrates both academic and cultural programmes like Orientation, Farewell and departmental seminars and literary workshops. The department represents a humble yet promising effort towards developing literary taste and procuring professional skills among students in the hinterlands.

Throughout the year, various academic and cultural programmes and activities are organised by the Department that boost the bonding between students and teachers.

Special Events during the New Normal (2020-2021)

Interactive Panel Discussion :

On 16th October, 2020, there was an interactive Panel Discussion with 6th Semester students and Teacher on “Archetypes of Masculinity: Feminism and Beyond”. Students enriched the lively session with their contemporary understanding of social archetypes about theories and praxis on social constructs of femininity.

Quiz :

Multiple sessions of Academic Quiz were organized by the Deptt in order to evaluate the day to day progress of online learning and to assess the accumulation of functional knowledge before each student's final University Exam.

Presentation of Extempore Ideas :

Encouraging students to present extempore ideas right after the class proved to be one of the best accessible techniques to understand the learning obstacles of the Text taught and also to verify the exact learning level of each student.

Webquests :

In the New Normal students need to explore extensively through Web Resources, therefore the Deptt. designed methods to find relevant academic texts, articles, journals and books via web searching. The training also includes how to detect authentic sources and ignore unreliable ones. Introduction to sites like Academia, Shodhganga, INFLIBNET and other open source software and libraries was part of this academic endeavour.

Electronic Chat Room :

Interacting with each other in real time via E-chat Rooms are meant to encourage posts that are on-task and analytical. Through this live session even shy and reticent students also participate via simple messaging.

ACTIVITIES FROM JULY 2021 TO JUNE 2022

Interactive Panel Discussion:

On 4th November, 2022, there was an interactive Panel Discussion with 6th Semester students and Teachers on “**Archetypes of Masculinity: Feminism and Beyond**”. Students enriched the lively session with their contemporary understanding of social archetypes about theories and praxis on social constructs of femininity.

Quiz:

Multiple sessions of Academic Quiz were organized by the Deptt in order to evaluate the day to day progress of online learning and to assess the accumulation of functional knowledge before each student's final University Exam.

Presentation of Extempore Ideas:

Encouraging students to present extempore ideas right after the class proved to be one of the best accessible techniques to understand the learning obstacles of the Text taught and also to verify the exact learning level of each student.

Name: Poulomi Ghosh

Academic qualification: Post Graduation from Rabindrabharati University (69.20%)

B.Ed: W.B.U.T.T. E.P.A. (Appeared)

Department of History

The Department of History was established in 1964. The Honours Course was introduced in 1969. The departmental library has a collection of more than 300 books. Our Department reflects the socio-cultural, political-international and also religious history of human beings and nation. We also provide study of Ancient, Archaeological, Islamic and Modern History of India and the Contemporary World. Our main motto is to enrich our students' knowledge and prepare them for their future life as a responsible human being and a dutiful citizen. Our department has provided career-guidance to our students. Numerous students of this department are at present teaching in college, school and also serving in Government sectors. The department organised an webinar on 30th June, 2020. The topic of the webinar was 'Reflection of Bangladesh Liberation War, 1971'.

Ten Days Faculty Development Programme on 'Museum, Archives, Art and Architecture, Tourism' was organised by the Department of History, Prabhu Jagatbandhu College on and from 10th July – 19th July, 2020. This is for the first time in Eastern India such a faculty development programme was organised in a single platform according to the CBCS syllabus in SEC. Many faculty members across the Bengal attended the programme and renowned faculties delivered their lectures which made the programme a grand success. Webinar on Mental Stability in Covid-19, Pandemic : Why and How, dt. on 7th August, 20, One-day State Level webinar on Importance of Newspaper As a Primary Source in Contemporary World, dt. on 31 August, 20, Birthday Celebration of Swami Vivekananda, dt. on 12th January, 2021

Our departmental students, visited and attended on 21 st February, '21, to observe the International Mother Language Day at Ananda Niketan Sangrahalay Samiti, Bagnan. May day Celebration done on 1st May, 2021.

2020-2021

1) Observation and participation of international Mother language Day , 21 st February-2021 at Anandaniketan, Ghoraghata

Department of Political Science

Since 1964 the Department of Political Science, PrabhuJagatbandhu College cherishes its illustrious past, but tries every moment to enrich its present. With a bunch of fresh, inquisitive students and dedicated faculty, the department's quest for quality and knowledge is unbound. And this quest goes beyond the formal syllabus, beyond the four walls of our classrooms. The Honours stream was introduced in 2003. Students are encouraged to question and debate and raise issues within and beyond the syllabus. They are encouraged to participate in students' seminars and present papers. The department believes in helping the students to grow as good human beings, not only good students. The faculty members are engaged in continuous research in all areas of the discipline, besides their regular teaching assignments. Semester systems (CBCS) at the Under Graduate levels have been introduced last year.

- The Department has been provided with computer and internet facility.
- The Central Library has a very good collection of books related to the subject. The Department also has a good Seminar Library and Book Bank to help the students all through the year. The seminar library has around 250 books and the book bank has around 100 books plus 2 journals.

The department always encourages students in cultural activities. In every year mainly three programmes are organised by the department : (1) Nabin Baron Utsav and felicitation of best outgoing student, (2) Farewell ceremony of final year students and (3) Teacher's Day Celebration. In each programme the students show their best performance in music, dance drama and recitation. Besides, the departmental wall magazine 'Athmik' is published every year before puja.

Like every year, this year also the department organised an one day academic tour to Samtaber (Deulti) to visit the house of famous writer Sarat Chandra Chatterjee where the students enjoyed very much. There after the students alongwith teachers went to Gorchumuk to enjoy forest and open zoo in the lap of nature.

In this lockdown period the Department conducted online classes to complete the syllabus.

The department celebrated 10th December (Human Rights Day) and 26th November as Constitution Day.

Departmental Report

2020-21

There was continuous assessment of students through virtual question-answer session. Counselling of the 1st semester students done just after the admission to the new session. Virtual parent -Teacher meeting was held. The faculty members made personal Problem Counselling and also interacted with the students about covid consciousness with a purpose how to combat the covid situation in their families and neighborhood.

The Students were provided e-learning links to keep themselves updated with the recent journals and books. The Students and faculty members participated in World Environment Day and International Yoga Day through YouTube and google meet. Students participated in debates, seminars and presented papers virtually. During this session also students along with teachers celebrated Teachers' Day, Rabindra Jayanti. This is to refer further that two Psychological Counselling session for the departmental honours students were conducted on 17th may ,2021 and 3rd June 2021. Dr. Prajna Maitra, Associated Professor of Botany Department delivered lucid lecture on covid situation and how to combat it. Both session were very much interesting and interactive. Last but not the least the department organized two webinar in this session.

1. One Day State Level Webinar on "Indo-China Standoff At LAC: From Passive Resistance to Active Conflict"-jointly organized by Department of Political Science, Prabhu Jagatbandhu College and Chittaranjan College, Kolkata. Date-04/08/2020.

Speaker :- Prof. Anindya Jyoti Majumder, Department of International Relations, Jadavpur University.

2. One Day State Level Webinar on "Is The Ideology of Secularism in India facing crisis Today ? The Question Remains Unresolved"-Jointly organized by the Department of Political Science and NSOU, Prabhu Jagatbandhu College. Date 27/08/2020, Speaker Dr. Shibaji Pratim Basu, Department of Political Science, Vidyasagar University.

Report on the Activities of the Department of Philosophy

The Department of Philosophy was established in 1964 and the Honours stream was established in 1998. The Department offers both Honours and General Courses in UG. The thrust areas of the Department are Logic, Epistemology, Metaphysics, Metaethics, Analytical Philosophy, Applied Ethics and Philosophy of Mind. The Department has a computer facility for both students and staff. The Departmental Library is well equipped with more than 200 books. In addition to a spontaneous academic interest the students of the Department actively participate in various activities of the college like programmes organized by NSS, Women's Cell, Value Education Cell, etc. The Department of Philosophy organizes the Annual Cultural Programme on the 5th September of every year to commemorate the birth anniversary of the renowned Indian Philosopher Dr. S. Radhakrishnan where the students of the Department organise a cultural programme involving enacting short plays on topics of Philosophy, Logic etc. like a play enacted on the script called 'kothay kothay logic' written by the legendary philosopher Late Dr. Ramaprosad Das. The programme is enriching for both the staff and students alike as it highlights the rich cultural heritage of the Department.

Due to the pandemic the college campus remained inaccessible to students and staff. So the Department decided to carry on the activities online through the digital platform. The Department organised six national interdisciplinary webinars in 2020 on very contemporary issues and challenges like “Post Covid Human Life: Ethical and Social Issues”, “The Philosophy of Human Rights :Towards a Just Legal Society”, “Psycho-Social Impact of Covid 19 : A Philosophical Perspective”, “Emergence of a Social Crisis:An Ethical Evaluation of Socio-economic and Legal Implications of Covid 19”, “Contextualism Revisited in Present Times:Ethical and Moral Considerations “ and “Reminiscing Rishi Aurobindo Post Covid “. Also the Department celebrated the birth anniversary of the great poet and philosopher Rabindranath Tagore by organising a cultural programme in which the students and also the teachers performed dance-drama, songs and recited poems, all in the digital platform.

Besides, the Department takes extra care in providing Mentoring, Personal Counseling, Examination Counseling and Career Counseling to all students of the Department. Counseling of students is our best practice and this has helped us maintain a seamless journey with our main motto of creating better human beings in the three years the students are with us. Our vision draws inspiration from Swami Vivekananda's concept of education as a man- making and character- building process. We, the Faculty of the Department of Philosophy, try our best to arouse the latent talent in each of our students and to equip them to fight the challenges of life once they leave the campus. But we do not let them face the harsh external world alone and have a strong connection with our alumni who keep coming back to us for guidance and support intermittently. We are a one big family where a student once admitted becomes a life member.

PRABHU JAGATBANDHU COLLEGE
DEPARTMENT OF PHILOSOPHY
Department Activities during July 2021 to June 2022

| SL NO | SESSION | DATE | PROGRAMME TITLE | SUPPORTING DOCUMENT |
|-------|-----------|----------------------|--|--|
| 01 | 2021-2022 | 18th July, 2021 | BanoMahotsabha (Aranya Saptaho) | Youtube link : https://youtu.be/FEXu5br8kQs |

Department of Sanskrit

'vidyayā amṛtam aśnute' -This is the ruling principle in our life and we have started Sanskrit Department in our college with general course from the year 2014-2015. Although Department was started with general course initially but now honours course also included with general course in the year of 2018. Total number of students of two sections is about two hundred. The department is going on by the guidance, love and care. We motivate the students not only by the teaching but also provide the resource for their moral development which will be fruitful for their future life.

Department of Education

The journey of Education Department was started in our college from the year 2014. The department has been affiliated with the subject of Education as general course under university of Calcutta after a strong demand of our hinterland. In the first year of its introduction more than 200 students have registered their names in this department. Thereafter, Honours course has been started from the year 2018. Presently about more or less 400 students are reading in this department with very satisfactory note. The result of this department is satisfactory. The department is running systematic way with good nurturing of the college authority and principal. The Department organised webinar on 'Contemporary Issues of Indian Economy' in collaboration with the Department of Education and Economics on 12th June, 2021.

Department of Sociology

The Department of Sociology was established in 2017. This department started with more than 300 students in general degree course. Sociology is the scientific study of Society, study of social relationships, human interaction and interrelations their conditions and consequences. And it's also study of social action, social phenomena, social system and culture of everyday life.

Objectives of this department are

- To introduce students to the basic social processes of society, social institutions and patterns of social behavior.
- To teach students the sociological concepts, theories and methods of the behavioral and social services.
- To prepare students for Pass Graduate study.
- To analyze quantitative and qualitative data.
- To examine critically social issues of importance.
- And students will demonstrate familiarity with the sociological imagination.

Department of Mathematics

Departmental Report During the Period 2022-2023

About the Department

The Department of Mathematics was established in 1964. The Honours stream was introduced in 1985. The post graduation curriculum in Pure Mathematics has been introduced under the Calcutta University in the year 2018. The first batch of the M.Sc. in Pure Mathematics have passed out in the year under the pandemic situation. Here it is to be mentioned that all the students secured first class with high marks and few of them have obtained more than 70% marks. Second batch students also continued the classes in the pandemic environment and most of them secured first class with high scores.

The departmental library has a collection of 550 books. The total number of computers available in the department is 9. Internet facilities are available. The department has a numerical laboratory as needed for the syllabus. Mathematics is a set of ideas and techniques that enable us to understand, analyse, and solve problems faced in the real world. It has scientific precision. It also has an aesthetic pleasure that fascinates and inspires those who understand it. Our graduates will venture into diverse careers since they are recognised for logical and rigorous thinking. The department has four full-time teachers, two state-aided college teachers, and one contractual teacher.

Mission and Vision

- To produce quality mathematical sciences researches; provide teaching and extension services; and enhance the development of mathematics faculty of other Higher Educational Institutions through continuous upgrading of Department's various curricular programs, faculty force, facilities, and short term training programs.
- Making UG/PG students to develop the mathematical thinking and applying it to solve complex realistic problems, designing mathematical modeling for systems involving global level technology.
- Our mission is to produce significant research, to provide high quality undergraduate, graduate and professional programs of study which attract the best students, and to attend to the mathematical needs of the University and the community.
- The department's mission is to provide students with a number of degree programs and a wide spectrum of courses, and to offer them a rigorous training that enables them to pursue UG / PG or work in jobs that require a high degree of mathematical skills.
- To develop graduates who have logical thinking and scientific research skills in mathematics be actively, visibly and notably involved in research at the forefront of the mathematical fields in which it has strength and expertise offer postgraduate training up to doctoral level, in its chosen fields of research expertise at UG / PG level, engage in mathematical training in support of its own and other academic programmes of the Institute & that of the university.

- To strive to provide excellent teaching, research, and service to the university community and to the world in the application of mathematics to other disciplines as mathematical background is essential for each & every subject in this world.
- The department would like to have a Mathematics Club, to promote more mathematical knowledge applicable to Science, Engineering & Technology among the students.

Departmental Activities :

Department of Mathematics has organized a "**One Day National Workshop on Linear Algebra and Analysis**" in collaboration with The Indian Mathematics Consortium and IQAC Cell, dated 24th February, Friday, 2023. The aim of this one-day workshop is to expose local students and college teachers to some curious aspects of linear algebra, analysis and its applications in geometry. The objective of this academic event is:

- to promote student-initiative activities at the UG-PG levels and
- to increase the knowledge of the fundamentals of the college teachers, unity of mathematics, and problem-solving abilities. Emphasis will be given on basic examples.

In the beginning, the Head of the Department, Dr. Prasanta Sinha, delivered the welcome address and key note address where he described the relevance of Linear Algebra in Real Analysis and vice versa. He explained how applying linear algebra to the vector space of functions gives us non-trivial results in analysis. The following lectures were delivered in the workshop:

(i) Dr. Krishnendu Gongopadhyay, Associate Professor, Dept. of Mathematical sciences, IISER Mohali delivered a lecture entitled, Geometry and Imagination. In his talk, he talked about the relevance of complicated geometrical concepts in modern day science and how such abstract ideas originated from basic school geometry.

(ii) Prof. Shashi Mohan Srivastava, Indian Association for the Cultivation of Science, Jadavpur, Kolkata (Retd. Professor, Indian Statistical Institute) delivered a lecture entitled "On Extensions of Continuous Functions". In his talk, he discussed and presented a characterization of all subsets A of the Real line such that any continuous function $f: A \rightarrow \mathbb{R}$ can be extended continuously to a proper superset B of A .

(iii) Prof. Dr. Sujit Kumar Sardar, Department of Mathematics, Jadavpur University, Kolkata delivered a lecture entitled "Orthogonal Projections - Some Applications". In his talk, he reviewed the notion of orthogonal projection in an inner product space and used it in finding the approximate solution of an over determined system by least square approximation and the Fourier series of a function.

(iv) Dr. Kuntal Banerjee, Assistant Professor, Presidency University, Kolkata delivered a lecture entitled "Symbolic Dynamics and Topological Entropy" where he laid the foundation of Symbolic Dynamics using quadratic maps.

Over 50 participants (both faculties and students from the college and outside the college) have participated in the workshop and gathered fruitful information from the resource persons. Moreover, we had good interaction with the resource person in the question - answer session.

Department of Economics

About the Department:

The Department of Economics was established since the inception of the college in 1964. The Honours stream was introduced in 1996. The department organized a UGC sponsored 2-day National Seminar on Skill Development on 6th & 7th December, 2016. On 15th & 16th September, 2017, the department organized an ICSSR sponsored 2-day National Seminar on Reforming the Indian Economy in collaboration with Bengal Economic Association. A Training/Workshop on Human Rights Education and its awareness was held on February, 2019 with the approval of National Human Rights Commission, New Delhi.

Courses offered:

- The Department of Economics offers a three year Honours and General Degree course.
- The B.A/B.Sc Economics (Honours & General) under Choice Based Credit System is running successfully since the academic session 2018-2019.

Activities of the Department:

The Department of Economics has organized the following seminars and workshops:

1. UGC sponsored national seminar on 6th-7th December, 2016 on the topic "Education, Skill Development and Economic Growth in India."
2. Bengal Economic Association and the Department of Economics, Prabhu Jagathbandhu College jointly organized a state level seminar on 15th-16th September, 2017 on the topic "Reforming the Indian Economy."
3. One Day Training cum Workshop on Human Rights Education and its Awareness on 9th February, 2019. The National Human Rights Commission, New Delhi has approved this Training Program and sanctioned Rs 50,000/- for conducting this Program.

Department of Physics

The Department of Physics was established in 1968. The Honours stream was introduced in 2002.

The College environ is rural in character and unfortunately most of the students are first generation learners. Yet we feel happy to report that in spite of these limitations several of our recent graduates have performed creditably not only in University Exams but also in competitive exams and won gainful employment in several organizations. We proudly state that 14 students of our Department serve as School Teachers in neighbourhood.

A few basic factors have been responsible for the success of the Department.

- Four full time, one SACT and one Guest Lecturer take utmost care to complete the recommended theoretical and practical syllabus.

- Our Instrument Keeper Sri Gobinda Chandra Ghosh along with the laboratory assistant Sri Kamal Kanti Dholey assure proper functioning of the very **well-equipped Laboratory** where at least 75 different experiments are performed around the year.
- We have acquired 3 laptops by personal donation and introduced **Laptop Loan Facility**. Our Honours students may borrow a laptop and use it at home.
- In addition to the Central Library, our **Departmental Library** has almost three hundred volumes of Text and Reference books which the students may borrow.

All these, along with continuous mentoring and counselling by faculty and various extra-curricular activities like educational tours, model making, students' seminar and seminars by eminent personalities help our students to blossom to their potential for leading a happy and prosperous life.

A **you tube channel** for the Department was introduced on 10th July 2020 with the name 'Physics PJC' which showcases our Departmental activities.

Enthusiastic ex students Sayan Patra and Riya Banerjee(2019 batch)of our department have made a video, to introduce our department to future students of the locality and Chiranjit Nath (2004 batch) published the same in Google Advertisement with the link <https://www.youtube.com/watch?v=Sm5DVFA6C7I>

Departmental Activities 2022 - 2023

To ignite love for Physics and to inculcate the capacity of public speaking among our students we encourage them to deliver seminars before their fellow students and teachers of our institution in various topics in our 'Chat Physics with Tea'session. This session was held on 27th April 2023 with much enthusiasm and participation. Four student speakers Rishik Chatterjee, Mriganka Kanrar, Arpan Kundu and C.Ravi Kumar delivered their presentation on 'Evolution of Speed', 'Michelson Morley experiment', 'Chat GPT' and 'The legendary Marie Curie' respectively. 35 students and staff graced the occasion.

Department in its endeavours to communicate world-wide recent developments in Science publishes a wall magazine ' Science Reports - Up to Date' for our institution.

On the occasion of Teachers' Day our present and recently passed out students paid tribute to their teachers of this organisation at seminar hall, Subarnna Jayanti Bhaban. Through recitations, solo and group songs even a drama they tried to entertain their teachers. The presentation as a whole showcased our students' organisational and cultural abilities, which is commendable.

To commensurate Women's Day the Women Cell under the aegis of Dr. Promita Howli, hold a seat and draw poster competition titled 'Woman of India- who inspires you'. Three of our students participated and Mriganka Kanrar won the second prize

We celebrated 150th birth anniversary of the saint Prabhu Jagatbandhu, after whom our institution is named. As a part of this celebration various intra-college competitions were held in the month of June 2023. Students from our department took part in those competitions. The team from Physics Department comprising of Saikat Hazra, Sudip Baur and Mriganka

Kanrar own the first prize in Quiz competition and Sayan Patra won the second prize in Drawing competition.

Lastly we are proud to announce following specific achievements of our students in various competitive examination of national level. Our graduate student Souptik Pal, presently pursuing M Sc in B.H.U has qualified UGC NET exam Dec,2022. Present student Sudip Dey and Rishik Chatterjee successfully passed CUET Exam 2023 with commendable ranks. Debopriya Ghosh, Anindita Porey and Sudip Dey qualified in Jam 2023 with good rank.

Department of Computer Science

The Computer Science Department of Prabhu Jagatbandhu College has been setting exemplary standards since its inception and is well on course to continue the tradition for years to come through our journey, we have not only sustained the standards of quality education rather up scaled the level of technical know-how taking us to newer heights in the learning curve. Computer Science is one of the fastest-growing streams within the country as well as beyond geographical boundaries. An Undergraduate degree in Computer Science equips you with strong practical and theoretical knowledge of computer software and hardware. This stream encompasses the design and understanding of the computational process and programming languages which are equally divided between theory and practical sessions. At PJC the teachers are serving with sincere dedication to prepare our students for a more significant challenge ahead and to nurture them to build a strong foundation for the next level so that they can even surpass the teachers and become more useful to the society. We welcome students to be the part of Prabhu Jagatbandhu College to experience a new journey for a successful academic career.

Department of Food and Nutrition

The Department of Food and Nutrition started its journey on and from 2017 at Undergraduate level (General) under the affiliation of University of Calcutta. The mission of the department of Food and Nutrition is to train the students so that they can work to improve human health through better nutrition and lifestyle. The department strives to accomplish this goal through the development of nutritional strategies. The department represents humble effort to spread awareness among students regarding their future prospective as it is much needed subject nowadays.

Activity Reports for the Year 2019-20 and 2020-21

February'2019 :

A excursion on 06-02-2019 by the Department Food and Nutrition at 'Acharya Jagadish Chandra Bose Indian Botanic Garden, Howrah' and 'Zoological Garden, Kolkata' was held with all the students of Final Year batches. They got the different types of medicinal plants and food producing plant that is very rare in our country. They see the different types of animal, their character. They enjoyed both the excursion.

June '2019 :

1. Meeting on 03-06-2019 organizing a Training Programme for students in college on the subject –Self employment and Small Scale Entrepreneurships under Anandadhara Scheme, Govt of West Bengal under presence of our respected Principal Dr. Subrata Kumar ray, Dr. Sarada mondal , Professor and HOD in Geography, Mamta Begam, Secretary, raghudevhati, Alor Khoje Mahila Sangha, Jhuma chakraborty, Secretary, Sankrail, Satadal, Bahumukhi Mahila Sangha.
2. A College level seminar on 10-06-2019 on “Waste management ,Recycling and You Role” was arranged by IQAC department of our college and ‘Food and Nutrition’ department. The speaker Prof Dr Sadhan Kumar Ghosh of Jadavpur University very lucidly present the necessity of waste management in our college and he advice the college authority to form a committee special traced on student involvement. Anup Ghosal HOD and faculty of the “Food and Nutrition’ department give a presentation on Waste Mangament process. There was also question and answering session. The programme was very much effective regarding the implication of waste management in our college.

March'2020 :

An educational excursion was held of Dept of “Food and Nutrition” at ‘Science City, Kolkata” and “Indian Museum, Kolkata’. The students of the department visit both place enthusiastically. They collect the information about plants, animals that are present at ‘India Museum’. They visit the ‘Science City’ and astonished to see the application of science and enjoyed the ride.

January'2021 :

A webinar was conducted “How to Read Scientific Literature” by the Dept of Food and Nutrition of Prabhu Jagatbandhu College in collaboration with MANAV, IIESR,Pune on 05-01-2021 for the science students of college. Resource person describe thoroughly how to read the scientific literature and what part to be traced. Anup Ghosal of Food and Nutrition department of Prabhu Jagatbandhu College gave the introductory lecture. The webinar was very much effective and knowledgable one.

May '2021 :

We are going through a tough time as we facing a pandemic situation caused by Corona virus. The whole world is affected by COVID-19 disease. On this regard our department arranges several webinar for being aware regarding the disease on aspect of Nutrition. On 16-05-2021 Food and Nutrition department arranged a webinar titled ‘Fight The Pandemic Naturally’. Dr. Anindita Ray Chakravarti , Prof and HOD of Food and Nutrition Department, Maharani Kasiswari College, Kolkata has given the nice presentation which was full of information regarding prevention and curing the disease COVID-19. Anup Ghosal, HOD and faculty of Food and Nutrition, Prabhu Jagatbandhu College coordinated the programme. The participant students extremely benefitted from this webinar.

June'2021

Another webinar was arranged on 21-06-2021 regarding the International Yoga day and COVID-19 by the Department of "Food and Nutrition", Prabhu Jagatbandhu college. The student presented Yoga, Free hand Exercise, Pranayam online. They took part the event joyfully. The webinar also included a presentation on "Imunoboosting Nutrients and COVID-19", presented by the internationally acclaimed scientist Prof Dr. Debidas Ghosh Professor HOD of Biomedical Laboratory Science Management and Nutrition and Dietetics, Vidyasagar University, Midnapore. Anup Ghosal of Food and Nutrition Department of Prabhu Jagatbandhu College was as a coordinator. The webinar was very informative and beneficial one. The resource person Prof Dr Debidas Ghosh was felicitated by the college and "Letter of Appreciation" was given to him for his dedication to his work as a world renowned scientist.

DEPARTMENT FOOD AND NUTRITION-PROGRAMME ATTENDED BY ANUP GHOSAL

| SI. No. | NAME OF THE PROGRAMME ATTENDED | DATE |
|---------|---|--------------------------------|
| 1. | UGC SPONSORD FACULTY INDUCTION PROGRAMME BY HRDC-JU | 01-0-8-2022 TO 02/09/2022 |
| 2. | PARTCIPATION-CARDIOVASCULAR RESEARCH CONVERGENCE-CSIR-IICB | 25-06-2022 |
| 3. | PARTICIPATION IN MANAGEMENT OF RESPIRATORY SYMPTOPMS IN LONG COVID-BMJ INDIA | 24-02-2022 |
| 4. | ONLINE SHORT-TERM CERTIFICATE COURSE ON? TRANSCRIPTOMICS AND NUCLEIC ACID THERAPEUTICS-ORGANISED BY NATIONAL INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH KOLKATA | 12-09-2022 TO 26-09-2022 |
| 5. | ORAL PRESENTATION IN THE CONFERENCE WITH PAPER ENTITLED ;A STUDY ON THE EFFECTS OF MYCOTOXIN ON KIDNEY HEALTH- ORGANISED BY SVU,BARACKPORE | 19-05-2022 TO 24-05-2022 |
| 6. | PARTICIPATION AT 7 TH ANNUAL SYMPOSIUM ON CELL AND GENE THERAPY-CONDUCTED BY CENTRE FOR STEM CELL RESEARCH-CMC, VELLORE,TN | 01-09-2022 TO 03-09-2022 |
| 7. | PARTICIPATION IN THE TWO DAY ONLINE INTERNATIONAL CONFERENCE ON ? BIOMOLECULE TO BIOME? ORGANISED BY PRESIDENCY UNIVERSITY, KOL | 24-08-2022 TO 25-08-2022 |
| 8. | PARTICIPATION IN ?DIGITAL MODULES OF ONE MONTH INTERNATIONAL WORKSHOP ON PLANT GENOMICS? | 27-08-2022 TO 19-09-2022 |

- | | | |
|-----|--|---------------------------------|
| 9. | PARTICIPATION IN ?TWO DAY INTERNATIONAL E-CONFERENCE IN ADVNCES IN BUSINESS AND MANAGEMENT IN THE VUCA WORLD? ORGANIZE BY KNU | 08-11-2022 TO 09-11-20122 |
| 10. | PARTICIPATION ?BENEFIT RISK ASSESSMENT IN PHARMACOVIGILANCE? ORGANISED BY NIMS | 24-06-2022 |
| 11. | PARTICIPATION IN ?NEP IMPLEMENTATION WITH SPECIAL REFERENCE TO MULTIPLE ENTRY AND EXIT BY UGC-HRDC ?DEVI AHILYA VISHWAVIDYALAYA , INDORE | 24-06-2022 |
| 12. | PARTICIPATION IN ?IND-USA INTERNATIONAL CONFERENCE ON APLPLICATION OF NANOTECHNOLOGY IN BIOLOGY, BIOTECHNOLOGY AND BIOPHARMACEUTICAL(ICNB3) BY UNIVERSITY OF MISSOURI, USA | |
| 13. | PARTICIPATE IN ?ONLINE CERTIFICATE COURSE IN BASICS IN GENOMICS AND PROTEOMICS(BATCH IV) BY CGHIB, UKA TARSODIA UNIVERSITY, INDIA | 02-08-2022 to 13-08-2022 |

CREDENTIALS : FOOD AND NUTRITION :

1. SACT I- ANUP GHOSAL MSc, UGC NET, PhD (Pursuing)
2. GL-SUJATA BHOWMICK GANGULY MSc, UGC NET, PhD(Pursuing)
3. GI-BARNALI SAHA- MSc
4. GL-SHREYA RUDRA -MSc

Department of Zoology

This department has been established in the year 2017. Zoology is the study of Animal Biology in all its aspects, from cells to population and from neurons to behaviour. The department aims to provide three year General Degree Course in Zoology. It will also train students in a wide range of science based skills that provide the learning base for future careers in disciplines such as health sciences, agriculture, environmental management etc.

About the Department: -

The teaching of the subject (Zoology) at under graduate level (general) began in this college in 2017 under the affiliation of the university of Calcutta. Initially it was started with about 25 students.

Departmental activities: 2020-21

EDUCATIONAL TOUR

- Departmental educational tour at **Indian Museum and Science city** on 12 th March 2020 in collaboration with dept. of Botany and dept. of Food and Nutrition

OTHER ACTIVITIES

- Teachers' day celebration on the occasion of birthday of pandit Dr. Sarvapalli Radhakrishnan.
- Regular participation in annual sports and NSS.

Webinar

1. Precision medicine and cancer Management.
 - Speaker: Riti Roy
 - Date: on 8 th July 2020
2. Immunoboosting Nutrients and COVID-19. (On the occasion of International Yoga Day celebration)
 - Speaker:-Prof.(Dr.) Debidas Ghosh
 - Date:-21st June 2021

Department of Electronics

The department of Electronic Science is among some of the newly established departments of the college. While the college was established in 1965 the department came into existence in the year 2003. The department offers B Sc General in Electronics. The department has highly qualified, motivated, and dedicated faculty members specialized in network and data security , microprocessor, and microwave electronics. The faculty members are involved in

research in the latest and upcoming technologies. In short span the department has been able to generate interest and has made the students curious about the subject of electronics.

The department caters to the students who opt electronics as one of their general subjects and to the students of Computer Science who has electronics as their main subject.

The department offers excellent learning and experimental facilities for inquisitive minds of the students. The faculty members are always ready to help beyond the classroom hours on electronic projects that students take up as their hobby or amateur passion. The electronics lab is well equipped with required kits, components and instruments to conduct proper laboratory classes for the students. The departmental library is run for electronics general and computer science honours students. The students are helped and guided in various open source software's which are available for electronics related subjects. The key strength of the department is the encouragement students are given to go beyond the curriculum and learn skills that help them stand in good stead in their future careers.

Department of Botany

The department of botany was set up in 2008. This dept. was started with about 20 students in general degree course. Botany is the branch of science that deals with plants. This also includes distribution of plants throughout the world, plants succession, their morphological, anatomical, physiological and genetic behaviour. Paleobotany and palenology deals with fossilized plant parts and pollen grains. Genetics is an important branch of botany.

The Students of Botany Department Celebrted the Teacher's Day on 5th September, 2019 with a homage to Pandit Sarbopally Radhakrishnan. The classroom was well decorated. Our teachers Prof. S. Chakraborty and Prof. S. Banerjee delivered lectures on the relevance of Radhakrishnan's life and works today. The celebration ended with a cultural programme by the students.

On 12th March, 2020, the students of Botany, Zoology and Food and Nutrition along with the teachers and non-teaching staff organised an academic tour to Indian Museum and Science City with few minutes break to Indian Botanical Garden.

First of all we visited Indian museum where the students got delighted to see the different Zoological and Botanical Samples and Skeletons etc. within a stipulated time. Thereafter we moved on to Science City where the students were happy to see the different statues, scientific models, Dianosauras, flowers, garden etc. We returned college with happy memories of the whole day. The Department organised webinar on 'Precision Medicine and Cancer Management on 8th July, 2020. The speaker was Riti Roy.

Department of Physical Education

The Department of Physical Education was established in 2002. The departmental library has a collection of lmost 200 books. One computer is available with internet facility. Rigorous physical training together with a variety of outdoor games spell a lively set of students in a department with a most enjoyable atmosphere. To make students learn their lesson more lucidry, the department have a smart theory class room with audio vial aids and power point presentation technique. This year a batch of 30 students took in trekking from

Manebhanjan to Sandakphu to energize them towards adventures sports and keep them fit and healthy.

Session 2019-20 and 2020-21

1. **Name of the Department: CHEMISTRY**

2. **Name of the Professor**

- Dr. Kakoli Banerjee (Associate Prof.)
- Dr. SantarupaThakurta (Assistant Prof.)
- Dr. Sipra Roy (SACT)
- Dr. JishaHazra (SACT)
- Dr. RajibSarkar (SACT)
- Prof. Arpita Manna (SACT)

3. **Seminars/workshops organized :**

Webinar on

“A Journey Through Covid-19: From Detection To Real Life Management”

13th August, 2020

Organized jointly by

Department of Chemistry, Prabhu Jagatbandhu College,Howrah &
Department of Chemistry, Ananda Mohan College,Kolkata

Speakers :

Dr. Souvik Maiti

Scientist, IGIB(CSIR), NCL, Pune

Delivered talk on

“Detection of a new low-cost paper strip test for Covid-19, FELUDA
(Fncas9 Editor Linked Uniform Detection Assay)”

Dr. Kakoli Banerjee

Associate Professor Department of Chemistry,
PrabhuJagatbandhu College

Delivered talk on

“A Journey Through Covid-19 : A personal encounter”

Dr. Aditi Bandopadhyay

Medical Faculty, Department of Physiology,
IPGMER- SSKM Hospital, West Bengal University of Health Sciences

Delivered talk on “Stress Management during Covid times”

4. **The social moves**

Active participation in all the events organized by college

5. **Concerning health and hygiene**

Active participation in all the events organized by college

6. Academic Endeavours

- Bridge course organized for first semester students through an examination and subsequent classes
- As a part of the ongoing Faculty Exchange Program with Basanti Devi College and Ananda Mohan College, classes have been organized on a regular basis for the Honors students
- Interdisciplinary interactions : faculty members from other departments of our college take classes for some special papers of Honours
- Detailed study materials and question bank related to each module are provided to students
- Preparing students for competitive examinations :BikramGhosh,student of CEMA 6th semester has qualified for JAM, 2021 (all India rank 364).
- ICT based teaching using Whats App, Google classroom, Google meet, Youtube link
- A good stock of text and reference books in the departmental library

7. Remarkable events of the year

2019

Academic Tour: 10 students of 3rd Semester of Chemistry Honours attended “A Workshop-based School on Know Your Elements, (KYE-2019)” followed by a Laboratory visit at Saha Institute of Nuclear Physics, Kolkata on August 5, 2019.

2020

A student centric programme based on “Scientific Innovations over the Past Decade” was organized by the Department in the virtual mode on May 15, 2021. Students were encouraged to present a talk on the topic and they were judged by external panelists from other universities. This was an attempt to groom them in future academic activities which will encompass public speaking, deliberations on research topics and learning tools like power point presentations. Students from other colleges also participated and there was an overwhelming participation on this activity.

8. Departmental Activities

- Continuous assessment of students through class tests
- Faculty meetings are arranged on a regular basis for settlement of issues like distribution of syllabus, examination modalities, evaluation process etc.
- Parent-teacher meeting (virtual meetings during pandemic)
- Participation of syllabus workshops organized by CUBOS to remain updated on the new CBCS curriculum
- The faculty members are involved in research activities :

Ongoing projects :

Efficiency evaluation of natural biosorbents in the removal of toxic metals and anions in industrial and agricultural wastewater

PI : Dr. Kakoli Banerjee

Sanctioning authority : Science and Technology and Biotechnology Department,
Dt. 14/2/202 Government of West Bengal. Total Project cost Rupees Four Lakh forty
five thousand for 3 years

Sanction No. 1853 (Sanc.)/ ST/P/S&T/ 15G-4/2019

- Setup of new laboratory for the newly introduced Chemistry Honours since 2018
- Recruitment of Non-teaching staffs
- Purchase of Chemicals, glass goods and instruments as per the requirement of the course
- Maintaining purchase records and stock registers

9. Extra-curricular events

Students are guided by the Faculty to prepare wall magazines, posters etc. and are encouraged to participate in quiz, debates

10. List of Publications

DEPARTMENTAL ACTIVITIES FROM JULY 2021- 2022

Farewell to our first batch of honours students (admission year 2018-19), August 2021

Practical classes conducted in newly built state-of-art laboratories, November 2021

Theoretical classes taken in smart classrooms using power point as teaching tools, April 2022

Academic tour to Birla Industrial and Technological Museum, June 2022

New academic achievement by faculty members

- â Dr. Kakoli Banerjee awarded DST BT project, GoWB (ongoing)
- â Dr. Kakoli Banerjee awarded CRS project from UGC-DAE in March 2022
- â Prof. Arpita Manna awarded SET in April 2022

Names of freshly recruited visiting Faculty

- (1) Dr. Subhajit Mandal, Ph.D, NET, GATE, Visiting scholar at Muenster, Germany
Prof. Satyaki Bhanja, M.Sc, Certificate course in ITA

Department of Commerce

The Department of Commerce was established in 1966. The Honours stream was introduced in 1969. It has a library with 173 books and 5 computers. Internet facility is available. The department holds an annual social programme with active participation even from the alumni. This department also holds a special place of pride in the college for the maximum number of students who graduate with 1st Class Honours

Departmental Activities

- The Department organizes Career Counselling Programme on regular basis in collaboration with different institution like The Institute of Cost and Works Accountants of India and different management Institutions.

- The Department organized UGC sponsored National Level Seminar in collaboration with the The Institute of Cost and Works Accountants.
- The Department organized departmental tour to 'Enterprise Development Institution' Salt Lake on 5th April, 2019. The Institution arranged for a seminar and an interactive session with the students which helped the students to get idea about how to start a business and become an entrepreneur in future.
- As per MOU with Deshbandhu College For Girls, Kolkata, a Faculty exchange programme is scheduled to be held on 24th and 27th April, 2019 in our department.
- A seminar cum workshop organized in collaboration with Bombay Stock Exchange on 13th February 2019.

The department has successfully organized one WEBINAR entitled “Business Economic Environment in post COVID scenario in collaboration with Department of Commerce of Chittaranjan College, Kolkata on 12.08.2020. Renowned economist Professor Mahalaya Chatterjee of University of Calcutta acted as a resource person. It was a gran success with active participation of academicians from all over the State. Besides in 2020 the department celebrated the birth day of Rabindra Nath Tagore with all the students and faculty members of the department.

Department of Geography

Beginning of the Journey :

The Department of Geography has received the sanction of the University of Calcutta and the Higher Education Council, Government of West Bengal to introduce both Honours and General undergraduate course of studies in 1995.

Since its inception in 1996 the department has maintained an uninterrupted good record both in honours and general courses.

Vision of the Department :

The department seeks to create and maintain a challenging and intellectually vital geographic learning community in mapping science, global system analysis and urban and regional planning.

Departmental Infrastructure :

Every classroom for UG and PG students has been transformed into smart class room with green ceramic boards, LCD projector, Laptop, tracing tables and adequate desks, chairs and benches. Classrooms are airy and full of adequate light. All the classrooms are under CC TV surveillance. Classrooms and laboratories have internet and WiFi facility.

Introduction of Post Graduate Course since 2015 :

The Department has been allowed by the University of Calcutta to introduce Post Graduate course of studies in Geography on self-financing basis as per letter no. 1334, dated 25.08.2015 on and from session **2015-16**. Now the Department is delighted to be able to offer a Four Semester-Regular M. Sc Degree to its students under CU.

Department of Geography: Journey with Commitment

| Year | Event |
|-------------|---|
| 1996 | Opening of the UG Section with Geography Honours and General Course |
| 1999 | Sanction of Full time posts of teachers and non teaching staff |
| 2005 | Establishment of GIS Laboratory |
| 2015 | Opening of PG Course in Geography (Regular, self financing, affiliated to University of Calcutta) |

| Associate Professor | Assistant Professor | SACT | Guest lecturer |

F. 1-9/2003 (CPP-I)

July, 2004

The Principal,
Prabhu Jagatbandhu College,
Jhorehat, P.O.: Andul-Mouri.
Howrah-711 302.

22 JUL 2004

Sub:- Certificate of Registration under Section 2 (f) & 12 (B) of the UGC Act, 1956.

Sir,

With reference to your letter No. PJC/61/04 dated 25.06.2004 I am directed to say that the name of Prabhu Jagatbandhu College, Jhorehat, Howrah is included in the list of Colleges maintained under Section 2 (f) of the UGC Act, 1956 under the head Non-Government Colleges teaching upto Bachelor's Degree. The College is also eligible to receive Central assistance under Section 12 (B) of UGC Act.

Yours faithfully,

(Prem Chand)
Section Officer

UNIVERSITY OF CALCUTTA

Notification No. CSR/43/2023

It is notified for information of all concerned that the Syndicate in its meeting held on 12.12.2023 approved & subsequently confirmed on 13.12.2023 (Item No.02) the Examination Regulations for semester wise Three-year B.A./B.Sc. (Multidisciplinary Courses of Studies, under Curriculum & Credit Framework, 2022), under this University, as laid down in the accompanying pamphlet.

The above shall be effective from the session 2023 -2024 and onwards.

SENATE HOUSE
KOLKATA-700 073
18.12.2023

18¹²/₂₀₂₃
Prof.(Dr.) Debasis Das

Registrar

Regulations relating to Examinations for the semester wise Three-Year B.A./ B.Sc. (Multi Disciplinary Courses under CCF, 2022) Courses of Studies conducted by the University of Calcutta

1) The Three-year B.A. /B.Sc. (MDC) Course of Studies under CCF, 2022 shall consist of Six (6) Semesters (Semester-I, Semester-II, Semester-III, Semester-IV, Semester-V and Semester-VI) with exit options after 2nd & 4th Semesters.

2) Semester End Examinations are to be held ordinarily at the end of the concerned Semester, i.e., Semester-I, Semester-III, Semester-V, in **December-January** and Semester-II, Semester-IV, Semester-VI, in **June-July**.

3) Requisite Attendance:

(i) A Student attending at least 75% of the total number of classes* held shall be allowed to appear at the concerned Semester End Examination subject to fulfilment of other conditions laid down in the regulations.

(ii) A Student attending at least 60% but less than 75% of the total number of classes* held shall be allowed to appear at the concerned Semester End Examinations subject to the payment of prescribed condonation fees and fulfillment of other conditions laid down in the regulations.

(iii) A Student attending less than 60% of the total number of classes* held shall not be allowed to appear at the concerned Semester End Examinations.

*Such attendance will be calculated from the date of commencement of classes or the date of admission, whichever is later.

Calculation of attendance percentage shall include all the courses offered in the concerned semester.

4) Duration of Theoretical Examinations.

| Full Marks | | Duration |
|----------------|----------------|----------|
| Non MCQ | MCQ | |
| ≤ 25 | ≤ 50 | 1 hour |
| > 25 but ≤ 50 | > 50 but ≤ 100 | 2 hours |
| > 50 but ≤ 75 | ----- | 3 hours |
| > 75 but ≤ 100 | ----- | 4 hours |

Note :- Duration of the Practical examinations shall be determined by the concerned U.G. Board of Studies duly approved by the appropriate authorities.

5) a) The Semester End examinations shall comprise of the examinations in Core papers & Minor papers and the said examinations shall be held at away centers for the Theoretical examinations. Practical part & Tutorial part, will be held at the home centers. These examinations will be called Semester End examinations.

b) (i) The examinations in **SEC, IDC, AEC, CVAC** shall be held at home centers before the commencement of Semester End examination.

(ii) In respect of **AEC** & the **compulsory CVAC**, the examinations shall be held at the home centers and the setting of question papers & scheduling of examination shall be done by the University and the answer scripts will be evaluated by the teachers of the respective colleges.

(iii) In respect of **SEC, IDC** & the optional CVAC (4th CVAC to be offered at the 2nd semester), the examinations shall be held at the home centers & the colleges will arrange for setting of question papers, scheduling of examinations and the answer scripts shall be evaluated by the teachers of the concerned colleges.

(iv) The Controller of examinations shall fix the dates of submission of marks for SEC, IDC, AEC & CVAC. Ordinarily, the process of marks submission by the colleges to the University shall be completed before the commencement of Semester End examinations.

(v) In case, a student who does not enroll or is not eligible for the Semester End examination, marks obtained by the candidate in SEC, IDC, AEC, CVAC of the said Semester shall not be retained in the credit of the student.

6) Medium of Answer

For examinations in subjects other than those are language-based candidates shall have the option of writing their answers in either Bengali or English unless instructed otherwise in respective question paper(s). For examinations in AECs (i.e., Bengali, Hindi, Urdu, Compulsory English & Alt. English) candidates shall have to write their answers in the respective language only.

7) An Examination shall be held always under the current syllabus

8) First semester classes for B.A. /B.Sc. courses of studies shall commence ordinarily within thirty days from the date of publication of results of the H.S. Examination of the year conducted by the West Bengal Council of Higher Secondary Education. Classes for second semester to sixth semester shall commence ordinarily within seven days from the date of completion of lower Semester End examination of the year respectively (e.g. class of 2nd semester shall commence within seven days from the completion of 1st semester examination).

9) An affiliated College/Institution shall submit application forms in prescribed format duly filled in by the candidates intending to appear at the said Semester End examination(s) to the Controller of Examinations within the last date fixed by the University.

Admit Card for an examination shall not be issued to the college concerned in favour of a candidate unless his/her application is duly filled-up in all respects and particularly in regard to:

i) Date of admission to the first semester class with subject combination, ii) year of first

appearance in the examination of the semester concerned and iii) year(s) of appearance (s) in the semester-I/semester-II/ and semester -III / semester-IV/ semester - V/ semester-VI Examinations as the case may be together with the results thereof and such other information as may be required by the University from time to time and duly endorsed by the Principal testifying his/her a) good conduct,

b) requisite attendance record in theoretical and practical/tutorial classes in each of the subjects in which he/she intends to appear and c) eligibility under this regulations for appearance at the concerned examination and in the said subject(s).

10) Qualifying Marks, SGPA & CGPA

(i) In order to earn the corresponding credit of any paper, a candidate has to secure 30% marks separately in Theory & Practical/Tutorial component of the said paper, whichever is applicable.

(ii) **SGPA** : Semester Grade point Average (SGPA) shall be calculated provided a candidate secures qualifying marks in all the papers of the concerned Semester. For a candidate failing to obtain qualifying marks in one or more paper the SGPA will be shown as “NA (Not Applicable)”.

(iii) **CGPA** : The Cumulative Grade Point Average (CGPA) shall be calculated on the basis of the SGPAs of all the Semesters. Ordinarily the CGPA will be calculated after the 6th Semester. For candidates seeking exit after the 2nd /4th Semester, CGPA will be calculated accordingly, provided the candidates completed a 3 credit internship.

In order to get CGPA a candidate shall have to clear all the Semesters up to that level, provided the candidate completes a 3 credit internship. For a candidate with ‘NA’ shown against SGPA in one or more semesters, CGPA shall be shown as ‘NA’.

11) If a candidate secures qualifying marks in all the papers of all the six semester examinations and secures a minimum of CGPA 3.0, the candidate will get a Three year B.A./B.Sc. degree as the case may be, provided the candidate also completes a 3 credit internship .

12) (i) A candidate who is eligible to appear at any of the Semester End Examinations, does not enroll or does not appear at the examinations or fails to secure qualifying marks in one or more paper(s) at the concerned examinations, as well as a candidate not eligible to appear at the Semester End examination, will be allowed to attend the classes in the next higher semester, as applicable and may appear at the said higher Semester End examination provided the candidate is otherwise eligible.

(ii) A candidate who fails to secure qualifying marks in one or more papers of a semester may appear in those paper(s) when the concerned Semester Examinations will be held next along with the higher semester examinations, if otherwise eligible.

Explanation :-

Candidates not eligible/ not enrolling for an **odd Semester End** examination will be eligible to join the next successive **even semester classes** and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to join and enroll the **odd semester class** and will appear at the corresponding odd Semester End examination

(for which they were previously not eligible or not enrolled) before joining the next higher odd semester classes.

Similarly, Candidates not eligible/ not enrolling for an **even Semester End** examination will be eligible to join the next successive **odd semester** classes and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to join and enroll the **even semester** class and will appear at the corresponding **even Semester End** examination (for which they were previously not eligible or not enrolled) before joining the next higher odd semester classes.

13) If a candidate secures qualifying marks in Practical Paper(s)/ Project Work/Tutorial but fails to secure qualifying marks in Theoretical paper(s), the marks of Practical Paper(s)/ Project Work/ Tutorial shall be retained.

Similarly , If a candidate secures qualifying marks in Theoretical papers but fails to secure qualifying marks in Practical Paper(s)/ Project Work/ Tutorial , the marks of Theoretical papers shall be retained.

14) Cancellation of Examination

Candidate may apply through the Principal for cancellation of enrollment of the concerned Semester End examination within fifteen working days from the date of completion of theory papers of the said examinations. Such option for cancellation of examination once exercised cannot be revoked.

15) Grace Marks

A candidate who fails to obtain qualifying mark in any paper(s)/ component of paper(s) in any Semester End examination for shortage of one mark shall be awarded one grace mark in such paper(s)/component of paper(s). Grace marks will be shown in the mark sheet.

16) Re-examination/Review

i) Re-Examination/review is applicable only for non MCQ Theoretical papers/Theoretical component of paper(s) of the Semester End examination. Reexamination/review is not permissible for SEC, IDC, AEC, CVAC and Practical & Tutorial Examinations and Project Work.

ii) A candidate will be eligible to apply for review for answer scripts if he/she appears at the concerned Semester End examination as a whole.

iii) A candidate shall be allowed to apply for re-examination/ review of not more than 2(two) Theoretical papers/ component of papers in each Semester End i.e. **Core, Minor** taken together, provided that he/she has scored qualifying marks, i.e., 30% in the remaining papers of that Semester.

Marks awarded on re-examination will be taken as the marks obtained by the candidate in that paper, provided, however, if on re-examination the marks get enhanced by more than 15% or get reduced by more than 5% compared to the marks obtained by the candidate previously (percentage will be calculated on the basis of the full marks of the theoretical component of that paper) the script of the said paper will be referred to the third examiner. Among the marks awarded by three examiners, i.e., original examiner, second examiner (re-

examiner) and the third examiner, the average of the two closer marks obtained will be awarded. Revised marks will be given effect, provided it does not lead to lowering of Letter Grade.

(17) Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

A 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below.

| Percentage of Marks | Grades | Numerical Grade Points |
|---------------------|--------|------------------------|
| ≥ 90% to 100% | A+ + | 9.0-10 |
| ≥ 80% but < 90% | A+ | 8.0-8.9 |
| ≥ 70% but < 80% | A | 7.0-7.9 |
| ≥ 60% but < 70% | B + | 6.0-6.9 |
| ≥ 50% but < 60% | B | 5.0-5.9 |
| ≥ 40% but < 50% | C + | 4.0-4.9 |
| ≥ 30% but < 40% | C | 3.0-3.9 |
| < 30% | F | 0 |
| Absent | Ab | 0 |

- i) Numerical Grade Point shall not be calculated in respect of a failed paper
- ii) The multiplicative factors shall be 0.10 for all Grades for the purpose of calculating numerical Grade Point.

Example :

If the student secures P%, where $P \geq 30$ his/her grade point will be $[3.0 + \{(P - 30) \times 0.1\}]$ or simply $30 \times 0.10 = 3$

If a student scores 52% in a particular paper, his/her grade point for the paper will be $(3.00 + 0.1 \times 22) = 5.20$ or simply, $52 \times 0.10 = 5.2$

18) (a) Semester Grade Point Average (SGPA)

The Semester Grade Point Average (SGPA) will be the weighted average of the numerical grade points obtained in all the papers of the given semester, where Weights refer to the Credits assigned to the concerned papers. If the Numerical Grade Points obtained by a student in different papers of a Semester are denoted by P_i and the credit of the corresponding papers are denoted by C_i , the SGPA will be $[\sum(P_i \times C_i) / \sum C_i]$ where $i=1$ to n , and $n=$ no. of papers in the Semester. The SGPA shall be shown in the mark sheet up to the third decimal point.

18)(b) Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) over six semesters shall be the weighted average of the six SGPA's.

$CGPA = (\sum(SGPA_j \times C_j) / \sum C_j)$ where $j = 1$ to 6 . CGPA shall be calculated and shown up to three decimal places. SGPA_j is the SGPA of the j^{th} Semester ($j=1$ to 6) and C_j is the total credit of j^{th} Semester used for Grade Point Calculation.

The grade of the candidate on the basis of CGPA will be as follows:

| CGPA | Letter Grade | Remarks |
|--------------|--------------|--------------|
| 9.000-10.000 | A+ + | Outstanding |
| 8.000-8.999 | A+ | Excellent |
| 7.000-7.999 | A | Very Good |
| 6.000-6.999 | B + | Good |
| 5.000-5.999 | B | Average |
| 4.000-4.999 | C + | Fair |
| 3.000-3.999 | C | Satisfactory |
| 0.000-2.999 | F | Fail |

Both SGPA and CGPA will be rounded off to the third place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each paper /module as well as the SGPA, the total marks obtained in that semester and the credit earned in the semester concerned. The final grade sheet, shall include the SGPA of 2/4/6 semesters, as applicable CGPA, Letter Grade, the marks obtained, total marks and the total credits earned.

19) Degree

i) A candidate clearing all the papers of the 1st and 2nd semesters and also completing a 3 credit Internship and exiting the course at the end of the 1st year shall get a certificate of 45 credits.

ii) A candidate clearing all the papers of the 1st, 2nd, 3rd & 4th semesters and also completing a 3 credit Internship and exiting the course at the end of the 2nd year shall get a Diploma of 88 credits.

iii) A candidate clearing all the papers of the 1st to 6th semesters and also completing a 3 credit Internship, obtaining a minimum CGPA of 3.00 and exiting the course at the end of the 3rd year shall get a 3-year B.A./B.Sc. degree, as the case may be.

iv) A candidate, after successful completion of a Three-year degree course B.A. /B.Sc. shall not be entitled to seek admission to B.A./B.Sc./ B.Com. courses of this University.

UNIVERSITY OF CALCUTTA

Notification No. CSR/44/2023

It is notified for information of all concerned that the Syndicate in its meeting held on 12.12.2023 approved & subsequently confirmed on 13.12.2023 (Item No.02) the Examination Regulations for semester wise Four-year B.A./B.Sc./B.Com. (Honours with a Core Vocational Subject) Courses of studies (under Curriculum & Credit Framework, 2022), under this University, as laid down in the accompanying pamphlet.

The above shall be effective from the session 2023 -2024 and onwards.

Registrar

Regulations relating to Examinations for the semester wise Four-Year B.A./B.Sc./B.Com. (Honours with a core vocational subject under CCF, 2022) Courses of Studies conducted by the University of Calcutta

1) The 4-year B.A. / B.Sc./ B.Com. (Honours with a Core Vocational subject) Course of Studies under CCF, 2022 shall consist of Eight (8) Semesters (Semester-I, Semester-II, Semester-III, Semester-IV, Semester-V and Semester-VI, Semester-VII, Semester-VIII) with exit options after 2nd, 4th & 6th Semesters.

2) Semester End Examinations are to be held ordinarily at the end of the concerned Semester, i.e., Semester-I, Semester-III, Semester-V, Semester-VII in **December-January** and Semester-II, Semester-IV, Semester-VI, Semester-VIII in **June-July**.

3) Requisite Attendance:

(i) A Student attending at least 75% of the total number of classes* held shall be allowed to appear at the concerned Semester End Examination subject to fulfilment of other conditions laid down in the regulations.

(ii) A Student attending at least 60% but less than 75% of the total number of classes* held shall be allowed to appear at the concerned Semester End Examinations subject to the payment of prescribed condonation fees and fulfilment of other conditions laid down in the regulations.

(iii) A Student attending less than 60% of the total number of classes* held shall not be allowed to appear at the concerned Semester End Examinations.

*Such attendance will be calculated from the date of commencement of classes or the date of admission, whichever is later.

Calculation of attendance percentage shall include all the courses offered in the concerned semester.

4) Duration of Theoretical Examinations

| Full Marks | | Duration |
|----------------|----------------|----------|
| Non MCQ | MCQ | |
| ≤ 25 | ≤ 50 | 1 hour |
| > 25 but ≤ 50 | > 50 but ≤ 100 | 2 hours |
| > 50 but ≤ 75 | ----- | 3 hours |
| > 75 but ≤ 100 | ----- | 4 hours |

Note :- Duration of the Practical examinations shall be determined by the concerned U.G. Board of Studies duly approved by the appropriate authorities.

5) (a) The Semester End examinations shall comprise of the examinations in Core vocational papers, Minor papers & SEC papers and the said examinations shall be held at away centers for the Theoretical examinations. Practical examinations for Core Vocational papers and SEC papers will be held at away centers and Practical examinations for Minor papers will be held at home centers. Tutorial part, if any will be held at the home centers. These examinations will be called Semester End examinations.

(b) (i) The examinations in **IDC, AEC, CVAC** shall be held at home centers before the commencement of Semester End examination.

(ii) In respect of AEC & the **compulsory CVAC**, the examinations shall be held at the home centers and the setting of question papers & scheduling of examination shall be done by the University and the answer scripts shall be evaluated by the teachers of the respective colleges.

(iii) In respect of **IDC & the optional CVAC (4th CVAC to be offered at the 2nd**

semester), the examination shall be held at the home centers & the colleges will arrange for setting of question papers, scheduling of examinations and the answer scripts shall be evaluated by the teachers of the concerned colleges.

(iv) The Controller of examinations shall fix the dates of submission of marks for IDC, AEC & CVAC. Ordinarily, the process of marks submission by the Colleges to the University shall be completed before the commencement of Semester End examination.

(v) In case, a student who does not enroll or is not eligible for the Semester End examination marks obtained by the candidate in IDC, AEC, CVAC of the said Semester shall not be retained in the credit of the student.

6) Medium of Answer

For examinations in subjects other than those are language-based candidates shall have the option of writing their answers in either Bengali or English unless instructed otherwise in respective question paper(s).

For examinations in AECs (i.e., Bengali, Hindi, Urdu, Compulsory English & Alt. English) candidates shall have to write their answers in the respective language only.

7) An Examination shall be held always under the current syllabus.

8) First semester classes for B.A. /B.Sc. courses of studies shall commence ordinarily within thirty days from the date of publication of results of the H.S. Examination of the year conducted by the West Bengal Council of Higher Secondary Education. Classes for second semester to eighth semester shall commence ordinarily within seven days from the date of completion of lower Semester End examination of the year respectively (e.g. class of 2nd semester shall commence within seven days from the completion of 1st semester examination).

9) An affiliated College/Institution shall submit application forms in prescribed format duly filled in by the candidates intending to appear at the said Semester End examination(s) to the Controller of Examinations within the last date fixed by the University.

Admit Card for an examination shall not be issued to the college concerned in favour of a candidate unless his/her application is duly filled-up in all respects and particularly in regard to :

i) Date of admission to the first semester class with subject combination, ii) year of first appearance in the examination of the semester concerned and iii) year(s) of appearance (s) in the semester-I/semester-II/ and semester -III/ semester-IV/ semester - V/ semester-VI/semester-VII/ semester-VIII Examinations as the case may be together with the results thereof and such other information as may be required by the University from time to time and duly endorsed by the Principal testifying his/her a) good conduct, b) requisite attendance record in theoretical and practical/tutorial classes in each of the subjects in which he/she intends to appear and c) eligibility under this regulations for appearance at the concerned examination and in the said subject(s).

10) Qualifying Marks, SGPA & CGPA

(i) In order to earn the corresponding credit of any paper, a candidate has to secure 30% marks separately in Theory & Practical/Tutorial component of the said paper, whichever is applicable.

(ii) **SGPA** : Semester Grade point Average (SGPA) shall be calculated provided a candidate secures qualifying marks in all the papers of the concerned Semester. For a candidate failing to obtain qualifying marks in one or more paper the SGPA shall be shown as “NA (Not Applicable)”.

(iii) **CGPA** : The Cumulative Grade Point Average (CGPA) shall be calculated on the basis of the SGPA's of all the Semesters. Ordinarily the CGPA will be calculated after the 6th Semester & after the 8th Semester. For candidates seeking exit after the 2nd /4th Semester, CGPA will be calculated accordingly, provided the candidate completed a 3 credit internship. In order to get CGPA a candidate shall have to clear all the Semesters up to that level. For a candidate with 'NA' shown against SGPA in one or more semesters, CGPA shall be shown as 'NA'.

11) (i) Candidates securing 30% marks in all the papers of first six semesters and also securing a minimum CGPA 4.00 shall be eligible to continue the 7th semester classes.

(ii) If a candidate secures qualifying marks in all the papers of the first six semester examinations and secure a minimum of CGPA 4.000, will get a Three-year **B.A./B.Sc./B.Com. (Honours with a core Vocational subject) degree** as the case may be, provided the candidate also completes a 3 credit internship.

However, such candidates failing to secure CGPA 4.0 may re-appear at the 5th or 6th Semester End Examinations or both, at the immediate next available chances within the stipulated period of time to obtain a minimum CGPA of 4.00.

Explanation: Completion of internship shall mean undertaking of the internship and securing qualifying marks at the evaluation of internship.

12) (i) Candidates eligible to continue the 7th & 8th semester classes & securing 30% marks in all the papers/ dissertation of 7th & 8th semester but failing to obtain CGPA 4.00 after 8th semester will be awarded 3-year B.A./B.Sc/B.Com. (Honours with a Core Vocational

Subject) degree on the basis of the marks obtained up to 6th semester. However, such candidates may reappear at the 7th/8th semester or both, in immediate next available chances (only one chance for each semester) within stipulated period of time to obtain a minimum CGPA of 4.00, failing which previous status shall be retained.

(ii) Candidates pursuing 7th & 8th semester classes securing 30% marks in all the papers/ dissertation of 7th/8th semester & securing minimum CGPA 4.00 after 8th semester, will be awarded 4-year B.A./B.Sc/B.Com. (Honours with a Core Vocational Subject) degree, as the case may be.

13) (i) A candidate who is eligible to appear at any of the Semester End Examinations, does not enroll or does not appear at the examinations or fails to secure qualifying marks in one or more paper(s) at the concerned examinations, as well as a candidate not eligible to appear at the Semester End examination, will be allowed to attend the classes in the next higher semester, as applicable and may appear at the said higher Semester End examination provided the candidate is otherwise eligible.

(ii) A candidate who fails to secure qualifying marks in one or more papers of a semester may appear in those paper(s) when the concerned Semester Examinations will be held next along with the higher semester examination, if otherwise eligible.

Explanation :-

Candidates not eligible/ not enrolling for an **odd Semester End** examination will be eligible to join the next successive **even semester classes** and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to join and enroll the **odd semester class** and will appear at the corresponding odd Semester End examination (for which they were previously not eligible or not enrolled) before joining the next higher odd semester classes excluding semester 7th and 8th.

Similarly, Candidates not eligible/ not enrolling for an **even Semester End** examination will be eligible to join the next successive **odd semester** classes and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to join and enroll the even semester class and will appear at the corresponding **even Semester End** examination (for which they were previously not eligible or not enrolled) before joining the next higher odd semester classes excluding semester 7th and 8th.

14) If a candidate secures qualifying marks in Practical Paper(s)/ Project Work/ Tutorial but fails to secure qualifying marks in Theoretical paper(s), the marks of Practical Paper(s)/ Project Work/ Tutorial shall be retained.

Similarly , If a candidate secures qualifying marks in Theoretical papers but fails to secure qualifying marks in Practical Paper(s)/ Project Work/ Tutorial , the marks of Theoretical papers shall be retained.

15) Cancellation of Examination

Candidate may apply through the Principal for cancellation of enrollment of the concerned Semester End examination within fifteen working days from the date of completion of theory papers of the said examinations. Such option for cancellation of examination once exercised cannot be revoked.

16) Grace Marks

A candidate who fails to obtain qualifying mark in any paper(s)/ component of paper(s) in any Semester End examination for shortage of one mark shall be awarded one grace mark in such paper(s)/component of paper(s). Grace mark shall be shown in the mark sheet

17) Re-examination/Review

i) Re-Examination/review is applicable only for non MCQ Theoretical papers/Theoretical component of paper(s) of Semester End examination. Reexamination/review is not permissible for IDC, AEC, CVAC and Practical & Tutorial Examinations and Project Work.

ii) A candidate will be eligible to apply for review for answer scripts if he/she appears at the concerned Semester End examination as a whole.

iii) A candidate shall be allowed to apply for re-examination/ review of not more than 2(two) Theoretical papers/ component of papers in each Semester End i.e. **Core Vocational, Minor and SEC** taken together, provided that he/she has scored qualifying marks, i.e., 30% in the remaining papers of that Semester End examination.

Marks awarded on re-examination will be taken as the marks obtained by the candidate in that paper, provided, however, if on re-examination the marks get enhanced by more than 15% or get reduced by more than 5% compared to the marks obtained by the candidate previously (percentage will be calculated on the basis of the full marks of the theoretical component of that paper) the script of the said paper will be referred to the third examiner. Among the marks awarded by three examiners, i.e., original examiner, second examiner (re-examiner) and the third examiner, the average of the two closer marks obtained will be awarded. Revised marks will be given effect, provided it does not lead to lowering of Letter Grade.

(18) Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

A 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below.

| Percentage of Marks | Grades | Numerical Grade Points |
|---------------------|--------|------------------------|
| ≥ 90% to 100% | A+ + | 9.0-10 |
| ≥ 80% but < 90% | A+ | 8.0-8.9 |
| ≥ 70% but < 80% | A | 7.0-7.9 |
| ≥ 60% but < 70% | B + | 6.0-6.9 |
| ≥ 50% but < 60% | B | 5.0-5.9 |
| ≥ 40% but < 50% | C + | 4.0-4.9 |
| ≥ 30% but < 40% | C | 3.0-3.9 |
| < 30% | F | 0 |
| Absent | Ab | 0 |

- i) Numerical Grade Point shall not be calculated in respect of a failed paper
- ii) The multiplicative factors shall be 0.10 for all Grades for the purpose of calculating numerical Grade Point.

Example :

If the student secures P%, where $P \geq 30$ his/her grade point will be $[3.0 + \{(P - 30) \times 0.1\}]$ or simply $30 \times 0.10 = 3$

If a student scores 52% in a particular paper, his/her grade point for the paper will be $(3.00 + 0.1 \times 22) = 5.20$ or simply, $52 \times 0.10 = 5.2$

19)(a) Semester Grade Point Average (SGPA)

The Semester Grade Point Average (SGPA) will be the weighted average of the numerical grade points obtained in all the papers of the given semester, where Weights refer to the Credits assigned to the concerned papers. If the Numerical Grade Points obtained by a student in different papers of a Semester are denoted by P_i and the credit of the corresponding papers are denoted by C_i , the SGPA will be $[\Sigma(P_i \times C_i) / \Sigma C_i]$ where $i=1$ to n , and n = no. of papers in the Semester. The SGPA shall be shown in the mark sheet up to the third decimal point.

19)(b) Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) over six/eight semesters shall be the weighted average of the six/eight SGPA's.

$CGPA = (\Sigma(SGPA_j \times C_j) / \Sigma C_j)$ where $j = 1$ to $6/8$. CGPA shall be calculated and shown up to three decimal places. $SGPA_j$ is the SGPA of the j^{th} Semester ($j=1$ to $6/8$) and C_j is the total credit of j^{th} Semester used for Grade Point Calculation.

The grade of the candidate on the basis of CGPA will be as follows:

| CGPA | Letter Grade | Remarks |
|--------------|--------------|--------------|
| 9.000-10.000 | A+ + | Outstanding |
| 8.000-8.999 | A+ | Excellent |
| 7.000-7.999 | A | Very Good |
| 6.000-6.999 | B + | Good |
| 5.000-5.999 | B | Average |
| 4.000-4.999 | C + | Fair |
| 3.000-3.999 | C | Satisfactory |
| 0.000-2.999 | F | Fail |

Both SGPA and CGPA will be rounded off to the third place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each paper / module as well as the SGPA, the total marks

obtained in that semester and the credit earned in the semester concerned. The final grade sheet, shall include the SGPA of two/four/six/eight semesters, as applicable, CGPA, Letter Grade, the marks obtained, total marks and the total Credits earned.

20) Degree

i) A candidate clearing all the papers of the 1st and 2nd semesters and also completing a 3 credit Internship and exiting the course at the end of the 1st year shall get a certificate of 45 credits.

ii) A candidate clearing all the papers of the 1st, 2nd, 3rd & 4th semesters and also completing a 3 credit Internship and exiting the course at the end of the 2nd year shall get a Diploma of 88 credits.

iii) A candidate clearing all the papers of the 1st to 6th semesters and also completing a 3 credit Internship, obtaining a minimum CGPA of 4.00 and exiting the course at the end of the 3rd year shall get a 3-year B.A./B.Sc/B.Com. (Honours with a Core Vocational Subject) degree, as the case may be.

iv) Candidates pursuing the 4th year of study & securing qualifying marks in all the papers of 7th & 8th semesters and also obtaining a minimum CGPA 4.00 after the 8th semester shall be awarded a 4-year B.A./B.Sc/B.Com. (Honours with a Core Vocational Subject) degree, as the case may be.

Explanation for (iv)

Such candidates shall have to complete a 3 credit internship within the 6th semester of study.

v) A candidate, after successful completion of a Four-year degree course **B.A./B.Sc/B.Com. (Honours with a Core Vocational Subject)** shall not be entitled to seek admission to B.A./B.Sc./B.Com. courses of this University.

UNIVERSITY OF CALCUTTA

Notification No. CSR/45/2023

It is notified for information of all concerned that the Syndicate in its meeting held on 12.12.2023 approved & confirmed by the Syndicate dated 13.12.2023 (Item No.02) the Examination Regulations for semester wise Four-year B.A./B.Sc. (Honours & Honours with Research) Courses of studies (under Curriculum & Credit Framework, 2022), under this University, as laid down in the accompanying pamphlet.

The above shall be effective from the session 2023 -2024 and onwards.

SENATE HOUSE

KOLKATA-700 073

18/12/2023

Prof.(Dr.) Debasis Das

Registrar

Regulations relating to Examinations for the semester wise Four-Year B.A./B.Sc. (Honours & Honours with Research under CCF, 2022) Courses of Studies conducted by the University of Calcutta

1) The 4-year B.A. /B.Sc. (Honours and Honours with Research) Course of Studies under CCF, 2022 shall consist of Eight (8) Semesters (Semester-I, Semester-II, Semester-III, Semester-IV, Semester-V and Semester-VI, Semester-VII, Semester- VIII) with exit options after 2nd, 4th & 6th Semesters.

2) Semester End Examinations are to be held ordinarily at the end of the concerned Semester, i.e., Semester-I, Semester-III, Semester-V, Semester-VII in **December-January** and Semester-II, Semester-IV, Semester-VI, Semester-VIII in **June-July**.

3) Requisite Attendance:

(i) A Student attending at least 75% of the total number of classes* held shall be allowed to appear at the concerned Semester End Examination subject to fulfilment of other conditions laid down in the regulations.

(ii) A Student attending at least 60% but less than 75% of the total number of classes* held shall be allowed to appear at the concerned Semester End Examinations subject to the payment of prescribed condonation fees and fulfilment of other conditions laid down in the regulations.

(iii) A Student attending less than 60% of the total number of classes* held shall not be allowed to appear at the concerned Semester End Examinations.

*Such attendance will be calculated from the date of commencement of classes or the date of admission, whichever is later.

Calculation of attendance percentage shall include all the courses offered in the concerned semester.

4) Duration of Theoretical Examinations

| Full Marks | | Duration |
|----------------|----------------|----------|
| Non MCQ | MCQ | |
| ≤ 25 | ≤ 50 | 1 hour |
| > 25 but ≤ 50 | > 50 but ≤ 100 | 2 hours |
| > 50 but ≤ 75 | ----- | 3 hours |
| > 75 but ≤ 100 | ----- | 4 hours |

Note :- Duration of the Practical examinations shall be determined by the concerned U.G. Board of Studies duly approved by the appropriate authorities.

5) (a) The Semester End examinations shall comprise of the examinations in Core papers, Minor papers & SEC papers and the said examinations shall be held at away centers for the Theoretical examinations. Practical examinations for Core and SEC papers will be held at away centers and Practical examinations for Minor papers will be held at Home centers. Tutorial part, if any will be held at the home centers. These examinations will be called Semester End examinations.

(b) (i) The examinations in **IDC, AEC, CVAC** shall be held at home centers before the commencement of Semester End examination.

(ii) In respect of AEC & the **compulsory CVAC**, the examinations shall be held at the home centers and the setting of question papers & scheduling of examination shall be done by the University and the answer scripts shall be evaluated by the teachers of the respective colleges.

(iii) In respect of **IDC & the optional CVAC (4th CVAC to be offered at the 2nd semester)**, the examination shall be held at the home centers & the colleges will arrange for setting of question papers, scheduling of examinations and the answer scripts shall be evaluated by the teachers of the concerned colleges.

(iv) The Controller of examinations shall fix the dates of submission of marks for IDC, AEC & CVAC. Ordinarily, the process of marks submission by the Colleges to the University shall be completed before the commencement of Semester End examination.

(v) In case, a student who does not enroll or is not eligible for the Semester End examination marks obtained by the candidate in IDC, AEC, CVAC of the said Semester shall not be retained in the credit of the student.

6) Question papers shall be set in English version only for the Core and SEC papers of the following subjects

Physics, Chemistry, Mathematics, Botany, Zoology, Physiology, Computer Science, Biochemistry, Microbiology, Anthropology, Electronics, Statistics, Geology, Food & Nutrition, Geography and Psychology.

7) Medium of Answer

For examinations in subjects other than those are language-based candidates shall have the option of writing their answers in either Bengali or English unless instructed otherwise in respective question paper(s).

For examinations in AECs (i.e., Bengali, Hindi, Urdu, Compulsory English & Alt. English) candidates shall have to write their answers in the respective language only.

8) An Examination shall be held always under the current syllabus.

9) First semester classes for B.A. /B.Sc. courses of studies shall commence ordinarily within thirty days from the date of publication of results of the H.S. Examination of the year conducted by the West Bengal Council of Higher Secondary Education. Classes for second semester to eighth semester shall commence ordinarily within seven days from the date of completion of lower Semester End examination of the year respectively (e.g. class of 2nd semester shall commence within seven days from the completion of 1st semester examination).

10) An affiliated College/Institution shall submit application forms in prescribed format duly filled in by the candidates intending to appear at the said Semester End examination(s) to the Controller of Examinations within the last date fixed by the University.

Admit Card for an examination shall not be issued to the college concerned in favour of a candidate unless his/her application is duly filled-up in all respects and particularly in regard to:

i) Date of admission to the first semester class with subject combination, ii) year of first appearance in the examination of the semester concerned and iii) year(s) of appearance (s) in the semester-I/semester-II/ and semester -III/ semester-IV/ semester - V/ semester-VI/semester-VII/ semester-VIII Examinations as the case may be together with the results thereof and such other information as may be required by the University from time to time and duly endorsed by the Principal testifying his/her a) good conduct, b) requisite attendance record in theoretical and practical/tutorial classes in each of the subjects in which he/she intends to appear and c) eligibility under this regulations for appearance at the concerned examination and in the said subject(s).

11) Qualifying Marks, SGPA & CGPA

(i) In order to earn the corresponding credit of any paper, a candidate has to secure 30% marks separately in Theory & Practical/Tutorial component of the said paper, whichever is applicable.

(ii) SGPA : Semester Grade point Average (SGPA) shall be calculated provided a candidate secures qualifying marks in all the papers of the concerned Semester. For a candidate failing to obtain qualifying marks in one or more paper the SGPA shall be shown as “NA (Not Applicable)”.

(iii) CGPA : The Cumulative Grade Point Average (CGPA) shall be calculated on the basis of the SGPAs of all the Semesters. Ordinarily the CGPA will be calculated after the 6th Semester & after the 8th Semester. For candidates seeking exit after the 2nd /4th Semester, CGPA will be calculated accordingly, provided the candidate completed a 3 credit internship. In order to get CGPA a candidate shall have to clear all the Semesters up to that level. For a candidate with ‘NA’ shown against SGPA in one or more semesters, CGPA shall be shown as ‘NA’.

12) If a candidate secures qualifying marks in all the papers of the first six semester examinations but fails to secure a minimum of CGPA 4.000, the candidate will get a Three year B.A./B.Sc. degree as the case may be, provided the candidate also completes a 3 credit internship.

However, such candidates may re-appear at the 5th or 6th Semester End Examinations or both, at the immediate next available chances within the stipulated period of time to obtain a minimum CGPA of 4.00, failing which, the previous status based on the previous aggregate shall be retained.

Candidates securing 30% marks in all the papers of first six semesters and also securing a minimum CGPA of 4.00 will get a Three-year B.A/B.Sc. Honours degree as the case may be, provided such candidates also complete a 3.00 credit internship.

Explanation: Completion of internship shall mean undertaking of the internship and securing qualifying marks at the evaluation of internship.

13) (i) Candidates securing 30% marks in all the papers of first six semesters and also securing a minimum CGPA 4.00 shall be eligible to continue the 7th semester classes. Candidates securing at least CGPA **7.5** may opt for Honours with Research Course at 7th & 8th semester.

(ii) If a candidate secures a minimum of CGPA 4.00 but fails to secure a minimum CGPA **7.5** may re-appear at the 5th or 6th Semester End Examinations or both, at the immediate next available chances within the stipulated period of time to obtain a minimum CGPA of **7.5**

In case such candidates fail to obtain a minimum CGPA **7.5** the previous status (the status at the end of 6th semester) based on the previous aggregate shall be retained.

14) (i) Candidates eligible to continue the 7th & 8th semester classes & securing 30% marks in all the papers/ dissertation of 7th & 8th semester but failing to obtain CGPA 4.00 after 8th semester will be awarded 3-year B.A./B.Sc. Honours degree on the basis of the marks obtained up to 6th semester. However, such candidates may reappear at the 7th/ 8th semester or both, in immediate next available chances (only one chance for each semester) within stipulated period of time to obtain a minimum CGPA of 4.00, failing which previous status shall be

retained.

(ii) Candidates pursuing 7th & 8th semester classes securing 30% marks in all the papers/ dissertation of 7th/8th semester & securing minimum CGPA 4.00 after 8th semester, will be awarded 4-year B.A./ B.Sc. Honours/ Honours with Research degree, as the case may be.

15) (i) A candidate who is eligible to appear at any of the Semester End Examinations, does not enroll or does not appear at the examinations or fails to secure qualifying marks in one or more paper(s) at the concerned examinations, as well as a candidate not eligible to appear at the Semester End examination, will be allowed to attend the classes in the next higher semester, as applicable and may appear at the said higher Semester End examination provided the candidate is otherwise eligible.

(ii) A candidate who fails to secure qualifying marks in one or more papers of a semester may appear in those paper(s) when the concerned Semester Examinations will be held next along with the higher semester examination, if otherwise eligible.

Explanation :-

Candidates not eligible/ not enrolling for an **odd Semester End** examination will be eligible to join the next successive **even semester classes** and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to join and enroll the **odd semester class** and will appear at the corresponding odd Semester End examination (for which they were previously not eligible or not enrolled) before joining the next higher odd semester classes excluding semester 7th and 8th.

Similarly, Candidates not eligible/ not enrolling for an **even Semester End** examination will be eligible to join the next successive **odd semester** classes and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to join and enroll the **even semester** class and will appear at the corresponding **even Semester End** examination (for which they were previously not eligible or not enrolled) before joining the next higher odd semester classes excluding semester 7th and 8th.

16) If a candidate secures qualifying marks in Practical Paper(s)/ Project Work/Tutorial but fails to secure qualifying marks in Theoretical paper(s), the marks of Practical Paper(s)/ Project Work/ Tutorial shall be retained.

Similarly , If a candidate secures qualifying marks in Theoretical papers but fails to secure qualifying marks in Practical Paper(s)/ Project Work/ Tutorial , the marks of Theoretical papers shall be retained.

17) Cancellation of Examination

Candidate may apply through the Principal for cancellation of enrollment of the concerned Semester End examination within fifteen working days from the date of completion of theory papers of the said examinations. Such option for cancellation of examination once exercised cannot be revoked.

18) Grace Marks

A candidate who fails to obtain qualifying mark in any paper(s)/ component of paper(s) in any Semester End examination for shortage of one mark shall be awarded one grace mark in such paper(s)/component of paper(s). Grace mark shall be shown in the mark sheet.

19) Re-examination/Review

i) Re-Examination/review is applicable only for non MCQ Theoretical papers/Theoretical component of paper(s) of Semester End examination. Reexamination/review is not permissible for IDC, AEC, CVAC and Practical & Tutorial Examinations and Project Work.

ii) A candidate will be eligible to apply for review for answer scripts if he/she appears at the concerned Semester End examination as a whole.

iii) A candidate shall be allowed to apply for re-examination/ review of not more than 2(two) Theoretical papers/ component of papers in each Semester End i.e. Core, Minor and SEC taken together, provided that he/she has scored qualifying marks, i.e., 30% in the remaining papers of that Semester End examination.

Marks awarded on re-examination will be taken as the marks obtained by the candidate in that paper, provided, however, if on re-examination the marks get enhanced by more than 15% or get reduced by more than 5% compare to the marks obtained by the candidate previously (percentage will be calculated on the basis of the full marks of the theoretical component of that paper) the script of the said paper will be referred to the third examiner. Among the marks awarded by three examiners, i.e., original examiner, second examiner (re-examiner) and the third examiner, the average of the two closer marks obtained will be awarded. Revised marks will be given effect, provided it does not lead to lowering of Letter Grade.

(20) Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

A 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below.

| Percentage of Marks | Grades | Numerical Grade Points |
|---------------------|--------|------------------------|
| ≥ 90% to 100% | A+ + | 9.0-10 |
| ≥ 80% but < 90% | A+ | 8.0-8.9 |
| ≥ 70% but < 80% | A | 7.0-7.9 |
| ≥ 60% but < 70% | B + | 6.0-6.9 |
| ≥ 50% but < 60% | B | 5.0-5.9 |
| ≥ 40% but < 50% | C + | 4.0-4.9 |
| ≥ 30% but < 40% | C | 3.0-3.9 |
| < 30% | F | 0 |
| Absent | Ab | 0 |

i) Numerical Grade Point shall not be calculated in respect of a failed paper

ii) The multiplicative factors shall be 0.10 for all Grades for the purpose of calculating numerical Grade Point.

Example :

If the student secures P%, where $P \geq 30$ his/her grade point will be $[3.0 + \{(P - 30) \times 0.1\}]$ or simply $30 \times 0.10 = 3$

If a student scores 52% in a particular paper, his/her grade point for the paper will be $(3.00 + 0.1 \times 22) = 5.20$ or simply, $52 \times 0.10 = 5.2$

21)(a) Semester Grade Point Average (SGPA)

The Semester Grade Point Average (SGPA) will be the weighted average of the numerical grade points obtained in all the papers of the given semester, where Weights refer to the Credits assigned to the concerned papers. If the Numerical Grade Points obtained by a student in different papers of a Semester are denoted by P_i and the credit of the corresponding papers are denoted by C_i , the SGPA will be $[\Sigma(P_i \times C_i) / \Sigma C_i]$ where $i=1$ to n , and n = no. of papers in the Semester. The SGPA shall be shown in the mark sheet up to the third decimal point.

21)(b) Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) over six/eight semesters shall be the weighted average of the six/eight SGPA's.

$CGPA = (\Sigma(SGPA_j \times C_j) / \Sigma C_j)$ where $j = 1$ to $6/8$. CGPA shall be calculated and shown up to three decimal places. $SGPA_j$ is the SGPA of the j^{th} Semester ($j=1$ to $6/8$) and C_j is the total credit of j^{th} Semester used for Grade Point Calculation.

The grade of the candidate on the basis of CGPA will be as follows:

| CGPA | Letter Grade | Remarks |
|--------------|---------------------|----------------|
| 9.000-10.000 | A+ + | Outstanding |
| 8.000-8.999 | A+ | Excellent |
| 7.000-7.999 | A | Very Good |
| 6.000-6.999 | B + | Good |
| 5.000-5.999 | B | Average |
| 4.000-4.999 | C + | Fair |
| 3.000-3.999 | C | Satisfactory |
| 0.000-2.999 | F | Fail |

Both SGPA and CGPA will be rounded off to the third place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each paper / module as well as the SGPA, the total marks obtained in that semester and the credit earned in the semester concerned. The final grade sheet, shall include the SGPA of two/ four/ six/eight semesters, as applicable, CGPA, Letter Grade, the marks obtained, total marks and the total Credits earned.

22) Degree

- i) A candidate clearing all the papers of the 1st and 2nd semesters and also completing a 3 credit Internship and exiting the course at the end of the 1st year shall get a certificate of 45 credits.
- ii) A candidate clearing all the papers of the 1st, 2nd, 3rd & 4th semesters and also completing a 3 credit Internship and exiting the course at the end of the 2nd year shall get a Diploma of 88 credits.
- iii) A candidate clearing all the papers of the 1st to 6th semesters and also completing a 3 credit Internship, obtaining a CGPA less than 4.00 but obtaining a minimum CGPA of 3.0 at the end of the 3rd year shall get a 3-year B.A./B.Sc. degree, as the case may be.
- iv) A candidate clearing all the papers of the 1st to 6th semesters and also completing a 3 credit Internship, obtaining a minimum CGPA of 4.00 than 4.00 and exiting the course at the end of the 3rd year shall get a 3-year B.A./B.Sc. Honours degree, as the case may be.
- v) Candidates pursuing the 4th year of study without Research & securing qualifying marks in all the papers of 7th & 8th semesters and also obtaining a minimum CGPA 4.00 after the 8th semester shall be awarded a 4-year B.A./B.Sc. Honours degree, as the case may be.
- vi) Candidates pursuing the 4th year of study with Research & securing qualifying marks in all the papers of 7th & 8th semesters and also obtaining a minimum CGPA 4.00 after the 8th semester shall be awarded a 4-year B.A./B.Sc. Honours with Research degree, as the case may be.

Explanation for (v) and (vi)

Such candidates shall have to complete a 3 credit internship within the 6th semester of study.

- vii) A candidate, after successful completion of a Four-year degree course B.A. / B.Sc. (Honours) shall not be entitled to seek admission to B.A./B.Sc./B.Com. courses of this University.

UNIVERSITY OF CALCUTTA

Notification No. CSR/46/2023

It is notified for information of all concerned that the Syndicate in its meeting held on 12.12.2023 approved & subsequently confirmed on 13.12.2023 (Item No.02) the Examination Regulations for semester wise Four-year B.Com. (Honours & Honours with Research) & Three-year B.Com. Courses of studies (under Curriculum & Credit Framework, 2022), under this University, as laid down in the accompanying pamphlet.

The above shall be effective from the session 2023 -2024 and onwards.

SENATE HOUSE
KOLKATA-700 073
18/12/2023

Prof.(Dr.) Debasis Das
Registrar

Regulations relating to Examinations for the semester wise Four-Year B.COM. (Honors & Honours with Research) and Three-Year B.COM. Courses of Studies (under CCF, 2022) conducted by the University of Calcutta.

1) The 4-year B.Com.(Honours and Honours with Research) Course of Studies under CCF, 2022 shall consist of Eight(8) Semesters (Semester-I, Semester-II, Semester-III, Semester-IV, Semester-V, Semester-VI, Semester-VII, and Semester-VIII) with exit options after 2nd, 4th and 6th Semesters and the 3-Year B.Com. Course of Studies under CCF, 2022 shall consist of Six (6) Semesters (Semester-I, Semester-II, Semester-III, Semester-IV, Semester-V and Semester-VI) with exit options after 2nd and 4th Semesters.

2) Semester-end Examinations are to be held ordinarily at the end of the concerned Semester, i.e., Semester-I, Semester-III, Semester-V, Semester-VII for 4-year Programme and Semester-I, Semester-III, and Semester-V for 3-Year Programme in **December-January**, and Semester-II, Semester-IV, Semester-VI, Semester-VIII for 4-year Programme and Semester-II, Semester-IV, and Semester-VI for 3-Year Programme in **June-July**.

3) Requisite Attendance:

(i) A Student attending at least 75% of the total number of classes* held shall be allowed to appear at the concerned Semester-end Examinations subject to fulfilment of other conditions laid down in the regulations.

(ii) A Student attending at least 60% but less than 75% of the total number of classes* held shall be allowed to appear at the concerned Semester-end Examinations subject to the payment of prescribed condonation fees and fulfilment of other conditions laid down in the regulations.

(iii) A Student attending less than 60% of the total number of classes* held shall not be allowed to appear at the concerned Semester-end Examinations.

*Such attendance will be calculated from the date of commencement of classes or the date of admission, whichever is later.

Calculation of attendance percentage shall include all the courses offered in the concerned semester.

4) Duration of Theoretical Examinations.

| Full Marks | | Duration |
|----------------|----------------|----------|
| Non MCQ | MCQ | |
| ≤ 25 | ≤ 50 | 1 hour |
| > 25 but ≤ 50 | > 50 but ≤ 100 | 2 hours |
| > 50 but ≤ 75 | ----- | 3 hours |
| > 75 but ≤ 100 | ----- | 4 hours |

Note:- Duration and Modalities of the Practical Examinations shall be determined by the concerned U.G. Board of Studies duly approved by the appropriate authorities.

5)a) The Semester-end Examinations shall comprise the Examination in DSC(Major / Core), Minor and SEC papers for 4-year Programme and MDC (Major/ Core), Minor and SEC Papers for 3-year Programme and the said examinations shall be held at **Away Centers** for the Theoretical Papers / Component of the Papers, and Examinations of Practical / Tutorial part, if any, will be held at the **Home Centers**. These examinations will be called Semester-end Examinations.

b) (i) The Examinations for **IDC/ MDC, AEC and CVAC/VAC** will be held at **Home Centers** before the commencement of Semester-end Examination.

(ii) In case of AEC & the **compulsory** CVAC/VAC, the setting of question papers and scheduling of examinations shall be done by the University and the answer scripts will be evaluated internally by the teachers of the respective colleges.

(iii) In respect of **IDC/MDC & the optional CVAC/VAC (4th CVAC/VAC to be offered at the 2nd semester)** the examinations will be held at the **Home Centers** and the colleges will arrange for setting of question papers, scheduling of examinations and evaluating of answer scripts internally by the teachers of the concerned colleges.

(iv) The Controller of Examinations shall fix the dates of submission of marks for IDC/ MDC, AEC and CVAC/VAC. Ordinarily, the process of marks submission by the college to the University shall be completed before the commencement of Semester-end Examination.

(v) In case, a student does not enroll or is not eligible for the Semester-end Examination, marks obtained / credit earned by the candidate in IDC/MDC, AEC, and CVAC/VAC of the said Semester shall not be retained.

6) Question papers of the DSC (Major/Core) for 4-year programme, MDC (Core/ Major) for 3-year programme and SEC papers for both 4-year and 3-year programme shall be set in English version only.

7) Medium of Answer

For examinations in the subjects other than those are language-based, candidates shall have the option of writing their answers in either Bengali or English unless instructed otherwise in respective question paper(s).

For examinations in AECs (i.e., Bengali, Hindi, Urdu, Compulsory English & Alternative English) candidates shall have to write their answers in the respective language only.

8) An Examination shall be held always under the current syllabus.

9) First semester classes for B.Com. Courses of studies shall commence ordinarily within thirty days from the date of publication of results of the H.S. Examination of the year conducted by the West Bengal Council of Higher Secondary Education. Classes for Second Semester to Eighth Semester for the 4-year Programme and Second Semester to Sixth Semester for the 3-Year Programme shall commence ordinarily within seven days from the date of completion of lower Semester-end Examination of the year respectively (e.g., Classes of 2nd Semester shall commence within seven days from the completion of 1st Semester Examination).

10) An affiliated College/Institution shall submit application forms in prescribed format duly filled in by the candidates intending to appear at the said Semester-end Examination(s) to the Controller of Examinations within the last date fixed by the University.

Admit Card for an examination shall not be issued to the college concerned in favour of a candidate unless his/her application is duly filled-up in all respects, particularly in regard to :

- i) Date of admission to the first semester class with subject combination,
- ii) Year of first appearance in the examination of the semester concerned and
- iii) Year(s) of appearance(s) in the Semester-I/ Semester-II/ Semester -III /Semester-IV/ Semester -V/ Semester-VI/ Semester-VII/ Semester-VIII Examinations (for the 4-Year Programme) and Semester-I/ Semester-II/Semester -III / Semester-IV/ Semester -V/ Semester-VI Examinations (for the 3-Year Programme), as the case may be, together with the results of the concerned Examinations thereof and such other information as may be required by the University from time to time, and duly endorsed by the Principal testifying his/her) good conduct, requisite attendance record in theoretical and practical/tutorial classes in each of the subjects in which he/she intends to appear and eligibility under this regulations for appearance at the concerned examination and in the said subject(s).

11) Qualifying Marks, SGPA & CGPA

(i) In order to earn the corresponding credit of any paper, a candidate has to secure 30% marks separately in Theory and Practical/Tutorial component of the said paper, whichever is applicable.

(ii) SGPA: Semester Grade Point Average (SGPA) will be calculated provided a candidate secures qualifying marks in all the papers of the concerned Semester. For a candidate failing to obtain qualifying marks in one or more papers, the SGPA will be shown as “NA (Not Applicable)”.

(iii) CGPA: The Cumulative Grade Point Average (CGPA) will be calculated on the basis of the SGPAs of all the Semesters. Ordinarily the CGPA will be calculated after the 6th Semester and after the 8th Semester. However, for candidates seeking exit after the 2nd /4th Semester/6th Semester (for the 4-Year Programme) and after the 2nd /4th Semester (for the 3-Year Programme), CGPA will be calculated accordingly, provided candidates completed a 3-credit internship. In order to get CGPA a candidate shall have to clear all the Semesters up to that level. For a candidate with ‘NA’ shown against SGPA in one or more semesters, CGPA shall be shown as ‘NA’.

12) If a candidate secures qualifying marks in all papers of the First Six Semester Examinations (i.e., Semesters I . VI) of the 4-year B.Com. Programme but fails to secure a minimum CGPA of 4.0, the candidate will get a 3-year B.Com.Degree, provided candidate also completes a 3-credit Internship.

However, such candidate may re-appear at the 5th or 6th Semester-end Examinations or both, of the 4-year Programme, at the immediate next available chances within the stipulated period of time to obtain a minimum CGPA of 4.00, failing which the previous status based on the previous aggregate shall be retained.

If a candidate secures 30% marks in all the papers of First Six Semesters and also secures a minimum CGPA of 4.00 and wants to take Exit from the 4-year Programme, will get a 3-year B.Com. Honours Degree, provided such candidate also completes a 3-credit Internship.

Candidates securing 30% marks in all the papers of Six Semesters of a 3-year Programme will get a 3-year B.Com. Degree, provided such candidates also complete a 3- credit Internship.

A candidate securing 30% marks in all the papers of the first Two Semesters, may exercise EXIT option, provided he /she completes Internship of 3- Credit in order to get **CERTIFICATE in Commerce**.

A candidate securing 30% marks in all the papers of the first FOUR Semesters, may exercise EXIT option, provided he /she completes Internship of 3- Credit in order to get **DIPLOMA in Commerce**.

Completion of Internship shall mean undertaking of the 'Internship' and securing qualifying marks at the evaluation of 'Internship'.

13) (i) Candidates securing a minimum CGPA of 4.00 securing 30% marks in all the papers of First Six Semesters of the 4-year Programme, shall be eligible to join the 7th semester classes. Candidates securing a **minimum CGPA of 7.5** in the first Six Semesters of the 4-year Programme may opt for **Honours with Research** Course in the 7th & 8th semesters and the candidates securing **CGPA of less than 7.5** In the first Six Semesters of the 4-year Programme may opt for 4-Year **Honours Course (without Research)**.

(ii) If a candidate secures a minimum of CGPA of 4.00 but fails to secure a minimum CGPA of 7.5 may re-appear at the 5th or 6th Semester-end Examinations or both, at the immediate next available chances within the stipulated period of time to obtain a minimum CGPA of 7.5 for joining **Honours with Research Course** in 7th and 8th Semesters of the 4-year Programme.

In case such candidates fail to obtain a minimum CGPA of 7.5 the previous status at the end of 6th semester based on the previous aggregate shall be retained.

(14)

(i) Candidates joining the 7th & 8th semester classes fulfilling the conditions laid down in 13(i), and securing 30% marks in all the papers/ dissertation of 7th & 8th semester but failing to obtain CGPA of 4.00 after 8th semester of the 4-year Programme, will be awarded 3-year B.Com. Honours Degree on the basis of the marks obtained up to 6th semester. However, such candidates may reappear at the 7th/ 8th semester or both, in the immediate next available chances within the stipulated period of time, failing which previous status shall be retained.

(ii) Candidates pursuing 7th & 8th semester classes securing 30% marks in all the papers/ dissertation of 7th & 8th semester and securing minimum CGPA of 4.00 after 8th Semester, will be awarded 4-year B.Com. Honours/ Honours with Research Degree, as the case may be.

15) A candidate who is eligible to appear at any of the Semester-end Examinations, does not enroll or does not appear at the examinations or fails to secure qualifying marks in one or more paper(s) at the concerned examinations, as well as a candidate not eligible to appear at the Semester-end Examination, will be allowed to attend the classes in the next higher semester, as applicable and may appear at the said higher Semester-end Examination provided the candidate is otherwise eligible.

Explanation:-

Candidates not eligible/ not enrolling for an **Odd Semester** Examination will be allowed to join the next successive **Even Semester Classes** and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to enroll and join the **Odd Semester Classes** and will appear at the corresponding Odd Semester Examination (for which they were previously not eligible or not enrolled) before joining the next higher Odd Semester Classes.

For example, if a candidate becomes ineligible or if he /she does enroll for Semester I Examination, he / she shall be allowed to join the classes of Semester II and also shall be allowed to appear in Semester II Examination, if otherwise eligible, but he/she shall have to enroll and join the Semester I Classes and appear in Semester I Examination before joining Semester III Classes. However, the candidates shall not be allowed to join classes in the 7th Semester of the 4-year Programme unless they clear all the first Six Semesters with CGPA of 4.00 and above.

Similarly, candidates not eligible/ not enrolling for an **Even Semester-end** Examination will be allowed to join the next successive **Odd Semester** classes and appear at the respective examinations, if otherwise eligible. However, such candidates shall have to enroll and join the **Even Semester** class and will appear at the corresponding **Even Semester-end** examination (for which they were previously not eligible or not enrolled) before joining the next higher Odd Semester Classes. However, the candidates shall not be allowed to join classes in the 7th Semester of the 4-year Programme unless they clear the first Six Semesters with CGPA of 4.00 and above.

16) If a candidate secures qualifying marks in Practical Paper(s)/Project Work/ Tutorial, but fails to secure qualifying marks in Theoretical Paper(s) / Theoretical Component of the Paper(s), the marks of Practical Paper(s)/Project Work/Tutorial shall be retained.

Similarly, If a candidate secures qualifying marks in Theoretical Papers/Theoretical Component of the Paper(s) but fails to secure qualifying marks in Practical Paper(s)/Project Work/ Tutorial, the marks of Theoretical Papers/Theoretical Component of the Paper(s) shall be retained.

17) A candidate who fails to secure qualifying marks in one or more papers of a Semester may appear in those paper(s) when the concerned Semester Examinations will be held next.

18) Cancellation of Examination

Candidate may apply through the Principal for cancellation of enrollment of the concerned Semester end Examination within fifteen working days from the date of completion of Theoretical Papers / Theoretical Component of the Paper(s) of the said examinations. Such option for cancellation of examination once exercised cannot be revoked.

19) Grace Marks

A candidate who fails to obtain qualifying marks in any paper(s)/ component of paper(s) in any Semester-end Examination for shortage of One (1)Mark only shall be awarded Grace Mark of One (1) in such paper(s) or component of paper(s). Such Grace Marks will be shown in the mark sheet.

20) Re-examination/Review

i) Re-examination/review is applicable only for non-MCQ Theoretical Papers/Theoretical Component of Paper(s). Re-examination/ review is not permissible for IDC/MDC, AEC, CVAC/ VAC and Practical & Tutorial Examinations and Project Work.

ii) A candidate will be eligible to apply for review for answer scripts If he/she appears at the concerned Semester Examination as a whole.

iii) A candidate shall be allowed to apply for re-examination/review of not more than 2(two) Theoretical Paper(s)/ Theoretical Component of Paper(s), i.e. **DSC (Major/Core), Minor & SEC for 4-year programme and MDC (Core/Major), Minor and SEC for 3-year programme**, taken together, within the University notified date after publication of results of the Semester-end Examination provided that he/she has secured qualifying marks, i.e., 30%, in the remaining papers of the concerned Semester-end Examination.

Marks awarded on re-examination will be taken as the marks obtained by the candidate in that paper, provided, however, if on re-examination the marks get enhanced by more than 15% or get reduced by more than 5% compared to the marks obtained by the candidate previously (percentage will be calculated on the basis of the full marks of the theoretical component of that paper) the answer script of the said paper will be referred to the third examiner. Among the marks awarded by three examiners, i.e., original examiner, second examiner (reexaminer) and the third examiner, the average of the two closer marks obtained will be awarded. Revised marks will be given effect, provided it does not lead to lowering of Letter Grade.

(21) Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

A10 point grading system shall be followed for the purpose of Grade Point Calculation, as shown below.

| Percentage of Marks | Grades | Numerical Grade Points |
|---------------------|--------|------------------------|
| ≥ 90% to 100% | A+ + | 9.0-10 |
| ≥ 80% but < 90% | A+ | 8.0-8.9 |
| ≥ 70% but < 80% | A | 7.0-7.9 |
| ≥ 60% but < 70% | B + | 6.0-6.9 |
| ≥ 50% but < 60% | B | 5.0-5.9 |
| ≥ 40% but < 50% | C + | 4.0-4.9 |
| ≥ 30% but < 40% | C | 3.0-3.9 |
| < 30% | F | 0 |
| Absent | Ab | 0 |

i) Numerical Grade Point shall not be calculated in respect of a failed paper

ii) The multiplicative factors shall be 0.10 for all Grades for the purpose of calculating numerical Grade Point.

Example:

If the student secures P%, where $P \geq 30$ his/her grade point will be

$$[3.0 + \{(P/30) \times 0.1\}] \text{ or simply } 30 \times 0.10 = 3$$

If a student scores 52% in a particular paper, his/her grade point for the paper will be $(3.00 + 0.1 \times 22) = 5.20$ or simply, $52 \times 0.10 = 5.2$

22) (a) Semester Grade Point Average(SGPA)

The Semester Grade Point Average (SGPA) will be the weighted average of the numerical grade points obtained in all the papers of the given semester, where Weights refer to the Credits assigned to the concerned papers. If the Numerical Grade Points obtained by a student in different papers of a Semester are denoted by P_i and the credit of the corresponding papers are denoted by C_i , the SGPA will be $[\sum(P_i \times C_i) / \sum C_i]$ where $i=1$ to n , and n = no. of papers in the Semester. The SGPA shall be shown in the mark sheet up to the third decimal point.

22) (b) Cumulative Grade Point Average(CGPA)

Cumulative Grade Point Average (CGPA) over six/eight semesters shall be the weighted average of the six/eight SGPA's.

$CGPA = (\sum(SGPA_j \times C_j) / \sum C_j)$ where $j = 1$ to $6/8$. CGPA shall be calculated and shown up to three decimal places. $SGPA_j$ is the SGPA of the j^{th} Semester ($j=1$ to $6/8$) and C_j is the total credit of j th Semester used for Grade Point Calculation.

The grade of the candidate on the basis of CGPA will be as follows:

| CGPA | Letter Grade | Remarks |
|--------------|--------------|--------------|
| 9.000-10.000 | A+ + | Outstanding |
| 8.000-8.999 | A+ | Excellent |
| 7.000-7.999 | A | Very Good |
| 6.000-6.999 | B + | Good |
| 5.000-5.999 | B | Average |
| 4.000-4.999 | C + | Fair |
| 3.000-3.999 | C | Satisfactory |
| 0.000-2.999 | F | Fail |

Both SGPA and CGPA will be rounded off to the third place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each paper / module as well as the SGPA, the total marks obtained in that semester and the credit earned in the semester concerned. The final grade sheet, shall include the SGPA of two/ four/ six/eight semesters, CGPA, Letter Grade, the marks obtained, total marks and the total Credits earned.

23) Degree

i) A candidate pursuing 4-year or 3-year B.Com. Course, clearing all the papers of the 1st and 2nd semesters and also completing a 3-credit Internship and exiting the course at the end of the 1st year shall get a **Certificate in Commerce** with 45 credits.

ii) A candidate pursuing 4-year or 3-year B.Com. Course, clearing all the papers of the 1st, 2nd, 3rd & 4th semesters and also completing a 3-credit Internship and exiting the course at the end of the 2nd year shall get a **Diploma in Commerce with** 88 credits.

iii) A candidate pursuing 4-year B.Com. Course clearing all the papers of the 1st to 6th semesters and also completing a 3-credit Internship, obtaining a CGPA of 3.00 or more but less than 4.00 at the end of the 3rd year shall get a **3-year B.Com. Degree**.

A candidate pursuing 3-year B.Com. course clearing all the papers of the 1st to 6th semesters and also completing a 3 credit Internship, obtaining a minimum CGPA of 3.00 at the end of the 3rd year shall get a 3-year B.Com. Degree.

iv) A candidate pursuing 4-year B.Com. course, clearing all the papers of the 1st to 6th semesters and also completing a 3-credit Internship, obtaining a minimum CGPA of 4.00 and **exiting the course at the end of the 3rd year** shall get a **3-year B.Com. Honours Degree**.

v) Candidates pursuing the 4th year B.Com. course of study without Research and securing qualifying marks in all the papers of 7th & 8th semesters and also obtaining a minimum CGPA 4.00 after the 8th semester shall be awarded a **4-year B.Com. Honours Degree without Research**.

vi) Candidates pursuing the 4-year B.Com. course of study with Research and securing qualifying marks in all the papers of 7th & 8th semesters and also obtaining a minimum CGPA 4.00 after the 8th semester shall be awarded a **4-year B.Com. Honours with Research Degree**.

Explanation for (v) and (vi)

Such candidates shall have to complete a 3-credit Internship within the 6th semester of study.

24) A candidate, after successful completion of a 4-year B.Com. Course (Honours/ Honours with Research) or 3-year B.Com. Course shall not be entitled to seek admission in B.A./ B.Sc./ B.Com. courses of this University.

GOVERNMENT OF WEST BENGAL

HIGHER EDUCATION DEPARTMENT (UNIVERSITY BRANCH)

BIKASH BHABAN, SALT LAKE, KOLKATA-700091

No. 67 -Edn (U)/I U-89/13

Date: 16.01.2014

From: Smt. M. Ray, IAS

Additional Secretary to the Govt, of West Bengal

To: The Vice Chancellor,

_____ University

Subject: Competent authority for issuing Residential/Domiciled Certificate and relevant Proforma of certificate.

Sir,

In reference to the above mentioned subject, I am directed to enclose Proforma A-I, A-II, and Proforma- B for issuing Residential/Domicile Certificate and also to state that in respect of Certificate issued under Proforma A-I and Proforma-B, the following authorities of the Central/ State Government having local jurisdiction over the place of permanent residence of the candidate or his/her parent, as the case may be, are the competent authority for issuing Residential/Domicile Certificate, viz. (i) District Magistrate, (ii) Additional District Magistrate, (iii) Deputy Magistrate & Deputy Collector, (iv) Sub-Divisional Officer, (v) Block Development Officer, (vi) Superintendent of Police, (vii) Additional Superintendent of Police, (viii)subdivisional Police Officer or Deputy Superintendent of Police, (ix) Commissioner, Additional Commissioner, Joint Commissioner, Deputy Commissioner, Assistant Commissioner or Police Commissionerate, (x) Judicial Magistrate of any rank or position in the concerned district or Metropolitan locality or Judge/Judicial Officers of the Hon'ble Calcutta High Court or the Hon'ble Supreme Court of India, (xi) Commissioner, Additional Commissioner, Joint Commissioner, Assistant Commissioner of Municipal Corporation, (xii) Executive Officer of Municipality, (xiii) Assistant Secretary/equivalent or above in the Secretariat to the Government of West Bengal (including GTA) or Central Government, (xiv) Deputy Director or above in the Directorate to the Government of West Bengal or Central Government.

Every official certifying the Domicile Status of the candidate or his/her parents must provide his Full Name, Designation, Place of Posting with address, Landline and Mobile Number along with employee's Identity Card Number. No elected representative like Municipal Commissioner, Councilor of Municipal Corporation, any elected member of three-tire Panchayat System or GTA, MLA or MP is entitled to issue Residential/Domicile Certificate.

Domicile/Residential Certificate in Proforma A-II may also be issued by the Head of the Institution from which the candidate has passed his/her 10 + 2 examination or 10 + 2 + 3 Examination. Such certificate may be issued based on verification of the school/college education record of the candidate.

Yours faithfully,

Additional Secretary

Proforma for Residential / Domicile Certificate

PROFORMA "A-I"

Applicable for candidates residing in the State of West Bengal continuously at least for last ten (10) years as on 15.12.2013

To be issued by the authorized persons other than Head of the Institution from which the Candidate appeared/is due to appear in '10 + 2' or equivalent examination

Domicile Certificate: Type-A-I

Certified that _____ son / daughter
of _____ is a resident/permanent resident of West
Bengal at Village/House No. _____

Street _____

Post Office _____ Police Station _____

in the district of _____ under Assembly Constituency _____

_____ and has been living in the State of West Bengal continuously / uninterruptedly at least for the last ten (10) years as on 15-12-2013.

Paste passport

The background of the image is a repeating pattern of stylized face masks in various colors: blue, green, yellow, orange, and red. The masks are arranged in a scattered, overlapping manner, creating a vibrant and thematic backdrop for the text.

‘বিশ্বব্যাপী অতিমারী করোনায়
আক্রান্ত হয়ে অকালপ্রয়াত ব্যক্তিদের
আত্মার শান্তিকামনায় আমাদের বিনম্র
শ্রদ্ধাঞ্জলি’। তাঁদের শোকসন্তপ্ত
নিকটজনের সহমর্মী আমরা
